

Here Is News of Interest To EVERY FARMER in P. E. I.

special announcement of the opening of a NEW INTERNATIONAL HARVESTER DEALER IN CHARLOTTETOWN!

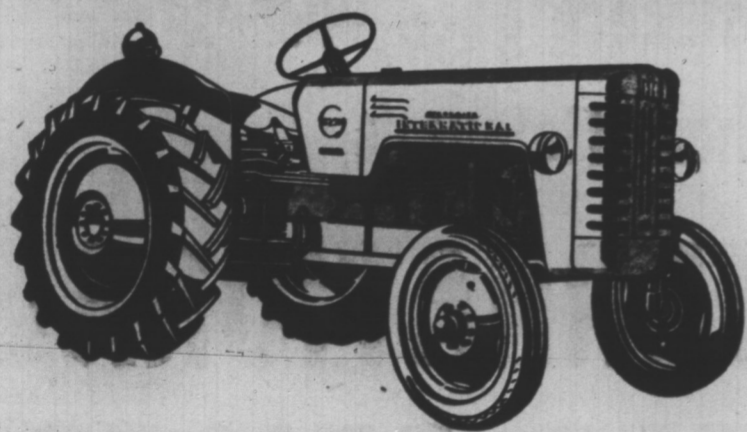

Formal announcement was made today of a new International Harvester dealership in Charlottetown . . . operated by Sunny Isle Farms Reg'd. This new dealership will bring to the farming public the utmost in farm machinery know-how, experience, and equipment. . . . The entire stock of parts of the previous dealer has been taken over, and will be available to farmers.

efficient Truck Engineering

Balanced power train from engine to axle gives you the responsive and economical power you want. Solid frames soak up road impact . . . sturdy construction keeps out rattles. International trucks are built to work—and built to last.

LOWEST PRICED DIESEL IN CANADA

Here is the hottest tractor for 1959 . . . the 2-3-plow International Utility! A favorite with farmers everywhere, it comes complete with full line of mounted implements . . . safe, easy to use, economical. Come in this week . . . you'll be mighty pleased you did . . . and we'll be pleased to show you Canada's lowest priced Diesel.
