

Panthers best performance: 28-1 over Mount

Jock talk
Mickey Place

Those hardy Panther Fans who braved snow, cold, sleet, rain & dark of night undeterred travelling to Sackville last Saturday were rewarded by seeing what was probably the best Panther performance of the football year. Both defence and offense combined valiantly as they ground out a most convincing 28-1 victory over our old foe Mount Allison. Q.B. Rick Kiraly scored two touchdowns in the first half, the first (with great blocking) on an unimpeded 95 yard punt return from his own 15 and the second when he carried around right end from the Mountie 6. In the final quarter the leading rusher for the day, Mike Holub, went over on a 42 yard run & George

McGuigan, a local product from Colonel Gray H/S, closed out the scoring with his first T.D. in a Panther uniform...may there be many more. Amen. Lest we be accused of undue emphasis on the scoring statistics we'll hasten to add that our defence was terrific as they made three goal line stands from within our 5 yard line Mount Allison, a team that has stressed ground gains all year, was unable to move the ball across for a score. The Panther defense was like a rock. This Saturday, in a playoff game, we are pleased to be playing host to Dalhousie and, as winners, after we knock them off, we'll be pitted against either Saint F.X

here or in Fredericton against U.N.B. on the 13th. The opponent depends on the outcome of this weekend's games. We are not going to go into the complicated playoff system because we don't understand it and every time we get an explanation we become more confused. Congratulations to Mike Lyriotokis and Socky MacDonald who were picked for the AUFC All Star Team. Inasmuch as the league runs Saturday's playoff game there will be an admission charge. Anyone want the job of collecting?

In Soccer we lost to S.M.U. on Saturday but rebounded to a 2-0 win over Acadia the next afternoon as Vaughan Smith and Ian Cameron scored for us. This brings our league record to 3-7 for the season. Very good for a team that had not managed to win a game for three seasons up to a few weeks ago. This weekend the team travels to St. John's for two with Memorial & we'd advise the boys to save the Newfie jokes until they return & they'll be well treated. An aside to Vincie, try the Seafood Casserole at the Starboard Quarter & don't miss the Irish Coffee! In Field Hockey the Pantherettes faced the weekend needing two wins to make the playoffs but lost both games, the first to Acadia 2-1 with Mary Bradley getting our single and dropping Sunday's contest 4-2 to S.M.U. with Donna Blanchard potting the pair. Following the final game we under-

stand that there was quite a roughhouse in the Pantherette shower room as popular and outstanding players Mary Bradley & Janet Ellis were dunked by their teammates in honour of having played their last game for UPEI...they'll be missed.

In Basketball we have seen several practises & the team is getting up for the Acadia Tip-off Tournament where they will open against nationally ranked Sir Wilfred Laurier on 12 November. We learn that Mark Vickers and Bronx Feighrey have been named as Captains for this season.

In Hockey we dropped a game to Gentleman Jim's 6-5 on Saturday night but came back to cop Sunday's game by a lopsided 12-2 score. We like to watch a game between Virtue(UPEI) and Evil (our opponents) and, to an old fan like us there were too many "Good Guys" on the G.J. team. It seemed like a game with the Alumni. In a losing cause on Saturday night our scorers were Gary Trainor, Don Murnaghan while the Mitchell brothers chipped in with three. Sunday's game was a different story. Larry Arsenault, at 19.59 got our only score to make it a 1-1 first period & then the G.J. legs, not made to play two games in 18 hours, seemed to slow up & we erupted for no less than 8 goals in the second period. Dave Cameron, Dave Pineau, Ken Burton(2) Lornie Carmichael(a short-handed rebuke to the G.J. defence), Mike Selleck, Lennie Kelly and Paul Martin gave us the greatest scoring outburst that we have witnessed in our many years of watching S.D.U./P.W.C./U.P.E.I. hockey. In the third we added insult to injury by adding three more as Lennie Kelly got his second of the afternoon while Val Mitchell & Bob Holmes added singles. One of the largest crowds in UPEI hockey history STAYED AWAY from these games and, we think, missed two very good exhibitions of the game. This weekend the Panther Booster Club Tournament will be at the Forum. Acadia will face Dalhousie at 5:00 p.m. and the Panthers take on the Beothuk from Memorial at 8.15. On Sunday a consolation game will start at 12.00 and the championship game goes at 3.15 UPEI student cards will be honoured. This knockout series would give a good indication how we will fare in the year's intercollegiate play. See you here?????
