MANHOOD How Lost, How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure of Spermatorrhoea or incapacity induced by excess or early induration. The celebrated author in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, post-paid, on receipt of four cents or two postage stamps. Address, The Culverwell Medical Co., 41 Ann St., New York, N. Y. Post Office Box 450. Nov. 18, 1887, by ny

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience frequent feelings of fullness or bloating after eating, or "gonesness," or emptiness of stomach in the morning; tongue coated, bitter or bad taste in mouth; irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion; irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, dim vision, neuralgia, or other ailments, disturbed and unrefreshing sleep, constant, indurible feeling of dread, or of impending calamity? If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions, from a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Febrile, Nervous, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.
