NEW POST OFFICES.

A new post office has been granted for south side De Gros Marsh, King's County. Mr. Michael McPhee is Postmaster. This office was much needed, and will accommodate the people of Boughton Island as well as the people in its vicinity. Another new office has lately been opened at Burk's Road, now known as New Acadia, which was much required.

Messrs. McDonald and Muttart, through whose influence these and other offices have been opened, are always alive to the interests of their county and former constituents, and while Messrs. McIntyre and Robertson occupy seats in the House of Commons, the old representatives have to do the actual work connected with the county.

NEWS NOTES.

The Kingston Cotton Mills has three car loads of cotton on the way to China, via the C. P. R.

The story goes in Perth that the Government will order a preliminary survey of the country along the route of the Rideau Canal this summer, to learn what it will cost to enlarge it.

A convention of the dairymen of Canada, with a view to organizing a Dominion Association of Dairymen, will be held in Ottawa beginning on the 8th April. Mr. W. H. Lynch says that a number of delegates from the gathering, while it is expected that leading representative men from widely distant parts will attend. Arrangements will be made for railway excursion rates for those who are to attend the convention.

New York has a new flag question to trouble it. When Mayor Grant, regardless of Mr. Hewitt's declared principle that only United States flags should fly from the city hall, authorized the hoisting of the green banner on St. Patrick's Day, a few objected, but the majority had nothing to say. Now that certain Sons of St. George in the city have come forward with a demand that on the anniversary of England's patron saint England's red banner should be exalted to the place lately occupied by St. Patrick's, the authorities find themselves in a quandary. They cannot refuse the request on grounds of consistency, and to acquiesce in it will be to anger all the voters who were propitiated on the 17th. The majority seem to view the issue as one affording some instruction and much amusement.

SPECIAL DESPATCHES TO THE EXAMINER.

Embezzlement and Murder.

GUELPH, Ont., March 26.

Everyone was surprised to learn this morning that W. H. Hawey, book-keeper for J. W. Lyon, had been arrested for embezzlement. The accused came to this city from Toronto about a year ago. He is a man of refined and gentlemanly qualities. He soon won the good opinion of his employer, in fact he was universally esteemed and treated with implicit confidence. When the arrest was made, Dr. Lett came forward and bailed the man out in the sum of \$2,000. He purchased a revolver this morning, and when questioned he said that he was afraid he would be assaulted by Mr. Lyon, and he wanted some protection. He did not put in an appearance at the police court this afternoon and when the police arrived at his residence an awful sight met their eyes. In the bath room they found Mrs. Hawey lying with a bullet hole in the back of her head, with the brains oozing out. They next found the little 13 year old child lying in the front bedroom with a bullet through her right cheek. Continuing their search Miss Hawey was found lying on her back in a room at the west corner of the building. Doctors arrived soon after, but as life was extinct in every case nothing could be done. A man reported having seen Hawey walking toward the exhibition ground shortly after 12 o'clock this afternoon. Hawey has one son living in Toronto who will, no doubt, be bowed down with grief when he hears of the sad affair.

Best of All.

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or an exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in return of my old complaint."—Ernest A. Hooper, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.
