TEA! TEA! Our TEA TRADE last season was the largest for some years, and we attribute it to the fact that the Teas we offered the public suited them both in QUALITY and PRICE.

Numbers of our customers have come back to us this Fall, and told us that if we could give them as good value this year as we did last year they would want no better.

We believe that WE CAN give them, and everyone else who favors us with an order, BETTER VALUE than even last season, as this year's crop of Tea seems to run more even than last year's; and having bought a much larger stock of it this year, we were in a position to buy it at very close figures.

We don't advertise to sell Cheap Shoddy Tea, as we don't keep them at all, and would not sell them at any price; but we believe we do sell the best 20, 24 and 28 cent Teas in the city to-day. We make reductions off above prices on quantities of five pounds and upwards. Every Pound of Tea sold warranted by
