EARTHQUAKE.—Two distinct shocks of earthquake passed through the Ottawa Valley on Monday last. They caused some alarm at Ottawa.

CORRECTION.—In Mr. Hodgson's letter there is a typographical error. The word "months" should be "weeks." The sentence should read, "Six weeks of silent brooding," instead of "Six months."

ST. MARY'S EPISCOPAL CHURCH, Summerside, having been enlarged and improved, will be re-opened on Sunday next. Rev. Mr. Osborne and Rev. Mr. Newnham, of New London, will assist in the services.

SPENDIARY MAGISTRATE'S COURT, yesterday morning—John Keith (seaman), disobeying orders on board George Peake, 12 days imprisonment and to forfeit two days' pay; Thomas Maskell, stealing fish from Carvell Bros., one month with hard labor; John McKenna, drunk and incapable, \$2 of 8 days.

A SUCCESSFUL ISLANDER IN NEW YORK.—Mr. John B. McLean, for several years superintendent in the long established Printing House of Cushing & Barona, New York, has entered the firm as a full partner. On the occasion, Mr. McLean was presented by the employees of the establishment with a valuable gold-headed cane, suitably inscribed. Mr. McLean is a native of New London. It is not many years since he learned his trade in the Patriot office. We congratulate Mr. McLean upon his success.

THEFT OF A LETTER.—A gentleman, on his way to the Post Office yesterday morning, dropped, on Kent Street, a letter addressed to a person in England. When he discovered his loss he had proceeded some distance. He immediately returned to search, and in a short time found the envelope; but not the letter. Some person, of no character, had in the meantime broken the seal and stolen it. Are we becoming civilized?

RE-GRADUATION.—West Kent, Rochford and Spring Park Schools have been reorganized. All the school rooms being in the same neighborhood, the School Board—with good judgment—have placed them all under one head master—Mr. A. A. McKenzie. There are five different grades of schools in the schools and six teachers: Miss May Welsh and Miss Annie Lawson teach, the first grade; Mr. Edgar Helm, the second; Miss Fennessy, the third; Mr. Ewen Amos, the fourth; and the Principal, Mr. A. A. McKenzie, the fifth.

MEETING OF PRESBYTERY.—The Presbytery of this Province met at Summerside on Wednesday. The Journal reports that among those present were the venerable Rev. R. S. Batterson, the Rev's. Messrs. Alex. Campbell, A. Munroe, James Allen, D. M. McLennan, W. R. Frame, K. McLennan, John McKinnon, William Scott, William Grout, J. R. Cameron, A. F. Carr, C. Fraser, John McLeod, H. Crawford, W. P. Archibald and N. McKay. The following elders were also present, viz: John Simpson, Esq., Cavendish; John McPherson and William Mutch, Charlottetown; J. R. McEwen, St. Peter's; Jas. Stavert, Bedeque; Colin Holm, Bonshaw; Roderick McLean, Richmond Bay; W. B. Ramsay, Summerside. The resignation of the Rev. W. P. Archibald as Pastor of Tryon Church was reluctantly accepted. The Presbytery express the hope that this excellent young Minister may be secured in some other part of the Island. The case of W. D. Stewart vs. Rev. Stephen Lawson was referred to a Committee for investigation. A memorial from Grandville asking for services in the Gaelic Language, was read. It was ordered that a conference of the Sessions of New London and Strathalbyn be held at Summerfield Church, on the 2nd Wednesday of December, at 11 a. m., to devise the best means of supplying the territory lying between those congregations. A report was read of missionary labor by Mr. Morrison, within the bounds of Mr. McKinnon's congregation, where he had labored thirty Sabbaths, and received \$35.55. Mr. McKinnon was ordered to collect funds to meet the balance due Mr. Morrison. Papers were read connected with the Protestant Academy.

OTTAWA, Nov. 7. It is to-day announced that Laurier has definitely accepted the nomination of Quebec East.

FRENCH NEWS

PARIS, Nov. 7. The gentlemen designated by Pouyer-Quertier for the new Ministry have decided that the formation of the proposed Cabinet is not feasible. The De Broglie Cabinet must, consequently, meet the Chambers. Even the Senate will refuse its vote of confidence, and after the first debate in the Chamber, the Cabinet must resign.

President McMahon is determined not to take a Cabinet from the Left, and, if he adheres to his resolution, his only course is to resign.

The official journal announces that the De Broglie ministry, at MacMahon's request have withdrawn their resignations. They, however, wish it to be understood while continuing to discharge the functions shall in no wise prejudice the President's subsequent decisions.

Departmental elections show a Republican gain of 107.

The Senate reassembled this afternoon, and nomination of members of the Bureaux began.

M. Grevy was elected provisionally President.

LONDON, Nov. 7. In the French Senate M. de Laventy Senator for Cantol, demanded that the question of the election of four life Senators be placed on the order of the day for the 15th instant.

