Rally Day Service Held At Montague United Church

Rally day service at Trinity United Church, Montague, was held last Sunday morning with several boys and girls from the Sunday school taking part. The Scripture lesson was read by Brian MacLure and the prayer litany was led by Peggy MacLeod. The story, "Haruko's Dream Comes True" was read by Lorne Cudmore. Eleanor Moore led in prayer. Rev. J. M. Fraser gave a brief and interesting discourse on the theme: 'Sing, ye islands of the sea, Jesus saves!' "Now Thank We All Our God" was sung as a trio by Mrs. L. D. Johnston, Mrs. Douglas Coffin and Mrs. Arnold Wightman. Congregational hymns were in keeping with the occasion. Mrs. L. A. Johnston presided as organist.

Mr. Fraser expressed his appreciation to the Sunday school superintendeny, Mr. Charles Fraser, also to the teachers for the valuable work they are doing and stressed the importance of encouraging the children to attend Sunday school.

In the evening, Mr. Donald MacLeod, president of Trinity Men's Associtation, Montague, conducted the service and introduced the guest speaker, Mr. Allison MacKinnon, Charlotetown, president of the Laymen's Council of the Maritime Provinces. The Scripture lesson from Second Kings, chapter four, was read by Mr. Archie Hilchey and Mr. Charles Fraser led in prayer.

Mr. Roy Smallman was guest soloist and the Montague Men's Choir with substantial reinforcements from Trinity Men's Association, Charlottetown, sang as an anthem, "In The Service Of The King", with Mr. O. K. Presby as organ accompanist.

A capacity audience listened intently as Mr. MacKinnon spoke on the miracle of Christ into our lives and pointed out that miracles do happen now just as they did in Bible times. "When sin endangers our lives, we must ask God's help and depend on his power rather than material sources. If we open our hearts to God, we will meet all our needs and as we try to grasp the mystery of the Scriptures we are drawn closer to him."

The service closed with the hymn "When I Survey The Wonderous Cross' and the benediction was pronounced by Rev. J. M. Fraser.

Following the evening service, a large number of men from different communities met in the church hall for a period of witness and testimony to the power of God in human lives. This meeting was led by Mr. Arnold Gosbee. The closing prayer was given by Rev. W. A. Paterson, of Georgetown.

The men visiting the church from Charlottetown were then welcomed to the home of Mr. and Mrs. Lorne Wigginton, where they joined in the hearty singing of favorite hymns, led by Wendall Lea, with O. K. Presby as pianist.

A delicious lunch was served by the hostess, assisted by Mrs. Jack Annear, Mrs. J. M. Fraser. The friendly hour closed with the singing of "Blest Be The Tie That Binds".

Fast London, N.Y. Crossing

LONDON (Reuters) — A long range Bristol Britannia 312 airliner has flown from London to New York in 10 hours, five minutes, a British Overseas Airways Corporation spokesman said Friday night.

The spokesman declined to claim a record for this proving flight which took place Thursday night, merely describing it as a "very fast crossing."

Independent research, however, indicated that it might be the fastest direct London-New York crossing by a civil airliner.

The nearest comparable recorded time was 10 hours, nine minutes by a Pan American DC-7C on a commercial flight last March.

The Britannia, with turbo-prop engines carried a crew of 11 and 10 technicians from BOAC and the Bristol company.

The flight was part of the proving program of the airliner and no deliberate attempt was made to establish a fast time. Tail winds helped the crossing.

The airliner will carry out a test program in the United States.

ANNOUNCEMENT

Regarding the re-naming of the new Federal Building in Charlottetown:

As you know, this building was given the name of the **"Confederation"** Building following its opening last year. This has led to a great deal of confusion for our countless summer visitors and conflicts with our historic **Confederation** Chamber in the Provincial Building.

Accordingly this organization has supported the request of the Prince Edward Island Historical Society to the Department of Public Works of the Government of Canada to have the building re-named so as to avoid such existing confusion in this regard.

Advice has now been received from Ottawa that that Department **is quite willing to go along with re-naming the said building provided our interested organizations and citizens can agree on a recommendation for a** new name for the building which would meet with general local approval.

Therefore this Board is conducting a contest during the month of November, 1957, to secure suggestions for a new name for this building. The contest is open to all interested organizations and citizens of Queen's County, Prince Edward Island, and your suggestions in this regard are hereby solicited. Suggestions must be accompanied by a letter giving the reasons for your choice of name, and should be mailed to Charlottetown Board of Trade, P.O. Box 336, Charlottetown, P.E.I., prior to Midnight November 30th next.

$25.00 will be paid to the interested organization or citizen suggesting the name finally chosen to replace "Confederation" Building. In the event of more than one interested organization or citizen suggesting the name chosen, the winner shall be the one which the judges select on the basis of the best letter submitted giving reasons for the choice of such a name.

Judges shall be Hon. H. L. Palmer, President of the P.E.I. Historical Society; Hon. G. J. Tweedy, President of the Canadian Club of Prince Edward Island; and Mrs. William M. Brehaut, Provincial Educational Convenor, I.O.D.E., and the decision of the judges shall be final.

Following the close of this contest it is planned to call a meeting at City Hall of representatives of all our Organizations to choose from those submitted and any others brought up thereat a suitable new name for the Building which meets with such general local approval, and subsequently to recommend the same to Ottawa on behalf of all concerned.
