Dear Sir,

In the hectic atmosphere of an academic community, one often finds it difficult to express sincere thanks to individuals who give of themselves far beyond the requirements in their "job descriptions". We, the female of U.P.E.I., would like to acknowledge the overwhelming endeavors of Vince Mulligan on our behalf.

We appreciate the existence in this community of a number of qualified people who are dedicating themselves to the improvement of the University. Too often, however, these persons become involved in the bureaucratic demands which tie them to their desks, and thus, eliminate personal contact with the students for whom they are usually working.

In the character of Vince Mulligan, we have found an ally whom we know is working for our benefit. We need only suggest a time, place, and

Last weekend, the Panther Hockey squad dropped their first two league games to the Memorial Beothuks, by a score of 3-1 and 5-3. However, due to a protest on the eligibility of Beothuk goalie Doug Grant, the Panthers may win both games by forfeit.

In the first game, Memorial jumped out in front at the beginning, and U.P.E.I. couldn't catch them. The Panthers only goal came in the second period from Billy Doherty. In the net for the Panthers was Guy DesAuliers, who sustained a leg injury in the first period, but finished the game. It is not known for how long DesAuliers will be out.

In weekend action, the Panthers split two games with the Memorial Beothuks: winning on Saturday 76-55 and losing on Sunday 77-66. In the first game U.P.E.I. had trouble getting untracked and led at half-time by only 29-27. But the second half saw them return to the brisk fast-break game that had worked so well for them, and they ran away with the game. The scoring for the Panthers was balanced, with five men

sport in which we are interested, and Vince is there with the equipment, the knowledge, and the encouragement we need. There are a number of coaches in the Phys. Ed. Dept. who are working with the athletically superior students, but Vince is the one who gathers the lame ducks and trains us in the art of enjoying sports.

U.P.E.I. is young and in many ways deficient, but we think it important to recognize the assets of the University, and it is for this reason that we say, "Thanks, Vince," and "Thank you, U.P.E.I. for employing at least one Vince Mulligan."

Yours truly,
The Girls

In the second game, the Beothuks again outplayed the Panthers and won 5-3. U.P.E.I. scorers were Bill Doherty, Claude Lambert, and Bill Weatherbie.

The Panthers may yet win these games, though. It seems that Grant, an outstanding player in the series, attended Memorial a few years ago, failed his year, and left. This year he was admitted into the university as a freshman again. League rules state that once a player fails a year, he must pass one year before he is allowed to play again. Coach Kane has protested the two games, but as this goes to the press, the league's decision is not known. This weekend the Panthers hit the road again for games at St. F.X. and Dalhousie.

scoring in double figures led by Bill Robertson's 16.

The second game was a disaster for U.P.E.I., as they not only lost the game, but also lost the services of Andy Packard for 3-4 weeks as a result of a dislocated finger. Packard is the major rebounder of the team and will be sorely missed. This weekend the Panthers defend their Mt. Allison Invitational tournament crown against St. F.X., University of Main at Machias, and Mt. Allison. U.P.E.I. will play Mt. A at 9:00 on Friday night.
