## LOCAL AND OTHER MATTERS.

*THE HEADQUARTERS of the CENTRAL COMMITTEE in the interests of Mr. POPE, is the Market Hall, Charlottetown. The Hall is open every day and evening for the convenience of Liberal-Conservative Electors throughout the County who desire to receive or wish to give information respecting the Campaign.*

## CONTEMPORARY OPINION.

"In view of the attempts of the Protectionists to strengthen their position, we cans not look upon the protestations of M. J. C. Pope and Mr. Haviland in favor of Free Trade, as sincere as long as they continue to acknowledge Sir John A. McDonald as their Leader. A man cannot serve two masters. Free Traders cannot fight under the Protectionist banner.—*Patriot.*

If this be true, how can Mr. Welsh be expected to vote for Secular schools while following such staunch Denominationlists as Cauchon and Mackenzie. "Free Traders cannot fight under the Protectionist banner." But then Grits may fight under the Protectionist banner; and Protectionists, like Mr. Workman, may fight under the Grit banner. If Mr. Pope's protestations in favor of Free Trade cannot be taken as sincere while he supports Macdonald, how can Mr. Welsh be a secularist while following Cauchon? But the *Patriot's* shallow sophistry will not deceive anybody.—*Progress.*

In the matter of the Bothwell election, however, the *Globe* must necessarily find itself upon the horns of a very grave dilemma. Its conductors have, we doubt not, still in their recollection an article that appeared in its columns entitled "a few plain words." We agree that those words were very plain and very true. But has the organ forgotten them or does it really think that the errors it once so deeply condemned are now sufficiently styled in the strange expression "logical eccentricities." On one occasion the organ thus denounced the eccentric logic of Mr. Mills, thus: "If our friends in the House of Commons begin to introduce the American system of government, to denounce the whole Senate in the way Mr. Mills has done, and to make the Local Assemblies party caucuses to elect Dominion Senators, they will speedily find the Pacific Railway Scandal forgotten, and Sir John Macdonald once more in power." Did the organ really mean this? Does it think that better than American institutions would be the advent to power once more of its detested political and personal opponent? We are half inclined to think, and we have stated as much before, that at least the organ respects our British and constitutional privileges and liberties. We give it credit for sincerity in the remarks we quote above. But we would ask the organ now, not to hang back. It knows full well that Mr. Mills and his friends, who for the moment seem to have obtained the mastery in the political circles, are in no degree enamoured with British institutions, that on the contrary, their instincts, if not American, are experimental and dangerously fanciful. Mr. Dawson, the opponent of Mr. Mills, is a man we believe on political and personal grounds above suspicion. His only fault in the eyes of the organ is, we presume, that he will be an Opposition member. But now, surely is the time for the organ to show itself to hold the interests of country above those of party. It spoke out once before, as our extract proves. Will it do so again. The golden ball lies at its feet. Will it kick it away? We trust not. If it does it virtually confesses that its day is past, that it is conquered, that another order of Radicalism, with new and more dangerous masters, is about to commence.—*Leader.*

## LOCAL AND OTHER MATTERS.

MINISTER REMOVED.—Otto S. Weeks, Attorney General of Nova Scotia, has been dismissed by the Lieutenanat Governor.

EXQUISITE FAIRNESS.—A "*Patriot Extra*" was issued with reports of the speeches of Messrs. Welsh and Stewart in the Athenæum; but although there were more than space enough left on the sheet, there was not even the most distant allusion to the able speech of Senator Haviland in reply. No such tactics are required in the defence of a good cause or a "pure Government."

HUMORS OF THE SEASON.—This is nomination day in town. The weather is damp and uncomfortable, and the wind and bluster of Messrs. Davies and Stewart, will, in the afternoon, make matters still more disagreeable.—*Herald.*

NEW CHURCH.—A commodious Presbyterian Church has been erected this fall by the enterprising residents of Rose Valley, Lot 67. We understand that Mr. Allan Bethune, one of the Church Committee, is in this city at present, asking for a few subscriptions to help defray expenses. We hope the people of this city will deal liberally with him.

The Cuban insurrection continues to drain her of her troops. In addition to the forces despatched some little time since, further reinforcements sailed from Barcelona a few days ago. Admiral Francisco Llano with a squadron consisting of five frigates — the Davis, DeFobsa, Villa de Madrid, Leon and Concepcion — carrying four battalions of infantry.

NOMINATION.—Messrs. Pope and Welsh were nominated to-day. Mr. Pope was nominated by thirty-one of the leading electors of Queen's County. There was a much larger number of names to the "nomination paper" as first draughted, but owing to a mistake which was discovered only a short time before the nomination took place, another "paper" had to be prepared, and there was not time to get all the signatures renewed.

Protectionist supporters of Mackenzie' Government:—

ELAINE,
BROUSE,
DEVLIN,
IRVING,
JETTE,
McDONALD (Toronto),
McDONALD (Cornwall),
WOOD,
WORKMEN.

These are all leading men in the Grit Party. Of course there are many other "Protectionist" supporters of Mackenzie whose names are not so well known.

