ISLAND STRAWBERRIES and CREAM at W. F. CARTER'S.

TEMPERANCE DEMONSTRATION at Victoria Park on Dominion Day.

GALBRAITH'S band may be expected to play on King's Square, on Monday evening next, at 7.30.

JOHN A. MCKENZIE has been nominated by the Conservatives to oppose Hon. Alex. McKenzie in Lambeth.

THE members of the Lacrosse Club will meet for practice at Victoria Park, to-morrow evening at 4 o'clock.

A LOT of FLOOR OILCLOTH, Carpets and Cocoa Matting will be sold low. June 18—1w J. & W. BEER.

A CENTENNARIAN.—At Hamilton, Ont., recently a man named Jeremiah Buckley died at the advanced age of 107 years.

EVERY man who pays his debts now helps to make times better. Let this be remembered when the Collector for the DAILY EXAMINER calls round.

THE editor of the Patriot confesses that he is a "living epistle, known and read by all men!" We may add that he is pretty well understood, too!

SINGLE and DOUBLE—Flock Beds and Bolsters, a first rate cheap summer bed and good substitute for feathers. J. & W. BEER.

AN interesting cricket match will be played at Victoria Park to-morrow afternoon, at half-past two o'clock, between the "Rights" and "Lefts" of the Phoenix Club.

YESTERDAY afternoon at three o'clock a boy named Clarke fell off Steam Navigation wharf and would have been drowned had it not been for the timely assistance of a man who was working near the place.

WE wish to draw the attention of the police to the very large number of young men who every day indulge in a luminous bath from the Railway breastwork at the east end, within the view of passing passenger trains and private residences.

OIL PAINTINGS.—Closing sale this evening at Brennan's store at half-past seven o'clock. Every painting will be sold regardless of cost; among them some of the choice paintings of the collection. A. McNEILL, Auctioneer.

THE meeting at Crapaud was, we learn, even more favorable to the Liberal-Conservatives than was anticipated. Messrs. Campbell, Stewart, Pope, Sinclair, Brecken and Lawson addressed the electors; and all obtained an attentive meeting.

THE police have been for some time examining the different yards in the city. They find the majority of the yards in a good condition, while a large number are filthy and unhealthy. The owners of all fifty yards were ordered to have them cleaned immediately. Only a few fulfilled the orders. Consequently, a large number will, in a short time, be prosecuted for a breach of the sanitary By-law.

At the Stipendiary Magistrate's Court this forenoon Mary Power was committed to jail for eight days for being drunk and incapable and causing a disturbance on Upper Great George street. George Stanley (shoemaker), drunk and incapable, was fined \$1 and costs or four days. James Goodman appeared for assaulting a woman named Elizabeth Mooney. He was fined \$2 and costs or eight days.

WE have seldom seen a finer display than that which our neighbor, Mr. Robert Young is now making in Printed Cottons. The designs and colors are really beautiful. The variety is almost endless, and the prices are such as we never dreamt of. Times must be bad in the Great Republic when they are obliged to sell their productions so low. June 21—1i

A TRESPASS case was tried to-day before Theoph. DesBrisay, Esq., J. P., between Daniel Weatherbie vs. Samuel Ross, both of Vernon River. The action was the said Samuel Ross did, on a certain day, remove a line fence between his farm and the farm of the plaintiff, leaving an opening on a road endangering the plaintiff's premises—by the entrance of cattle, etc. The defendant was fined—nominally—25 cents and costs.

THERE was a very large attendance at the market to-day. Butter, eggs, and vegetables were in very great abundance. The following are the prices: Beef (small) from 8 to 15 cents; do. (qr.) from 6 to 8 cents; mutton, from 7 to 10 cents per lb.; lamb (qr.) from 40 cents to \$1.00; veal, from 3 to 7 cents per lb.; butter (fresh) from 16 to 20 cents per lb.; do. (tub) from 12 to 16 cents per lb.; eggs, from 9 to 10 cents per doz.; hay, from 50 to 60 cents per 100 lbs.; oats, from 38 to 40 cents per bush; potatoes, from 20 to 25 cents do.; flour, per 100 lbs., \$3.00 to \$3.25; oatmeal do., from \$3 to \$3.25.

TEMPERANCE REFORM IN SUMMERSIDE.—The Summerside Journal reports:—The meeting in the Reform Club Hall on last Friday evening was one of the most interesting we have had the pleasure of attending. Able and instructive addresses were delivered by D. Banks McKenzie, Robt. Shaw, Esq., Rev. Mr. Ritchie, Rev. Father Doyle, and Rev. Mr. Betts. The address of the evening, however, was made by our highly esteemed friend, Mr. Shaw. His address, though, perhaps, he has on former occasions and on other subjects, delivered more eloquent ones, was, in matter of spirit, far superior to any temperance speech we have ever had the pleasure of listening to. Such addresses as that with which Mr. Shaw favored the Reform Club of this town last Friday evening, cannot fail to do much good to the cause of temperance.

**Withdrawal of Russian Troops.**

**The Powers Act in Groups.**

(Special Despatch to Examiner.)

LONDON, June 20.

Kiernan's Berlin despatch to-day says M. Deoubril, the Russian Ambassador, has gone to St. Petersburg to induce the Czar to sanction the withdrawal of his forces from the vicinity of Constantinople.

Count Andrassy advocates their withdrawal to Adrianople; the occupation by Russians of Shumla and Varna; and the occupation by Austria of Bosnia during the Russian occupation of Bulgaria.

A Vienna correspondent says that the Powers continue to act in groups at Berlin, but not necessarily in a hostile sense. Austria and England, from one point of view, and Turkey from another, oppose the Russian claims. Germany, France and Italy adopt a mediatory attitude, but this does not hinder any from voting in favor of one group or the other, when the questions become clearly defined.

A Berlin despatch says: "The consideration of the Bulgarian question in Congress was again postponed yesterday, because the Plenipotentiary who was to open the discussion was not ready with his proposals."

The Congress yesterday finally decided to admit representatives of Greece during the discussions affecting that nation.

The question of the withdrawal of the British fleet and Russian army before Constantinople, was indefinitely postponed.

It is believed that Greece will refuse conditional representatives in the Congress.

**THE GREAT BOAT RACE.**

**Hanlan Invincible.**

(Special Despatch to Examiner.)

PITTSBURG, June 20.

The five mile single scull race between Evan Morris and Edward Hanlan, for a purse of \$2,000 and the championship of America, was rowed on the Houlton course this p. m., and won by Hanlan. Time, 35 minutes and 15 seconds. Hanlan took the lead and kept it all the way over the course.

**An Astonishing Fact.**

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 19 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the Western Continent.
