Boston Bruins Defeat Hawks

BOSTON (CP)—Boston's high-scoring Ukrainian line—Bronco Horvath, Johnny Bucyk and Vic Stasiuk—clicked off three goals Thursday night as the Bruins defeated Chicago Black Hawks 4-3 to move within two points of third place in the National Hockey League.

Bucyk collected a goal and two assists, while Horvath and Stasiuk contributed a goal and an assist. Their efforts enabled the Bruins to post their first home victory since Christmas night despite a stirring 43-save performance by Black Hawk goalie Glenn Hall. The Ukes, who have scored 50 of the team's 120 goals this season, tallied at 14:38 of the opening period when Horvath stroked in a rebound from a Hall stop for his 19th of the season.

Bucyk made the score 2-1 early in the second period when speed-

ing across the Chicago blue line ahead of the pack, he took a perfect Stasiuk pass and beat Hall on a 25-foot low angle shot into the far corner.

Hennessey Quits As Aces Coach

The Summerside Aces will have a new coach at the helm when they play Mount Allison University at Civic Stadium tonight. Lornie Hennessey asked to be relieved of his coaching duties last night following the 11-2 defeat which the Aces took at the hands of Amherst Wednesday evening. Lornie felt that he could be of more help to the Aces as a player than as a coaching coach or as a coach on the bench. His resignation was accepted by the management with regret, and all concerned are glad Lornie will still be with the

team. Charlie Hogan, who brought two Maritime Hockey Championships to Summerside, as well as three or four baseball crowns, will assume the coaching duties starting tonight. Eddie Booth and Melanson will both be with the team and it is hoped that the Aces fortunes will take an upward turn. Fans will naturally be anxious to see the Mounties in action, as this is their only appearance here in a league game, and the 1958 club is supposed to be the strongest Mount Allison has had in years.

Carmen Basilio, Robinson Sign

By JERRY LISKA
CHICAGO (AP)—Middleweight champion Carmen Basilio and challenger Sugar Ray Robinson Thursday formally signed for their potential "million dollar rematch March 25 at Chicago Stadium, an arena of women for both.

spot for Robinson—and a complete jinx for Basilio—who two years ago lost his welterweight crown to Johnny Saxton in a controversial decision at the Sports Palace.

"I will enjoy fighting at the Stadium which is my lucky place, if you want to call it there," said Robinson in a bit of understatement.

Sugar Ray once won the 160-pound title and twice regained it at Chicago Stadium. He won the championship by stopping Jake LaMotta in 1951 and regained it from Gene Fullmer in 1952.

"I'm going to have a change in luck at Chicago Stadium this time," grimly asserted Basilio, who also lost to Chuck Davey and Billy Graham at the Stadium before his stormy title stumble against Saxton.

Chief item on tomorrow afternoon's agenda is the election of a new president to succeed Des Burge who recently left the province to serve with the B. C. A. F. Another important matter which will be dealt with at the meeting is the drawing up of a schedule for the rest of the year.

After the main business of the meeting the written exams will be held for league referees. The exams are scheduled for 3:30 p.m. and all those wishing to obtain their referee's papers will be expected to be on hand to write them.

Badminton Club Holds Meeting

The Summerside Badminton Club held its organizational meeting recently and elected the following executive: President—Dr. Alan Stewart, Vice-President—Charles Ballew, Treasurer—Maynard Schurman. Already there have been several nights of activity and approximately 20 members are attending regularly. The members play every Wednesday night from 7.30 to 10.00 at the Civic Auditorium. Anyone interested in playing should contact a club member or attend a regular Wednesday night playing session. The club plans to make exchange visits with the Y. M. C. A. club in Charlottetown and the R. C. A. F. station club in Summerside.

Jimmy Foxx To Coach Team

BOSTON (AP)—Jimmy Foxx, one of baseball's great hitters who recently has been in strained circumstances, agreed Thursday to coach the Minneapolis Millers, top Boston Red Sox farm.

Wins First Skating Round

OTTAWA (CP)—Curly-haired Sonia Snelling, second youngest of a skating family, Thursday won the first round of the junior ladies singles title at the Canadian figure skating championships.

The 15-year-old Toronto Skater collected the most points in the school figures of the two-part event at the Ottawa Minto Skating Club. The less complicated free figures will be run off tonight.

