IN MEMORIAM

MUNN — In loving memory of our dear mother Isabelle Munn who departed this life Feb. 6, 1949.
Gone is the face we love so dear,
Silent is the voice we love to hear,
To far away for sight or speech
But not too far for thought to reach.
Always remembered by her son, Wendell Daughter-in-law Frances and Grandchildren.

MUNN — In loving memory of my dear mother, Mrs. Isobel Munn, who passed away February 6th, 1949.
Looking back with tenderness
Along the road she trod
We bless the years we had with her
And leave the rest with God.

Always remembered by daughter Dorothy and son-in-law Alex MacIsaac and family.

SPENCE—In fond and loving memory of our dear father Mr. John B. Spence, who departed this life Feb. 6th, 1954.
Deep in our hearts there's a picture,
More precious than silver or gold
A picture of our Dear Father
Whose memory will never grow old,
Though the tears in our eyes do not glisten.
Our face does not always look sad,
There's never a night or morning
But we think of our Dear Dad.
Always remembered by his three daughters, Janie, Elsie and Bertha.

FRASER — In loving memory of the late Ira Fraser, who passed away Feb. 6th 1956.
It is just one year ago today,
When God called one we loved away,
The blow was hard the shock severe,
To part with one we loved so dear.
Inserted by his wife and family.

Toronto Stocks

TORONTO (CP) — The stock market suffered its worst setback since last November Tuesday during moderate trading.

The industrial index dropped more than 4½ points and western oils lost nearly four points on their index. Base metals were off almost 3½ index points while golds lost more than a point.

Observers said the sharp decline was caused by a combination of many situations, such as the international situation, technical factors, mainly profit-taking, and a possibility that investors were discouraged by former president Herbert Hoover's remarks Monday about the possibility of another depression.

The Toronto Stock Exchange took its usual path in the footsteps of Wall Street, which fell sharply. A rally in the closing minutes at New York, however, failed to help here.

There were few winners in any section of the market. And what gains there were were almost negligible. Refining oils, pipelines and losss. Coppers continued their heavy selling among the mines while junior western oils were heavy losers.

Temagami had the biggest copper loss, down 55 cents to $3.35. Copper Rand and Granduc lost 20 cents each while several issues had 15-cent declines. Pronto was off 30 cents among uraniums and Gunnar lost ¾ at 19¾. Stanleigh dipped 20 cents to $3.65.

Senior base metals were led by International Nickel, down 1⅞ to 99c. Most other high-priced seniors lost fractions. Junior base metal losses ranged to 20 cents.

Del Rio, Canadian Devonian, Medallion and Central Leduc each lost 25 cents among western oils. Several other issues lost between 15 and 20 cents. Calgary and Edmonton recordd a point loss at 26 among senior issus.

Indx losses: industrials 4.69 to 456.46; golds 1.05 to 75.69; base metals 3.36 to 212.33; western oils 3.93 to 156.30.
