Science Olympics

On November 25, the UPEI Faculty of Education Science Methods Class will be hosting the 1998 Grade 10 Science Olympics will be held in the Alumni Gym beginning at 12 noon. The Science Olympics consist of a series of problem-solving events that show the fun side of science. Teams of Grade 10 students from all across the province will compete in this event. The public is welcome to attend.

We are looking for volunteers with a background in science or mathematics who would like to help with the event. Remember, this would be a great experience and it would look good on a resume.

UPEI CAMPUS COMMUNITY CUPBOARD

Responding to the awareness that some students are experiencing difficulty in acquiring basic needs, a UPEI Campus Community Cupboard (CCC) was set up in April, 1998. Many students have benefitted from your generosity. It is time to re-stock this "almost bare" cupboard. CAN YOU HELP?

Donations of non-perishable food items, toiletries, pampers, baby food, treats for children, etc. may be deposited in the boxes located in all campus buildings from November 23 - November 27. Thank you! Thank you! Thank you!
