

Announces New Fast CNR Freight Train Schedules

MONCTON, (Special) — New fast Canadian National Railways freight train schedules that will speed Atlantic Provinces traffic as much as 28 hours were announced today by Douglas V. Gonder, vice-president and general manager of the company here. The new timetables go into effect on Sunday.

The faster freight train schedules will greatly speed the movement of export, import and domestic traffic between Halifax, Truro, New Glasgow, Sydney, Newfoundland, and South Shore and Annapolis Valley, Saint John, Fredericton, Moncton and Prince Edward Island and other parts of Canada and the United States via Montreal.

Fast freight No. 406 from Toronto will reach Halifax 24 hours earlier than the present schedule and Saint John 28 hours earlier. Traffic for Sydney and

Newfoundland will arrive at Sydney 21 hours, 45 minutes earlier and at Moncton 20 hours earlier.

OPPOSITE DIRECTION

In the opposite direction fast freight No. 405 will operate from Halifax to Toronto on a seven-hour, 45-minute faster timetable, Saint John 16 hours, Sydney and Newfoundland 16 hours, 45 minutes, and from Moncton on a 13-hour, 30-minute quicker running time.

Fast freight 440 will operate from Montreal to Halifax on an 11-hour, 30-minute quicker schedule, Saint John 21 hours, Sydney and Newfoundland five hours, 45 minutes, and to Moncton on an 11-hour, 30-minute faster timetable.

In the reverse service, fast freight No. 441 will operate from Halifax to Montreal on a seven-hour, 30-minute improved sche-

dule, from Saint John 13 hours, 30 minutes, from Sydney and Newfoundland 12 hours, 30 minutes, and from Moncton seven hours, 45 minutes.

FASTER SERVICE

"We are pleased to be able to announce these innovations in our freight handling between the Atlantic provinces and other parts of Canada and the United States", said Mr. Gonder. "People residing at intermediate points throughout the region will also enjoy the benefits of the faster CNR freight service."

Large expenditures for capital improvements, dieselization, new heavier rails, high grade crushed rock ballast and other betterments have been made over the past few years in preparation for these faster schedules, he said. The work programme is continuing.

Centennial Y's Men's Club Meets

At a regular meeting of the Centennial Y's Men's Club last night, Ralph Manning was chairman and David Scales song leader.

Reports on the various activities of the club were given by the following: Calude Whitteet, youth work; Alan Forsythe, attendance; George Burgess, Holland Cove camp; Stew MacKay, publicity; Ron Woodgate, world-outlook; Bob Giggey, club projects; Bennett Carr, program; Lloyd Grant, finance; Wendell MacLean, dances; Norman MacLeod, young adult; John MacInnis, Bishop Fund (cancelled stamps).

Dave Scales reported a very good year for the So-Ed program with 171 members attending. Club president, Brian Cudmore, gave a very comprehensive report for club activities for the 1957-58 season.

After a short business period, the meeting closed with "The Queen."

New Canadian Jet Flown 1,000 MPH In Friday Test

OTTAWA (CP) — Air force headquarters says its sleek new Arrow jet aircraft Friday achieved "a level flight" speed of 1,000 miles an hour.

The modern prototype aircraft, expected to be the eventual successor to the CF-100 fighter now in use, reached the record speed at 50,000 feet in tests at Toronto, where it was manufactured by Avro Aircraft Limited.

The CF-105 Arrow made its first flight on March 25.

An air force official said the plane was powered with interim engines indicating it will be able to go faster when a later power plant is installed.

A "later revision" would be powered with a lighter, more powerful Iroquois engine designed and built by Orenda Engines Limited of Toronto.

EXPENSIVE AIRCRAFT

The huge white interceptor was designed and built in three years at a cost of \$200,000,000. It is the costliest aircraft ever built in Canada.

The air force official said other details of the flight must be withheld for security reasons.

A statement issued by the air force said that since the Arrow's first flight was less than a month ago "and because of the aircraft's high order of complexity, weight and size, the RCAF conducted its first flight a significant achievement."

In its first flight the Arrow stayed in the sky only 35 minutes, was kept down to a speed of 400 miles an hour and reached a height of only 8,000 feet. It is designed to fly at speeds up to 1,200 miles an hour and its operational ceiling will be 60,000 feet.

An air force official said the air force has not yet accepted it and tests will continue for at least another year.

Bank Robber Gets 12 Years

TORONTO (CP) — Kenneth Leishman, 26, of Winnipeg, was sentenced Thursday to 12 years in penitentiary on charges of bank robbery and attempted robbery of another bank.

The young businessman pleaded guilty last week to the \$10,000 holdup of a Toronto bank last Dec. 17 and to the attempted holdup of another Toronto bank March 18.

In the December robbery Leishman forced a bank manager to write a cheque at gunpoint. He cashed the cheque and forced the manager to accompany him to his car.

