**Your Monogram
Engraved**

On your Spoons, Forks, and
other silver articles, would be
nice wouldn't it? A nicely en-
graved monogram, not only adds
beauty to the article but is a
means of identifying it should
any article get astray or be
stolen. Now is a good time to
have them engraved. Our Mr.
W. T. Wellner is expert in this
beautiful art, and he will be
pleased to show you samples of
his work, and will submit special
designs for your approval if
you require it.

Every person should have their
Silverware marked.
The cost is small.

like pleasing customers.
That's what we are doing all
the time, we give them such
value for their money that they
come back again and bring others
with them. This is the key-
note of our success. We strive
to please everyone who leaves an
order with us. Why not give us
your next order and be
thoroughly convinced what we
say is true.
We solicit your valued orders.

Local and Other Items.

BLOOMING QUITE COMMON.—The sending
of poison in sweetmeats through the mails
is becoming common. The latest instance
is at Lewiston, Me., where a citizen
receives arsenic hidden in whiskey and
sugar.

COXEY'S NEW SCHEME.—The only
Cosey—he of Cosey's army fame—has a
new scheme in hand. He has engaged a
sleeping car, a dining car and a coach,
and is to travel days, and lecture nights.
He could hardly have more fun were he
president of the United States.

CHOOSING D.O.G.s.—Experts declare
that in choosing a puppy dog from among
a number of others, it is always best to
leave the choice to the mother herself,
in carrying them back to their bed. The
fist the mother will take up will be the
best. But anybody who judged this way
of a family of small boys would be apt
to get the one worst spoiled.

MYSTIC PARK.—The noted old Boston
trotting track, Mystic Park, which was
closed last season will make up for lost
time this year. Dates have been announced
for four meetings. The first will be held
June 13th, and 17th, followed by others as
follows: July 18th and 21st, August 15th
and 18th, September 12th and 15th and
October 10th and 13th.

DON'T MISS THIS.—Did they hang the
right man? There has been doubt in
some minds whether Patrick James
Whelan was the guilty party who shot
D'Arcy McGee at Ottawa on April 8, 1868.
Full light will be thrown on the subject
in Mr. McCredie's lecture in the Y. M. C.
A. Hall on Thursday evening. Proceeds
in aid of the Prince Street school library
fund. Admission 10 cents.

LAD TO REST.—The funeral of the late
John McDonald, of St. Peter's Lake, took
place on Sunday from his late home to
St. Andrew's Church, and was very largely
attended. The services in the church
were performed by Mr. McDonald, who
was assisted by Revs. J. A. McDonald, of
Miscouche, R. J. Gillis, of St. Peter's, and
A. McAulay, of Morell. After the service
the interment took place in the
cemetery adjoining the church.

AFTER THE STORM.—Some idea of the
expense a great snow storm causes New
York may be formed by the statement that
over 2,000 men were employed on Broad-
way alone, and on one day last week 48,
852 loads of snow were removed from the
street. A fair idea of the strength of the
army of workers employed may be formed
from the fact that the snow cleaning
brigade in New York is half as large as the
army that Gen. Shafter had when he first
tackled Santiago.

TAKING UP THE BURDEN.—A woman was
discovered working in a gang of snow
shovelers in New York last week, after
the Blizzard, and, instead of letting her
perform a man's labor for man's pay, she
was rudely ordered by the foreman to
"quit." Vainly she pleaded that her
family was starving and she had taken
the place of her sick husband. It is to
the credit of the other laborers that they
clamored to have the brave creature re-
tained, and begged that the foreman over-
look the rules and regulations as to sex in
her case, which was a desperate one. In
New York, evidently, the "new woman"
has not reached that point where she can
share all the burdens with the sterner sex.

Sturgeon Notes.

Our people are having hard times of it
between the grip and cold weather. But the
majority are getting out again much thanks
to Dr. Robertson.

A very sad accident happened to Mr.
John Collings, merchant, of this place by
which he had his hip badly hurt from a
fall on the ice while coming out of church.
We are sorry to say that he keeps his bed
yet from the hurt, but we hope he will
soon recover.

Mr. D. McKinnion, merchant, is about to
purchase the farm of Francis McKinnion,
St. Mary's Road east.

Much praise is due Mr. James Gratto
for the way he looked after his neighbour's
stock during the spell of sickness that was
around here. By his kindness he gained
a great many friends who will not forget
him if he be troubled with sickness.

JOLLY HEART.

Bridges in Sturgeon.

SIR,—Some time ago there was a com-
plaint about bridges in Sturgeon in THE
EXAMINER, which was true. But some one
of this place, a most anxious grit I must
say, made a reply in the Patriot that was
not true. The bridges in Sturgeon are bad,
especially Sturgeon bridge, which is in the
worst possible condition. I wish to advise
the grits to be careful in making false
replies, as such will go against them in
the next election.

FROM BRIDGEWATER.

Recently Destroyed by Fire, Comes
Glad Tidings.

One Citizen Happy in Spite of Fire—
Mr. John S. Morgan Cured of Kidney
Disease by Dodd's Kidney Pills.

BRIDGEWATER, N. S., Feb. 27.—This
town, which was a recently wiped out by
fire, numbers among its population, one
gentleman, who is happy, in spite of the
enormous damage done by the conflagra-
tion.

The gentlemen in question is Mr. John
S. Morgan, who was some time ago re-
sued from Kidney Disease, by a timely
recort to the use of Dodd's Kidney Pills.
Mr Morgan's story is well worth reading
It is one that is becoming more and
more common. Briefly it is as follows:
Some eighteen years ago the victim be-
gan to have aches and pains in his back
and legs. For a time he paid no attention
to the matter, thinking it was only a tem-
porary affair.

It was not, however. The pains grew
more severe; new symptoms developed and
indicated the presence of Kidney Disease.
Then a medical man was called in. He
treated the case for a time, but without
good results. The various patent medi-
cines were tried. They, too proved use-
less.

Mr. Morgan's condition was, all this
time, growing worse. He became a total
cripple at last. Rheumatism developed,
and his weight fell forty pounds. His
condition was by this time, really alarm-
ing.

At this juncture he heard of Dodd's Kid-
ney Pills, and at once decided to try what
they would do for him. He was surprised
and no less delighted to find that a slight
improvement was noticeable after a few
days' use of the Pills. Day by day he
grew better, until, after having used
twenty boxes of the pills, he was a well
man again.

What Dodd's Kidney Pills did for Mr.
Morgan, they will do for any other sufferer
from Kidney Disease.

we are so fond of? If you can send it to Boston it will be forwarded to me.

I like the Brahmin Tea, so do my friends. I would like an 80 lb. box same as

here thought it very fine.
MONTREAL, April 20.

Do you remember sending me two boxes of tea last September. Kindly send me
six boxes. I would like exactly the same quality as we had before, which would be
very difficult to beat. Do you want an Agent here. I believe I could do a good
business for you.

Enclosed please find the amount of your bill for the Tea which was most satis-
factory and much liked by my family. I will send for another box when this is
