HOSPITAL ACCOUNTING COURSE—The Department of Health of the Province of Prince Edward Island is this week sponsoring an accounting School in Moncton, N.B., conducted by the staff of Hudson, MacMakin & Co., chartered accountants. The purpose of the school is to familiarize the accounting personnel of the hospitals with the uniform accounting system advocated by the Maritime Hospital Association. This system is one which has been generally accepted throughout Canada and the United States. Its adoption will provide management with more adequate financial data and make possible comparisons which would not otherwise be feasible. Those attending the school are: Sister Mary Angela, Western Hospital; Sister Mary of Good Counsel, Charlottetown Hospital; Mrs. Freda MacKinnon, Prince Edward Island Hospital; J. E. Cullen, Charlottetown Hospital; C.C. Hickey, Prince County Hospital; C. Praught, Department of Health. — (Moncton Times).

which it almost always does. Then my secondary advice is—just be thankful things turned out the way they did and forget the whole thing! Don't nag, don't harp, don't discuss the "other woman"! If you want your husband to forget the affair, don't keep bringing it up yourself. If he doesn't want to tell you who his sweetheart was, drop the subject and never, never bring it up again.

DEAR MISS DIX: I am a widow of 35. Mother of nine children. Am very much in love with a young man of 19. Do you think I will be doing wrong to marry him?

D. M.

ANSWER: I think you must have an overgrown mother complex if you contemplate taking another child to rear when you already have nine. If you are serious, you are more a candidate for a lunatic asylum than you are for matrimony.

New Swiss Discovery F"99"

for Eczemas, Boils, Psoriasis, Leg Ulcers

THE DISCOVERY of one of the main causes of skin diseases will bring new health and happiness to thousands of people suffering from Eczemas, Boils, Leg Ulcers and Psoriasis. Science has established that the lack of unsaturated fatty acids in nutrition reduces the natural resistance of the body and leads to skin disease. As this precious substance—so essential to skin health—is often completely absent in modern food, the number of skin sufferers in all civilized countries has a tendency to increase every year.

Remarkable Discovery

A Swiss chemist, Dr. W. Schmitz, succeeded after 10 years of research work in extracting from pure vegetable oils an unsaturated fatty acid with a concentration of 99% and therefore named F "99". Thanks to this very high purity which was never attained up to now, F "99" is so readily absorbed into the blood stream, that it has a decisive biological activity in the treatment of skin diseases. Its remarkable efficiency has astonished even Skin Specialists of international reputation.

Natural way to clear up skin troubles

F "99" is not a synthetic drug but a concentrate of natural nutritive substances. It is absolutely harmless and may be given even to infants without any hesitation.

As its name suggests, the F "99" Two-Way Treatment acts internally (capsules or liquid) and externally (ointment). While F "99" Ointment treats the external symptoms, F "99" capsules give the body the power to suppress the cause to combat successfully Eczemas, Boils, Leg Ulcers and even Psoriasis. To many thousands of skin sufferers all over the world, F "99" Two-Way Treatment has already proved its tremendous value.

These are two of the numerous certified photographs open for inspection at our laboratories.

Authentic Photograph of left leg of Mr. Ernest Fausch on July 1st, suffering from Leg Ulcer for 12 years, before beginning the F "99" Treatment.

Authentic Photograph of left leg of Mr. Ernest Fausch on September 27th. The Leg Ulcer was completely cleared up after 13 weeks of F "99" Treatment.

How to use F "99" Two-Way Treatment

Eczemas ..... F "99" Capsules and Ointment
Children's Eczemas ..... F "99" Liquid and Ointment
Boils (Furunculosis) ..... F "99" Capsules and Ointment
Leg Ulcers ..... F "99" Capsules and Ointment
Psoriasis ..... F "99" Capsules and Ointment

* If in doubt, consult your doctor.
