THE GERMAN NOTE

The text of the telegraphic note from Germany to the powers is as follows:—"The Government of the Emperor hold as preliminary to entering upon diplomatic relations with the Chinese Government that those persons must be delivered up who have been proved to be the original and real instigators of the attacks against the foreigners which have occurred at Peking. The number of those who were merely instrumental in carrying out the outrages is too great. Wholesale executions would be contrary to the civilized conscience, and the circumstances of such a group of leaders cannot be completely ascertained, but a few whose guilt is notorious should be delivered up and punished. The representatives of the powers at Peking are in a position to give or bring forward convincing evidence. Less importance attached to the number punished than to their character as chief leaders. The Government believes it can count on the unanimity of all the Cabinets in regard to this point, inasmuch as indifference to the idea of just atonement would be equivalent to indifference to a repetition of the crime. The Government proposes, therefore, that the Cabinets concerned shall instruct their representatives at Peking to indicate these leading Chinese personages from whose guilt in instigating or penetrating outrages all doubt is excluded.

(Signed) "VON BUELOW."

The note has been sent to the German Embassies at Washington, London, Paris, St. Petersburg, Rome, Vienna, and Tokio.

A Cape Town despatch says:—A meeting has been held by Mr. Schreiner's constituents to express disapproval of his attitude on the treason bill, now before the House of Assembly. The meeting was engineered by the leaders of the Africander Bond and the Onsland, the organ of the Bond and Mr. Schreiner was given no chance to attend to justify his position. Many Afrikaners journeyed from other districts with the object of swamping the meeting should it appear that Mr. Schreiner's real constituents were inclined to declare in his favour. The attack made on Mr. Schreiner in the House of Assembly by ex-Ministers Sauer and Merriman were carefully calculated to arouse indignation against their former leader. Mr Schreiner will not resign his seat in Parliament, but will meet his constituents after the session.

ling at famine prices, sugar bringing two shillings and sixpence a pound, and pork the same price, while matches are sold at one shilling per box. Other staple articles are proportionately dear, while many necessaries are not obtainable at any price.

The Cape Dutch and other who sympathize with the Boers, have apparently abandoned hope of the possibility of the burghers holding out much longer. They are now showing a disposition to assist the imperial authorities in settling the trouble.

O heart of mine, we shouldn't
Worry so!
What we've missed of calm we couldn't
Have, you know!
What we've met of stormy pain,
And of sorrow's driving rain,
We can better meet again
If it blow.

We have erred in that dark hour
We have known
When our tears fell with the shower,
All alone—
Were not shine and shower blent
As the gracious Master meant?
Let us temper our content
With His own.

For we know, not every morrow
Can be sad;
So, forgetting all the sorrow
We have had,
Let us put away our fears,
And put by our foolish tears,
And through all the coming years
Just be glad.

Itching Piles

A Fearfully Bad Case—Much Pain and Acute Misery From the Terrible Itching—Cured by Dr. Chase's Ointment.

It is doubtful if any remedy ever received so much grateful, unsolicited testimony as Dr. Chase's Ointment. The reason is not far to seek, for it is the only preparation known to man which never fails to cure piles.

Mr. F. G. Harding, a retired farmer, living at Nilestown, Middlesex county, Ont., writes as follows:—"I have been troubled with bleeding and itching piles for four or five years, and suffered intense agony at times. I had tried almost everything, but could get nothing that would give relief. On hearing of Dr. Chase's Ointment I procured a box, and it only required part of it to completely cure me. I am recommending it to all afflicted as I was."

Such incontrovertible evidence from responsible persons cannot, for a moment, be doubted. A few applications of Dr. Chase's Ointment will convince the most skeptical of its wonderful healing and soothing influence. A box or two will positively cure the most severe case of piles; 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
