Frosh Cosh Elections Friday

The second Frosh class meeting was held Monday Oct. 25 in the Robertson Library Day Student Lounge. There were about 20 Frosh in attendance and there were nominations from the floor for the positions of President, Vice President, and Secretary-Treasurer. Chris Campaigne was acclaimed as President. Running for Vice-President are Nora MacAdam, Ellen Nearing and Debbie Willoughby. David McEwen and Peter Maloney are running for the Secretary-Treasurer position. Elections will be held Friday October 29 in the Robertson Library from 10 a.m. to 4p.m.

said to be the reason for the discrepancy. The table has not been used much in the past couple of years, possibly because there have not been balls or cues. Discussion on Pigs for under eighteens was tabled until reps from the Frosh class could be present. It was decided that the

vacancy on the Committee on University Life be advertised and that nominations be brought to the S.U. Office. Mike Clow gave the financial report for the year ending April 31, 1975. There was a brief discussion on Social Committee expenses but the report was approved by council.

A general meeting which is supposed to be called within six weeks after classes begin was finally set for Sunday Nov.7 at 6p.m. in Duffy.

Mike McKenna reported on what sounded like a stimulating Senate Meeting. Derek Key's motion re the student handbook change was defeated at that meeting. Senate has finally agreed that they are in favour of a Vet School here at least in principle.

National Student Day

Contrary to previous reports, UPEI will be participating in National Student Day.

At the Executive meeting last night the student representatives decided that NSD was an excellent opportunity for promoting students in the community.

Vice-president Paul Currie said, "We will be going to the media to make public students' value to the community. We want them to know that we are,

and can be, an asset rather than a liability."

Other student unions across the country are using the day as educational opportunities, for student aid and tuition discussions. Currie discounted these efforts saying, "Discussions of this sort are just that-discussions. Very few concrete things come out of them".

National Student Day is November 9, and is being observed across the country.

Chinese Soccer Team Beats St. Marys.

Over the Thanksgiving weekend our Chinese students at UPEI participated in the Annual Soccer Tournament sponsored by the St. Mary's University Chinese Student's Association in Halifax. Unfortunately, we lost (2-1) to Dalhousie University at SMU's Huskies Stadium on the first day of play in a heavy rain. In spite of of the wet and slippery conditions, both teams put up a tremendous effort; in fact, the slipping and tumbling of players in the mud made the match even more lively.

However, we defeated St.

Mary's, the host team, by 3-1 on a bright and sunny Sunday. It was only in the second half of the game when a strategic attack was launched on the weak defenses of the opposing team that 2 more goals were scored. Considering St. Mary's has not suffered a defeat in our hands for the last 3 years - it was a great victory.

All in all, it was a great weekend and thanks to the Athletic Department for their kind support, especially from Vince Mulligan.
