## Colder Weather Is Forecast

The meteorological office at Charlottetown airport reported that .61 inches of rain fell in the 24 hour period ending at 8 p.m. last night, but that long awaited relief was due to arrive sometime today in the form of colder air and possibly a few snow flurries.

Although rain fell quite continuously much of the weekend, the .61 inch total for yesterday was by far the heaviest.

The rain and foul weather had little or no effect on air service on the N.B.—P.E.I. ferries, although poor visibility made highway driving a bit difficult.

# 20 Exhibitors At 'Royal' Honored By Rotary Club

## CREDIT TO P.E.I.

"It is quite evident by the results achieved at the Royal Winter Fair that the farmers of this province are quite capable of upholding their place in any line of agricultural production," Stewart Wright, deputy minister of agriculture said in addressing the Rotary Club at the weekly luncheon meeting yesterday at the Charlottetown.

Twenty rural residents, who among many others have brought distinction to the province through their exhibits, were guests of Rotary by arrangement with the rural-urban committee as a community service activity, designed to broaden and strengthen the social and business ties between city and country.

In the course of his address, Mr. Wright referred to the Ayrshire exhibits from six breeders, including A. MacRae and Sons, Keith Boswell and Sons, Andrew B. and Fred T. MacRae, D. Fred MacRae, Percy Lund, Estate of George L. Boswell and Col. F.I. Andrew. "All these exhibitors made an outstanding showing at what turned out to be the largest entry in dairy cattle at this year's Royal."

In Holsteins the Estate of J.W. Jones was represented with a small but outstanding entry as well as other entries from Cyril Jones. A senior yearling heifer was shown from Falconwood Farm.

The Guernseys were represented by animals from the herds of Heron Green, John Docherty, Dan MacLean and Owen Younker and Son. "In keen competition these breeders let the rest of Canada know that we have Guernsey cattle of no mean repute," Mr. Wright said.

One of the youngest breeders of dual purpose Shorthorn is to be congratulated on exhibiting the Reserve Junior Champion Male. Mr. Wright said he also referred to the other exhibits in this class, Dan Jewell, Stanley Hurry, Keith Dixon, Waldo MacPhee and Darrell Lyle.

Credit was also brought to the province by the Stewarts of Dunstaffnage as sheep breeders, and Monty and Dingwell MacLeod of Vernon with dressed poultry exhibits.

Mr. Wright dealt in detail with the seed potato entries, 64 of which were from the Island. Raymond Vessey carried off top honours in Irish Cobblers and Green Mountains, S.A. MacAulay with Katahdins, and the Estate of Clarence Ching in A.O.V. rose or red.

Reference was also made to the winners in the 4-H section for intermediate potato, where Ann MacAulay and Ann Fay of the East Baltic 4-H club placed first and second.

**TABLE STOCK ENTRIES**  
Approximately 50 prizes were won in the table stock section. Mr. Vessey and Mr. MacAulay again topped their section.

"All in all our province put up a very creditable showing and I understand brought back almost \$1,000 in prize money," Mr. Wright said.

Dealing with the difficulty of securing qualified labor, Mr. Wright said, "There does not appear to be much relief in sight." "At a recent farm labor conference in Ottawa it was stated that in 1959 there were 705,000 workers in agriculture in Canada, as compared with 726,000 in 1958. But paid workers increased in 1959 to 113,000 from 101,000 the previous year.