When the Chamber of Deputies met today Louis Philippe Desseaux, Radical Republican from the first circonscription of the Rouen Department of the Seine Inferieure, occupied the chair, Benjamin Raspail fils being indisposed. Desseaux spoke in eulogy of M. Thiers, whom he declared deserved well of the country. He added that the present Chamber would labor to strengthen the Republic and defend it against all attacks, regardless from whom they come, and concluded with the cry of "Vive la Republic!" "Vive la Paix!"

M. Grevy was then chosen Provisional President, and Ramau (moderate Republican) from the third circonscription of the Versailles Department of the Seine et Oise, and Lepere (Radical Republican) from the first circonscription of the Auxerre department of Yonne, were elected Vice Presidents.

PARIS, Nov. 7. President MacMahon, in receiving a delegation of Deputies of the Right, yesterday, gave them a very categorical answer implying that he was firmly resolved not to resign.

LONDON, Nov. 7. The Standard's Madrid despatch says a decree will be published in December, convoking the Cortes for January to approve of King Alfonso's marriage. The Lower House is expected to unanimously vote a subsidy.

EDINBURGH, Nov. 7. The London correspondent of the Scotsman says Lord Derby has notified the Chinese Government that Her Majesty's Government will regard the destruction of the Woosung Railway as an unfriendly act.

LONDON, Nov. 7. The Standard's Paris despatch says there is great excitement in political circles. The Moniteur is almost the only Conservative journal which recommends a conciliatory policy. This journal asserts that President McMahon has no intention of resigning, and he is convinced that such a course would expose the country to the greatest perils.

LONDON, Nov. 8. A Paris correspondent telegraphs: "I was believed this morning that the Ministers intend to obtain the passage of an order of the day expressing confidence in President MacMahon, but it afterwards became known that the Duke d'Andelfret Pasquier, President of the Senate, had told the Duke de Broglie he would not permit discussion of an unconstitutional order of the day, which would put forward the Marshal as a shield for the Ministers, and enable the Chamber of Deputies to retaliate by an order of the day directly aimed against the Marshal. The Cabinet did not endeavor to obtain a vote of confidence for itself from the Senate, as it was aware the attempt would be hopeless. The Chamber of Deputies must verify the elections of a sufficient number of members to form a quorum before it can proceed to business. This preliminary work will not be completed until Monday. In the lobbies most alarming rumors were current. It is said the Bonapartists and Monarchists have resolved, if their elections are declared invalid by wholesale, to resign in a body and thus furnish the Senate a legitimate pretext for a fresh dissolution.

WAR NEWS.

LONDON, Nov. 7. An Erzeroum despatch of Tuesday says Mukhtar Pasha desires to stand a siege, but the inhabitants object, fearing the bombardment. Everybody is leaving for Bayburt. Monday's fight resulted in a general rout.

BUCHAREST, Nov. 7. Intelligence is received that all of General Zimmerman's staff have rented houses in Kuskenge. It is concluded from this that the campaign is over for this year for the Dobnidscha army.

LONDON, Nov. 7. A Russian official despatch says: "A squadron of our cavalry has scoured the road from Rahava to Wilden. Rahava was occupied by 15,000 Turkish infantry, part of whom, with the inhabitants, withdrew on the approach of our reconnoitering force. On Sunday night General Skobeoff pushed on to Brestovee, south of Plevna, threw up batteries there, and, after a violent cannonade, attacked Turkish positions with infantry." As the despatch does not report the result of the attack, it was probably unsuccessful.

A CARD TO THE PUBLIC

WHILE taking this opportunity of thanking our numerous customers for the liberal manner in which they have patronized

OUR NEW STUDIO,

we would inform them that we have now increased facilities for the production of first-class work, and are prepared to make PHOTOGRAPHS of a Style and Quality that has never been before attempted in this City.

We have on exhibition, at our Rooms, a large number of Photographs of every variety, including the

BEAUTIFUL PHOTO-ENAMEL

the most beautiful style of Photograph known, possessing a softness and delicacy of coloring that has never been equalled. This elegant picture has become deservedly popular elsewhere, and cannot fail to become so here.

Though the finish of our Photographs cannot be excelled, we would direct attention to the beautiful

Glaze Pictures

which we make. They possess a highly enamelled surface, and are practically indestructible, and will retain their freshness and beauty for any length of time. If they become soiled they can easily be cleaned, as they will not lose any of their beauty by being wet. This valuable quality, combined with their remarkable elegance, make them very suitable for presents; while the difficulty of their production will prevent them ever becoming so common as to lessen their value. Our patrons can have one or all of their Photos finished in this style—an advantage which cannot be obtained elsewhere.

We give special attention to making Groups of Families, Societies, Schools, &c. Our pictures of children are sufficient evidence of our success in this difficult branch of our art.

Our ENLARGEMENTS, finished in India Ink, Pastel, Crayon, Oil and Water Colors, have made a favorable reputation for themselves throughout the Lower Provinces.

Parties intending to have Photographs made will find it to their advantage to sit early, as the number of our customers makes some delay in the delivery of the Photos unavoidable. We prefer to have our sitters come by appointment.

Photographs can be obtained for less money elsewhere; but in this case we ask that quality be given the preference; assuring the public that they will find our charges very moderate.