We observe that some Railway officials are making themselves very active in the present election. We would advise these gentlemen not to be so demonstrative. Their [*Brown*] bread is buttered, let them quietly eat it lest worse befall them—*Herald.*

MOST EXTRAORDINARY STEAMING.—The other day the papers noticed some remarkably quick steaming of the steamer *Britannic* of the White Star line, for which Messrs. D. Corbett & Co. are the agents in this city. The average outward passage was 360 miles a day, a little over 15 knots per hour, and the homeward passage 15.32 knots per hour; but since that she had eclipsed this record by a run from Queenstown to Sandy Hook, in seven days, thirteen hours and eleven minutes. It appears from her log that on two days of the passage she succeeded in steaming four hundred miles a day having made 402 miles Nov. 1st, and 403 miles Nov. 2. Had it not been for strong westerly winds reducing her speed to 375 miles on November 3rd, she might have even exceeded this remarkably quick time made. The total distance sailed was 2795 miles, an average of nearly fifteen and one-half miles an hour for the entire passage. On November 1st and 2nd her average speed was almost seventeen miles an hour.—*Reporter.*

## TELEGRAPHIC NEWS.

SPEECH BY THE CZAR—HE WILL ACT INDEPENDENTLY—RUSSIAN ARMY MOBILIZED—THE CYCLONE IN INDIA—STORMS IN ENGLAND—HURRICANE AT LISBON.

LONDON, Nov. 13.

The following speech was delivered by the Czar at Moscow: "I thank you for your sentiments respecting the political situation, which is now more clearly defined than before; you know Turkey has yielded to my demands for an immediate armistice to end useless slaughter in Servia and Montenegro. In this unequal struggle the Montenegrins, as heretofore, have shown themselves real heroes; unfortunately the same cannot be said of the Servians, notwithstanding the assistance of our volunteers, many of whom shed their blood for the Slavonic cause. I know all Russia joins me in warmly sympathizing in the sufferings of our brethren and co-religionists. The interests of Russia are, however, dearer to me than all my wish to the uttermost to spare Russian blood, therefore I have striven and will strive to obtain a real improvement of the position of Christians by peaceful means. In a few days negotiations will commence at Constantinople, and my most ardent wish is we may arrive at a general agreement; should this however not be achieved and should I see that we cannot obtain guarantees necessary for carrying out what we intend to demand from the Porte I am firmly determined to act independently. I am convinced that the whole of Russia will respond to my summons should I consider it necessary, and if Russia's honor require it Moscow will lead the van by its example. May God help us to carry out our sacred mission."

The *Times* confirms the report of the mobilization of the Russian army.

Turkey has raised objections to the proposed conference.

The cyclone in India, on the 31st ult., destroyed between twenty and forty thousand lives and levelled 3000 houses.

The Czar's speech has had a depressing effect on the stock exchange.

A heavy gale prevailed on the English coast on Saturday and Sunday nights. A number of shipping disasters are reported.

There was a hurricane at Lisbon on Sunday, and a Greek barque was run down; eight of the crew perished.

The *Pall Mall Gazette* says: "Once more darkness has fallen over the prospects of peace. That it will lift again we may hope, but the news, both from St. Petersburg and Constantinople, gives warning that what is called feeling may yet conquer wisdom, and that a certain degree of insatiety already threatens to creep into the judgments of those upon whom depends the tremendous issue of peace or war. The speech of the Czar is not the most alarming incident of the time, but it is far from pleasant reading."

New York, Nov. 13.—The *Times* says later returns from South Carolina, Louisiana and Florida strengthen the belief that all three have been carried for Hayes. The *Herald* says: "The result of the election in these three States is still doubtful."

President Grant expresses a determination to preserve peace and insure a fair count of votes.

THE DOUBTFUL STATES FOR TILDEN—AN INDEPENDENT AUTHOTITY ON THE CONTEST.

BOSTON, Nov 13.—The *Globe* of this morning, whose sources of information are equal to the best, and whose opinions are not biased either way, say: "From the information in our despatches of last night and this morning, we feel justified in taking Florida out from the doubtful side and returning it to the Tilden column. Despatches largely in detail and mainly from official returns, giving the State to Tilden by at least 1400. Figures are also reported showing South Carolina for Tilden by 1000 majority, with 1500 majority for Hampton; and Louisiana for Tilden by 7000. The full figures and the decisive story from none of these States will be in for a day or two yet. Indeed, in Louisiana the returning board from which so much is feared, does not meet until Friday, consequently the partizans of both parties will doubtless claim the State with persistence and defiance. It can be said, however, that the figures put out in support of the claim of Florida for Tilden appear to be much more satisfactory and conclusive than those advanced by the other side.

Ottawa, Nov. 13.—Mr. J. D. Lewin, of St. John, has been appointed Senator in place of Hon. John Robertson, deceased.

There are three so-called Irish colleges started in the Eastern townships, near Granby, Waterloo and Charmand, with from ten to fifteen students each. Those at Granby hail from all parts of the United States and act but anything like students. They had twelve trunks full of what they said were their books. The Shefford County Battery at Gravely is being watched owing to suspicions that they are Fenian centres.

John Hillyard Cameron is dangerously ill.

Frank Thompson, who placed obstructions on the railway at Allanburg junction, was tried to-day and sentenced to five years in the penitentiary.
