JOHN JAMES McDONALD's letter to hand—too late for insertion this evening. Will appear to-morrow.

REGULAR COMMUNICATION of St. John Lodge A. F. & A. M., this evening, in Masonic Hall, Water Street.

Remember the Methodist Sabbath School Picnic to-morrow. Return Tickets only 40c. See advertisement.

HALIFAX city valuation this year is \$17,228,584. Last year it was \$17,665,196. The rate of taxation this year is \$1.40, against \$1.33 last year.

8.30 A. M.—The train for Cardigan Land Sale will leave Charlottetown Station at 8.30, a. m., to-morrow, and not at 8.50, as printed in error on large bills.

I. O. F.—Regular convocation of Port la Joie Encampment, for the installation of officers, will be held at Odd Fellows' Hall, to-morrow (Wednesday) evening, at 8 o'clock.

The first fresh mackerel which we have seen this season were on sale at the fish market to-day. They measured from nine to ten inches long and were sold at from four to five cents each.

Remember 'tis at 8.30 to-morrow (Wednesday) morning that the Special Train will leave for the Land Sale and Picnic at Cardigan Bridge.

A. McNEILL.

MR. GAY had on sale at the market to-day a quantity of new potatoes which were grown in the garden of Henry Holl, Esq., of this city. They are of the Early Rose species and are of an average size of three by four inches. They were quickly retailed at the rate of eight cents per quart.

COL. MCGILL's elaborate cake evidently did not go well with the intelligent people of Crapaud. Rumor says it was sold at the value which the electors of that district place on a Grit candidate. N. B.—We learn the price the cake realized was one dollar on the fifth bid of the second offer.

At the Stipendiary Magistrate's Court, this forenoon, Edward O'Neill was examined for the larceny of brass, copper, etc., from the forge of Alexander Russel, on Duncan's Wharf. After hearing the evidence of Mr. Russel, his son and the City Marshal, the prisoner was remanded to jail for eight days. None of his companions have yet been arrested.

MR. W. S. IRVING, agent for John H. Murray's Grand Circus, is at present in this city. He informs us that the Circus will be exhibited in this city on the 18th and 19th inst., on a lot owned by Hon. J. Longworth at the corner of Fitzroy and Edward Streets. An enormous bill-board, 12 feet high by 200 feet long, is being erected for the placards on Market Square.

A DESPATCH to the St. John papers of Saturday evening, from Montreal, says: "The Mayor has issued a proclamation forbidding people congregating on the streets on the Twelfth. The Orangemen will issue a notice this evening that they will walk, in defiance of the proclamation. A requisition, signed by six magistrates, to call out the troops, has been presented to the military authorities. The excitement is rising to fever heat."

It has hitherto been an almost universal practice in this City that, so soon as the death of an honored or well-known citizen is announced, half shutters are put upon the different stores as a token of respect for the deceased and of sympathy for the bereaved. Such a custom may or may not be without any practical use, but we contend that it is stretching the thing a little too far to "put up shutters" upon learning of the death of a friend's horse, as was done by one of the Grafton Street stores, yesterday, when news was received, by "express messenger," of the death of Mr. Richard Coady's horse.

A FATAL CASE OF SUNSTROKE.—Mr. Peter Martin, a man about sixty years old, who kept a grocery and liquor store in Upper Water street, opposite Pickford & Black's wharf, died very suddenly on Thursday. He had been visiting friends at the head of St. Margaret's Bay. On Thursday, while walking towards the house of a man who was going to drive him into town he was sunstruck and fell to the ground. In falling his forehead struck against a rock, which inflicted an ugly wound. He was found lying on the ground unconscious, and was carried to a neighboring house. Medical assistance was procured, but proved of no avail. The combined effects of sunstroke and the cut in his head caused his death in a few hours. His body was brought to town yesterday.—Hc. Chronicle.

SUPREME COURT.—The case of John E. Haszard vs. Robert N. Cox occupied the time of the Court until half-past one to-day, when the Jury retired, and after having been absent for an hour and a half returned to ask a question on a point of evidence, after which they returned a verdict for the defendant. The case of the Crown vs. Mary Mills for perjury, was called on at two o'clock, and occupied about an hour. The witnesses in this case were mostly colored. They created considerable amusement and provoked hearty roars of laughter from the Bench, jury and spectators. At half-past four the jury returned a verdict of "not guilty." For the prosecution the Attorney General and John Longworth, Q. C.; for the defense, E. J. Hodgson, Esq. The case of Chas. McKinnon vs. Hector McKinnon, an action of ejectment, was called on at half-past three, and is still pending.

ODD FELLOWSHIP.—The officers elect of St. Lawrence Lodge, No. 8, were, last evening, installed into their respective chairs, as follows:—

- George A. Matthew, N. G.
- H. James Palmer, V. G.
- Robert C. Higgs, R. S.

**NEWS BY TELEGRAPH.**

(Special Despatch to Examiner.)

LONDON, July 9.

The Times' Berlin correspondent telegraphs, he learns that in St. Petersburg, and still more in Moscow, great indignation is felt at the results of the Congress. The Russian diplomats in general, and the Plenipotentiaries at Berlin, in particular, being spoken of with contempt. They do nothing, the people say, but make concessions, and are ready to accept any humiliation to gain the approbation of Europe.

A telegram from Vienna says that Batoum is not to be made a free port after the fashion of Hamburg or Altona, but is to become a Russian free port, which is quite different.

Respecting Crete, the solution proposed by Congress is considered unacceptable at Athens, where public opinion is exasperated.

On Friday manifestations in which 15,000 persons participated, took place in front of the King's palace. The Government are powerless to resist the current of popular feeling, and on Friday evening orders were issued for the transportation of the royal guard to the frontier at Lamia.

Some of the Greeks in Berlin seem to have recovered from the profound dejection and strong animosity which the decision of Congress regarding the Hellenic question at first produced, and the more cool headed among them begin to perceive that the best policy is to make the most of what has been obtained.

OTTAWA, July 8.

General Sir E. Selby Smith will command the troops at Montreal in person on the 12th of July, inst.

The Bank of Montreal discovered this morning that there are in circulation counterfeit ten-dollar bills of the Bank of British North America. They are very finely photographed, requiring the knowledge of an expert to detect their forgeries.

Hanlan and party left for St. John to-day.

**Enjoy Life.**

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.
