HEALTH FOR THE INVALID

BY

HOLLOWAY'S PILLS!

Loss of Appetite—Loss of Strength —Loss of Health.

The marvellous effect of this fine medicine upon the system is such as to immediately rally all the vital functions, the appetite is soon restored, a full flow of spirits quickly follows, the body becomes immensely invigorated, with a certainty of restored health: fresh air and a little exercise are necessary to bring about a permanent state of things. Holloway's Pills imparts tone and energy to the most delicate constitutions, and in a manner as to astonish all who take them. By their extraordinary virtues they have obtained the largest sale of any medicine in the world.

Head, Heart, Lungs and Stomach.

Look to the regularity of the functions of these foundations of vitality. Holloway's Pills restore to order the slightest departure from the proper action, and, therefore, may be considered as the regulators of the mainspring of human life. Apoplexy can always be prevented if the proper action of the bowels be attended to, which this famous medicine never fails to accomplish. Disorders of the head and heart often terminate suddenly and fatally from obstructions in the system, which might generally be prevented by taking small and regular doses of this fine corrective.

Female Disorders.

No medicine can be so infallibly relied upon for overcoming all obstructions as these Pills; they never fail to restore a healthy action throughout the system. The printed instructions will enable all to correct the first symptoms of disease, and avert many serious maladies. Holloway's Pills soon change the sickly and sallow complexion, thus renewing the bloom of health. To females entering into womanhood, or at the turn of life, these Pills will be found invaluable. They should be taken two or three times a week, as a safeguard against dropsy, headaches, palpitations of the heart, and all nervous affections, so distressing at certain periods.

Sick Headache, Indigestion or Foul Stomach, and Disordered Liver.

In such a deranged state of health the food is decomposed instead of being digested, and proves poisonous rather than nutritious. This derangement can be at once set right by a course of these purifying and digestive Pills, which have acquired for themselves an imperishable fame for the mastery they have constantly exercised over the digestive organs. Holloway's Pills increase the appetite, regulate the liver, repress biliousness, healthily stimulate the kidneys, and move the bowels in a more wholesome and natural manner than any other medicine.

Disorders incidental to Children.

The liver and stomach of children are, from many causes, often out of order, as they are allowed to eat many things that would disagree with their parents, hence their blood becomes impure, and liable to take any disease that is prevalent, and that in the worst form. One Pill, reduced to a powder, and put in a little water, given occasionally to children of twelve months old, and to those of three or four years, three Pills, and to others of seven years of age, four Pills — will always make children look blooming and healthy. Seventy-five out of every hundred do not reach the age of maturity. Holloway's Pills would not only preserve their health, but save the lives of thousands. Many people foolishly think that children only require a little medicine twice a year.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Secondry Symptoms
Bowel Complaints	Head-ache	Tic-Douloureux
Colics	Indigestion	Tumours
Constipation of the Bowels	Inflammation	Ulcers
Consumption	Jaundice	Venereal Affections
Debility	Liver Compl'nts	Worms of all kinds
Dropsy	Lumbago	Weakness, from whatever cause
Dysentery	Piles	&c., &c.
Erysipelas	Rheumatism	
	Retention of Urine	

Sold at the Establishment of PROFESSOR HOLLOWAY, 244, Strand, (near Temple Bar,) London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: — 1s 1½d, 2s 9d, 4s 6d, 11s, 22s, and 33s each Box.

N. B.—There is a considerable saving by taking the larger sizes. Directions for the guidance of patients in every disorder are affixed to each Box, and can be had in any language, even in Chinese.

Queen Insurance Company
OF LIVERPOOL.
FIRE AND LIFE!

THE Subscriber, having been appointed agent for the above first class Insurance Company, is prepared to take risks on all descriptions of property.
J. S. CARVELL.
Charlottetown, Feb. 10. tf

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

The Liverpool and London
FIRE AND LIFE
INSURANCE COMPANY.

THE Agent for the above first class English Fire Insurance Company begs to call the attention of the public to the advantages offered by this Company, in respect to the security to the assured, and promptness to pay losses, which, without disparaging other Companies, may be safely asserted to be superior to those afforded by any other Company in the Island. The Liverpool and London F. & L. Insurance Company has been in successful operation since 1836, with agencies all over the world, and has paid in losses about two millions and a quarter sterling. Its subscribed capital is £2,000,000 sterling, and its invested funds alone amount to £1,312,000 stg.; and the fire premiums for 1861 amount to £360,130 18s 9d; and in addition to this very large capital, the Company, having been established before the recent Limited Liability Act, the individual fortunes of each of the shareholders, comprising some of the wealthiest merchants in Liverpool and London, are liable for the losses, should the whole of the capital be swept away. In this respect it differs, it is believed, from any other Company established here.

And lastly, the Agent being appointed by Power of Attorney directly from England, is authorised to draw Bills the moment a loss occurs, and without referring to the Home Company, to the extent of one thousand pounds sterling.

With these superior advantages, the Company is not disposed (though it might be well justified) to ask a higher rate of premium than other English Companies, which do not present the same advantageous features, and the Agent has been advised that an uniform rate has been agreed upon by the Directors of this Company and the "Queen's," and that the Agents here should, in this respect, "act in concert."

Agent of the Liverpool and London

"I have taken six doses of Radway's Pills, of three pills each, in six days; they cured me of Constipation, Indigestion, and Dyspepsia. I have taken B——th's, A——r's, and many other pills for years, and could only obtain temporary relief. If I stopped the use of these pills for a week my old complaint would appear. Six doses of Radway's Pills cured me.

"I have suffered with Dyspepsia and Liver Complaint for seven years—have used all sorts of pills—they would give me temporary comfort, but was compelled to take them all the time. I have used one box of Dr. Radway's Pills; I am cured. I have not taken a particle of medicine in six months.

PILES, STRAINING AND TENESMUS,
PILES, STRAINING AND TENESMUS,

Are the results of Inflammation or irritation of the mucous membrane of the bowels, induced by drastic pills—these imperfect pills, instead of being dissolved by the chile, are carried to the lower bowels, and induce a peristaltic movement or evacuation by their irritation — *hence the straining, cramps, wrenching pains, piles and tenesmus, and the frequent false calls to the water closet, that patients undergo who take these imperfect pills.*

If you would avoid these annoyances, whenever a purgative medicine is required, take a dose of RADWAY'S REGULATING PILLS.

THEY WILL PURGE THOROUGHLY AND LEAVE THE BOWELS REGULAR.

Persons afflicted with PILES, may rely on a positive cure by their use.
