MINOR HOCKEY ACTIVITY

Saturday at Sports Arena a lot of minor hockey in the form of 1st round playoffs was the order of the day. There was plenty of activity and plenty of excitement plus some close competition and the young fry put on some fine hockey in several classes.

In the opening game of the day, Pee Wee Hornets defeated Rockets 2-1 to officially wind up the Pee Wee League and the win for Hornets gave them 3rd place in the League for the year by two slim points over the Spitfires.

In the other paperweight, pee wee and bantam contests, all of which were first games of home-and-home series to advance further in playdowns, results were as follows:

Hawks, Beavers Square Coast League Playoffs

MONCTON (CP) - Ray Leduc scored twice Saturday as Moncton Hawks defeated Amherst Ramblers 3-1 to square their best-of-nine Atlantic Coast Senior Hockey League semi-finals 2-2.

Bob Bowness scored the other Moncton goal. Defenceman Harvey Jackline scored for Amherst. Nick Pidasov was a big man in the Moncton win, turning aside 27 shots over the route. Billy Jones, pressed into service when Ramblers regular goalie Paul Leclerc was forced to miss the game because of a hand injury suffered in the third game, blocked 21 drives.

James, is sub-goalie with Saint John Beavers. Leduc scored his first goal at 13:01 of the first period slamming home Bob Bowness' passout from the backboards.

Amherst forward Henri (Hank) Therrien was serving a penalty when Hawks upped the count to 2-0. Bowness tipping in Bill Leblanc's slapshot.

At 8:10 Harvey Jackline scored for Amherst with a drive from 35 feet out. Leduc shot the insurance tally, beating James on a picture play, at 9:40 of the third.

First period: Moncton, Leduc (Bowness) 13:01. Penalties: L. Kiley 9:14, Carver 17:47.
Second period: 2. Moncton, Bowness (Leblanc, Leduc) 5:41; 3. Amherst, Jackline (White, Schmidt) 8:10. Penalties: Sinnett 1:40, Therrien 4:51.

Make the Smart Switch for '56

Rambler THE ONLY ENTIRELY NEW LOW-PRICED CAR

ALL-NEW Typhoon OHV 120-horsepower engine is America's newest, most advanced, 6-cylinder engine. It combines high efficiency with economy that means up to 30 miles a gallon.

ALL-NEW doors - Rainic wrap-around windshield is the biggest, widest and clearest in the entire low-priced field. Slim, double-strong pillars almost completely eliminate blind area.

ALL-NEW Most distinctive front-end styling on the road. Sports-racer grille has low-set Safety-Vu inboard headlights to pierce fog, rain, darkness. "Running lights" in fenders stay on.

ALL-NEW 12-Volt ignition to give a more powerful starting "kick" for cold weather. More efficient battery charging, better high-speed performance, extra power for accessories.

ALL-NEW Now there's 33% more cargo space in the new Rambler Cross Country, world's smartest station wagon. 80 cubic feet with rear seat down. Tailgate opening is over 4 feet wide.

ALL-NEW Fashion Safety Arch is an entirely new idea in safety and styling. A massive box-section structure arches up over the rear window, greatest overhead protection ever offered.

ALL-NEW Rambler for '56 holds the road on curves like a streamlined train on a track. The new wider tread is as wide as a locomotive's wheels. New lower center of gravity, too.

ALL-NEW There's new room everywhere in the Rambler - space for 3 extra bags in the new 25% bigger luggage compartment. Plenty of room for all the family's vacation luggage—and then some.

ALL-NEW Rambler now tops its field in room where room really counts—more shoulder room front and rear, more head room, and more glass area than the whole low-priced field average.

ALL-NEW Feather-touch Power Brakes are standard on imported Rambler Custom models. New 50% bigger brakes on all models give far more brake area per pound.

ALL-NEW First low-priced car with Deep Coil Springs on the rear wheels too—entirely new riding smoothness. And another Rambler exclusive—enclosed sealed Torque-Tube drive.

ALL-NEW Rambler Power Steering lets you park with 75% less effort. Yet the driver retains complete "feel of the wheel." Power Steering is optional, at extra cost on imported models.
