A TELEVISION SET ABSOLUTELY FREE

Howard Douglas (left) of Douglas Bros. and Jones Ltd. and R. E. Dowd (right) of Dowd Motors Ltd. are playing major roles in this great Used Car-Television production. They are shown above on the screen of a Philco TV set making the announcement that a \$279.00 Philco TV set will be given away free with the purchase of each of the used cars or trucks in this advertisement. Here's how the offer works. The used car buyer purchases one of these OK Guaranteed cars from the Dowd Motors Used Car Lot on Kent Street and the car salesman accompanies the happy buyer across the street to Douglas Bros. and Jones Ltd., where the new car owner selects his \$279.00 TV set at Dowd Motors expense. There are no gimmicks or catches in this offer. The prices and cars are still the best on the used car market. Entertainment, service and pleasure in every way at a minimum of expense.
