

IN MEMORIAM

MRS. KEITH DIXON

On the morning of November 6th the many friends of Mrs. Keith Dixon were sadly shocked and grieved to hear of her passing at the early age of 38 years.

Although not enjoying the best of health for the past few years, she attended to her household duties until she entered the Prince Edward Island Hospital last May and underwent a serious operation from which she never fully recovered.

During her illness she was visited by her pastor, Rev. Donald Nicholson, and Rev. K.R. McFadyen. The deceased, who was formerly Olive Isabella Ferguson, was born at Charlottetown, the daughter of Harry and Agnes Ferguson.

In the home she will be sadly missed for she was most kind, hospitable and charitable, and was a true wife and mother who spared nothing for the comforts and joys of her home and family.

There are left to mourn a loving husband and two sons, George and Gage. Also surviving are her parents, six sisters, Thelma (Mrs. Clarence Misener), Dartmouth, N.S., Henrietta (Mrs. Thomas Clair), Montague, Hilda, Summerside, her twin sister Olga, (Mrs. G.D. Burgoyne), Odella (Mrs. Vincent Mahar) and Florence of Charlottetown, and three brothers, Elmer, Roger and Gordon, also of Charlottetown.

The funeral which was largely attended was held from her home Sunday, November 9th at Clyde

River. Service was conducted by the Rev. Donald Nicholson, the Rev. J.T. Irwin and the Rev. K.R. McFadyen. Favorite hymns of the deceased were sung, "Rock of Ages", "My Faith Looks Up To Thee", "The Lord's My Shepherd". Interment was in Clyde River Presbyterian Cemetery. The pallbearers were Leo Gallant, Garfield McLean, Arnold Beer, Jack Cameron, Elmer Walsh, Alex MacNeill.

The mass of floral tributes was a testimony to a woman who had made a fine contribution to the life of the community as well as to wider spheres. Business and fraternal friends from many parts of the Island attended the funeral.

CREATIVE RESTLESSNESS

... touchstone of career success

"I am truly grateful to those 10,000 people who, in their various capacities, are serving the Bank so faithfully and so well.

... there is value to the individual, as well as to the Bank, in creative restlessness expressed in the determination to advance up the ladder of promotion and in the ambition to take full advantage of opportunities to this end.

"There are rewarding avenues of achievement open to those who are willing to make banking a career job, and no one is happier than I am to see within the Bank ambitious people who, by experience and study, are daily fitting themselves for a broader sphere of usefulness."