Ch'town Royals Beat Mt. "A" 6-1 At Sports Arena

The Charlottetown Royals moved to within two points of the Amherst Ramblers by defeating Mount Allison University 6-1 here last night. The Royals now have 30 points, compared to Amherst's 32. Summerside is still in the cellar with 18 points.

The visit was the first one of the season for the college team, having played with Summerside and Amherst before.

They looked flashy in their new white and red uniforms but as the game proved, the uniforms don't make the team.

Frankie Roper played a wonderful game in nets for the Royals

stopping many hard drives. The only shot that got by him was off the stick of Mal Joyce.

Buck Whitlock closed in on Gerry Boss, in the points race collecting two goals. Dowling, Pineau, Perry and Carroll scored singletons.

Early in the game Angie Carroll nearly put the Royals into the lead. His hard shot hit Harry Sterling, the Mt. "A" goalie and almost rebounded into the open net. Sterling pounced on the runner just in time, to keep the game scoreless.

About half way through the period Whitlock scored the cutest tally of the evening. He picked up the puck deep in his own zone and went all the way through to fool Sterling.

The less experienced college team pressed hard during the last few minutes of the period but Roper kept them at bay.

Mal Joyce of Mt. "A" scored his teams only tally early in the second when he pulled almost a repeat performance of Whitlock's effort. Joyce's shot found its way behind Roper to tie up the game.

Angie Carroll got that one back for the Royals 23 seconds later with what proved to be the winning goal.

Art Perry put the Royals into a 3-0 lead early in the third when he found the corner behind Sterling. Perry was standing at the corner when he received a pass from Angie Carroll. Carroll's pass went right across the goal-mouth.

West Prince All Stars In 5-2 Win From Lot 16

The West Prince All Stars downed a short handed squad from Lot 16 5-2 in an exhibition game in the Alberton rink Wednesday night. Ice road conditions apparently caused one car load of players to turn back. The Rangers were strengthened by the addition of two Regals' players, Lloyd Gaudet and Wes Hardy.

All Stars forward G. Matthews scored the only goal of the opening period. The home team made it 4-1 to start the final round of play. Goals were chalked up by C. Richard with a pair and L. Richard with a singleton.

I. Strongman got one on the board for Lot 16. Each team netted one more in the closing frame. L. Gaudet for the Rangers and C. Fraser for West Prince.

Crumble one Oxo cube with tsp. flour. Add cup cold water. Bring to boil. Simmer 5 minutes.

Blake Shudders But His Habs Could Break Records

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—Coach Toe Blake brought his Montreal Canadiens back home Thursday and shuddered visibly when it was suggested his club might break a couple of National Hockey League records.

At the rate they're knocking off the opposition, the league-leading Canadiens could do a real job of shattering the record of total goals for a team in a season. They could also be flirting, come season end, with the total-points record on a wins-ties basis.

"We don't talk about records; they're never a topic of conversation by the players," said Blake, glancing expectantly over his shoulder for a prowling jinx and keeping his fingers crossed.

The record of 236 goals by a team was set by Detroit Red Wings in the 1950-51 season. In the same season the Wings

amassed a record total of 101 points.

TREMENDOUS PACE

In 45 games so far Canadiens have scored 170 goals. At an average of 3.77 a game—if it continues—they would reach 264 for the season.

At the same time they have compiled 65 points on 30 wins and five ties. If they maintain their 1.44 average per game they will hit smack on the nose Detroit's record 101.

"Anybody likes a record, of course, but we're not thinking about records now," said Blake. "The time to talk about records is after you've made them."

"Our main concern now is to win the NHL championship. We're playing good, sound hockey right now. The boys showed they're playing as a unit when they beat Toronto 2-0 Wednesday night.

"It's tough enough to win

games, let alone talking about records. We're going to win every game we can now to clinch first place.

"And even if we clinch it we're not going to jeopardize our chances by going after records, especially if any of our players are tired or not 100 per cent fit."

"I learned my lesson in the 1944-45 season. Elmer Lach, Rocket Richard and I wanted to finish the season 1-2-3—at the top of the scoring. Milt Schmidt, Woody Dumart and Bobby Bauer of Boston Bruins had done the trick in the 1939-40 season.

"We did it, but it took a lot out of us. We shouldn't have been playing. It wasn't coach Dick Irvin's fault. We insisted on playing. Elmer and I had the gripe. All of us should have rested for the playoffs. So what happened? Toronto Leafs promptly knocked us out and went on to win the final against Detroit."

"The stadium has been a glory
