WELCOME!

HI Y'ALL

Well it has been a long time since I've said anything worth while to you so here it goes. Everything has been running smoothly down at the Barn. The Hallowe'en pub was a huge success...a sell out crowd. The next event on is the Business Society pub on the 28. As well the now semi-annual DRINK THE BARN DRY liquidation sale will be on for Friday the thirteenth of December. This is the last night that the lounge will be open before Xmas. This promises to be a great time to wash away those post-exam blues. The ROCK ISLAND BLUES BAND is making their comeback. They will be strutting their stuff at the BARN on NEW YEAR'S EVE. It is going to be a whale of a time. We have decided to go wet/dry for this event so all you "DRY" people make sure you go. The tickets will be going on sale as soon as I get them back from the printers. They will be available at the Barn as well as at the Mini-Desk in the PIT. Make sure you get yours early as there will only be five hundred available. Tickets will cost ten dollars apiece which is a great deal considering there is a great band as well as munchies. THAT'S ALL FOLKS!!!
