Scrofula

Infests the blood of humanity. It appears in various forms, but is forced to yield to Hood's Sarsaparilla, which purifies and vitalizes the blood and cures all such diseases. Read this: In September, 1894, I made a mistake and injured my ankle. Very soon afterwards, two inches across formed and in walking to favor it I sprained my ankle.

A Sore

two inches across formed and in walking to favor it I sprained my ankle. The sore became worse; I could not put my foot on and I thought I should have to give up at every step. I could not get any relief and had to stop work. I read of a cure of a similar case by Hood's Sarsaparilla and concluded to try it.

GOLD MINES OF GUIANA.

No One Knows Whether There Are Any in the Disputed Territory. There are to-day, in what is probably indisputable British territory, placer gold-washings of value. Here an industrious man, if successful, can make handsome day's wages by his labor, but nothing is known of the formation known as pocket gold; in other words, the action of water has brought from some place gold, which has collected in pockets, so that when one of these is found the finder is well rewarded for his labor.

DR. CHASE'S

The talk of the Town! Citizens of Charlottetown Have a Chance to Test the Curative Properties of Dr. Chase's Ointment. By Calling on the Drug Stores and Receiving a Free Sample.

It is well known to the manufacturers of many alleged remedies to cure skin diseases, and other affections of the skin, that the Canadian agent for Dr. Chase's Ointment do not have to go away from home for evidence of its efficacy.

Commercial Travellers. Wm. Gold, commercial traveller, 130 Eglar Street, Toronto, says: For 15 years I have used Chase's Ointment, and sometimes called my workmen. Many and many weeks have I had to lay off the road from this trouble. I tried eight other ointments and so-called remedies, but to permanent relief of the itching, and the stinging, which irritated by scratching, would bleed and ulcerate. One box of Chase's Ointment cured me completely.

A Prominent Londoner. London, Ont.

Chase's Ointment is an invaluable remedy for itching piles, and in my own case I would not give a box for it if it could not be otherwise had.

Mr. T. H. Middleton, a well known traveller from Berlin, Ont., who had suffered untold agony from irritation of the skin, also testifies as to the merits of Dr. Chase's Ointment.

100,000 FREE SAMPLES GIVEN AWAY IN EIGHT MONTHS. Skeptical believers who have doubts as to the curative properties can obtain free samples from city drug stores.

A citizen of the province who will not let his name be used, writes: "Over a year ago I was told Chase's Ointment would cure itching piles, from which I was a great sufferer. I did not believe it, and although I would gladly have given \$25 for a cure, did not think such a thing was possible. Three men ago its cure of a very bad case of Eczema, in which intense itching and burning was marked, influenced me to try it, and less than half a box entirely cured me. Had it not been for that single case of Eczema coming under my notice, I would still be a martyr to itching piles."

W. J. McNabb, confectioner, 276 Queen Street West, Toronto: Five years ago I had a severe attack of it, which was followed by blood poisoning which developed into chronic eczema. I tried several physicians and various remedies to no avail.

"I was told I might lose my right leg and arm, and I was in a state of misery with horrible ulcers. My friends wanted me to go to the hospital. I decided after everything else had failed to give Dr. Chase's ointment a trial first. I relieved me from the first and two boxes completely cured me.

Chronic Sufferer from Eczema. Henry Profit, Zephyr, Ont.—"I was a chronic sufferer from eczema, and would scathe my flesh by scratching in my sleep. When I was in St. John's, I was shown a box of Dr. Chase's ointment and I used myself cured before half the box was used.

L. Switzer, Rutherford, Ont.: After suffering from itching piles for thirty years I happened to mention the fact in the Central drug store, at Timmins, Ont. "Use Dr. Chase's ointment," said the proprietor. I took his advice. Two or three applications entirely stopped the itching, and before I had the box half used, I had almost forgotten that I had ever been a subject of such a pest.

F. S. Stewart, druggist, Staver, Ont.: "I cannot speak too highly of Dr. Chase's ointment. I sell more of it for skin diseases than any other remedy. My case finally became so bad that it was impossible for me to do hard work and we gave up the farm and moved into town, under a physician's treatment, who finally gave up and said I would never be cured. One day my son brought me in a sample box of Dr. Chase's ointment and on using it found relief and got the first night's rest I had in a long time. It stopped the itching and irritation right away. I then procured a regular sized box, which entirely cured me.

Andrew Aiton only had to purchase four boxes of Chase's Ointment to effect a permanent cure of eczema on his little hand, to cure.

Dr. Chase's ointment is sold on a positive guarantee to cure or money refunded. Any sufferers doubting the above testimonial's please write to address given, and they will give facts as stated. Dr. Chase's receipt book and sample ointment and key-nerve pills sent free to any address in the Province by enclosing two three-cent stamps, and mentioning THE EXAMINER.

EDMUNDSON, BATES & CO. Toronto, Ont. Hartland, N. B.

Mr. P. S. Brown, proprietor of Revere Hotel, says he suffered for years with itching piles. One box of Chase's Ointment cured him completely.