The second robbery was foiled when the manager yelled to a nearby employee. Leishman attempted to escape but was nabbed on the street when he was tripped by a woman and seized

BORN SAME DATE

LOS ANGELES (AP) — Mrs. Kenneth Perkins, 30, gave birth to a daughter April 20. She already had two boys, Gary, 8, and David, 5—both born April 20. As Mrs. Perkins tells it, the boys battle at birthday time over how many boys of each age group would be invited to their actual party. Now, there'll be a little girl in the act before long.

by two bank employees. A passing minister kicked the gun from his hand.

Leishman, father of five children, admitted he had five previous convictions of breaking, entering and theft.

VICTORIA

The local M.P., Mr. Heath Macquarrie, is receiving congratulations and best wishes from his many friends, on the large number of votes received in his constituency in the recent election. Mr. and Mrs. Macquarrie, and family have taken up residence in Victoria.

The waterfront of this seaside village has taken on a hum of activity as the fishermen prepare once again for the lobster season. This harbour has been free of ice for several weeks back, so all points to an early start for the very popular fishermen who

LEGION MEETING

The regular monthly meeting of the Charlottetown Branch Canadian Legion will be held in the Branch Home tonight at 8:00 p.m.

Agenda: General business and films.

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTEAL, Apr. 24th—All of my friends have one thing in common . . . they are fascinated by the new, pre-pasted Canadian wallpapers made by BOXER and STAUNTON. Only wallpaper brings you color, design and texture to enhance all the values of your home . . . that's why Canadian wallpaper is the right decoration for you. Wish you'd go and look at the Boxer and Staunton wallpapers—all with an invisible plastic coating to make them easily washable. And all made on "wet strength"—to resist tearing. All are precision trimmed—just cut the roll to the right size, wet and hang. The handsomest homes are always wallpapered—ours can be too—so easily, so practically!

OUR MR. KIPPS . . . as sturdy and delightful a West Highland Terrier as you could find, thrives on his famous DR. BALLARD'S CHAMPION DOG FOOD. It's such a comfort not to have to worry about Diet-Deficiency . . . because the lack of even a few of the essential nutrients can be most harmful to any dog. But we know that Dr. Ballard's has all the necessary food values, in exactly the right proportion, in every can. Watch your pet's tail-wagging excitement as you fill his dish with Regular, Liver or Chicken flavor. So when next you shop be sure and get your pet Dr. Ballard's Champion Dog Food!

IS YOUR BABY SOMETIMES FRETFUL? Then ask your doctor about giving him the benefits of one of the formula milks—prepared specially for babies by FARMER'S WIFE. You have a choice of four types—one of them is exactly right for your baby; Whole Milk, Skimmed Milk; or perhaps the Partly Skimmed Milk, a high-protein, low-fat formula, created at the request of pediatricians. And now there's the new time-saving Farmer's Wife Formula MILK. One of these four Farmer's Wife Formula Milks is best suited to your baby's individual needs. Ask your doctor, he knows!

CLEAN! CLEAN! CLEAN! Your house is sweet and fresh as an April morning when you use wonder-working "LYSOL" disinfectant to clean, disinfect and deodorize week by week. "Lysol" and water is the quick, easy way of housecleaning—it deep-cleans cracks, crevices; leaves tile and porcelain surfaces gleaming; kills any musty, dusty odors. One cleaning is effective for days—as "Lysol" helps protect your home with an anti-germ blanket. I feel that "Lysol" is one of the most valuable aids for keeping my house shining-clean that I've come across in ages. Get it at drug stores anywhere.

HEY THERE! YOU WITH THE BROOM IN YOUR HANDS . . . what are you going to do with the valuable papers, insurance policies, stock certificates and irreplaceable articles you find in odd places around your house during spring cleaning? I suggest you gather them together, and take them down to the BANK OF MONTREAL for safekeeping. You can rent a Safety Deposit Box for less than two cents a day. Enjoy the peace of mind provided by the steel doors of your Bank of Montreal vault. No more hunting the house for mislaid valuables! They'll all be safely tucked away in your Safety Deposit Box at "My Bank".

I HAVE A SECRET WEAPON that I use to impress my family! It's the wonderful, rich chocolate taste of BAKER'S CHOCOLATE CHIPS! True, rich chocolate flavor that makes all the difference to my chocolate chip cookies, frostings, candies and all the other things I make with Baker's Chocolate Chips. One of the family's favorites—and a real quickie—is CHOCOLATE NUT CLUSTERS: Heat 1 package Baker's Chocolate Chips over boiling water until partly melted. Remove from heat and stir until blended. Add 1 1/2 cups nuts and mix well. Drop from teaspoon on waxed paper. Cool until firm. Makes 2 dozen.
