57th Wedding
Anniversary Of
S'side Couple

Mr. M. F. Schurman, president
of the M. F. Schurman Co. Ltd.,
with his wife, today celebrate their
57th wedding anniversary, and to-
morrow 1st Schurman celebrates
his 89th birthday.

Mr. Schurman still retains his
mental and physical vigor and
continues to take an active part
in the affairs of the company
which he organized 56 years ago
at Kensington. Later he moved
the head office and main plant to
Summerside while retaining and
expanding the facilities at Ken-
sington, and later opened an
entirely new branch office and
workshop department at Charlot-
tewtown.

The firm has grown and ex-
panded through the years until it is
now regarded as the largest build-
ing construction firm on the Is-
land.

During the past year Mr. Schur-
man had the pleasure of being
present at the official opening of
two large modern buildings in
Summerside which had been built
by his company. They were the
new Prince County Hospital and
the new Federal Building.

Mr. Schurman has always shown
a keen and active interest in the
civic and provincial advancement
of this Province.
The Guardian joins with his
wide host of friends in extending
a cordial greeting to him on the
occasion of the anniversary of his
wedding and of his birthday.

Okto Club
Annual Meeting
-At the annual meeting of the
Okto Club, Summerside, held on
May 15th at the home of Mrs.
Dr. W. B. Howatt, Mrs. Creel-
man MacArthur was elected presi-
dent and Mrs. W. E. Darby was
elected secretary treasurer for the
coming year.

In her report of the activities for
the past year the retiring presi-
dent, Mrs. Adele Pope, said "The
Okto Club has completed its fif-
teenth year, a year of social and
annual success. We have held 17
meetings at the members homes
besides a few small meetings to
make final plans for our two teas.

In the fall it was unanimously
decided to take the nursery as our
unit in the new hospital. We in-
tend to pay for the building of it
besides the upkeep. This year we
had seven projects, namely, the
tea at our new hospital, on open-
ing day in August, which gave us
an extra opportunity to raise mon-
ey; the usual fall and spring
clothing sales, the lovely May day
tea at the home of Mrs. Harold
Schurman, a mat lottery, the
Maple Leaf Milling Company's
cooking school in September and
the pantry sale in March. The lat-
ter two were of an experimental
nature, but were so successful that
we hope to have repeat perform-
ances.

"We greatly appreciate the kind
cooperation of the ladies aid. On
two occasions they loaned us
"wishing well" which was a novel
way to increase our funds.

"An interesting incident occur-
red this spring when C. J. R. W.
invited a delegation of three from
our club, to be interviewed on the
air. A brief history of the club, its
activities and accomplishments
was given.

"During the past year we have
paid the balance of our debt to the
general building fund and the
first instalment on our debt to
the nursery unit. Besides these
large commitments we have been
able to buy an incubator with
cabinet, a set of scales for the
premature nursery, crib blankets
and flannelette.

"In closing, my thanks to each
member for capability and cheer-
fulness without which we could
not have had such achievement.
To my ever true partner, our sec-
retary treasurer, special thanks.
She has so thoroughly looked af-
ter our finances, correspondence,
advertising and minutes, which at
times were so difficult."

Alberton and
Vicinity
Mr. Martin Bandler, student at
Dalhousie Medical School, has ar-
rived to spend the summer vaca-
tion with his parents, Dr. and Mrs.
S. Bandler, Alberton.

Mr. Bert Fridham, Alberton, has
received the mail contract for
Alberton rural route No. 1, replacing
Mr. Leigh Weeks, also of Alberton,
who has been very capably hand-
ling the mail on this route for the
past several months.

When one comes to me or
is recommended by any well
known society I do not put them
on file or investigate them im-
mediately unless they return the
second time. We had quite a few
such cases this winter. They just
needed help once. The medicine
was needed urgently and they
didn't have the money at that
time. It hardly seems fair when a
person comes for the first time to
the Dispensary to hunt them up
right away and start asking them
questions.

Irishtown Group
Presents Comedy

The Irishtown players presented
their one-act comedy "Mary Molly
Malone" for adjudication before a
large audience in Irishtown last
evening.

Mr. H. B. MacLeod acted as
master of ceremonies and at the
conclusion of the performance intro-
duced Mrs. Fred Gates, Charlot-
tewtown who spoke briefly on the
aims of the Provincial Drama Festival.

In his adjudication of the play,
Mr. H. Barry Bugden gave many
helpful suggestions as to how the
play might be improved before it is
presented in Parkdale next Tues-
day night in the Provincial final.

At the end of the evening the
adjudicator met with the cast and
directors and discussed their prob-
lems with them.

Mrs. Borden Campbell was cho-
sen as best actress for her perform-
ance as Molly Malone and Mr.
Leigh Paynter as best actor for his
characterization of Winchell
Barrington.

Other members of the cast in-
cluded Mrs. Harold MacLeod as
Nella Barrington; Zelma Curley as
Ella Barrington; George MacLeod
as Noel Barrington; Mrs. W. J.
Proffit as Bridget O'Hara; and
Lloyd Proffit as Perry Van Lone.

Specialties which were very much
enjoyed by the audience were as
follows: "Taking the census" by
Irene Simmonds and William Paynter;
vocal solos by Mrs. A. G. Mac-
Kay and Donald Campbell; step-
dance by Paul Gallant; piano solo
by Beryl MacLeod; dialogue "Three
O'clock in the Morning"; Elmer
Marvi and Mary Campbell; instru-
mental music by the Brown family.

Now in the process of under-
going a remodelling operation, the
old Prince County Hospital build-
ing, which for so many years was
the scene of much contrasting
happiness and sorrow while filling
its function as a center whose chief
purpose was the saving of human
lives, is now daily taking on a
definite "new look" appearance.

Under the guidance of the con-
struction foreman, Mr. W. R. May-
nard, many additions and altera-
tions are being made. The whole
building is being completely re-
wired and about 80 per cent of the
plumbing will be new.

Much plastering has been done
to the interior, and the main
stairway in the old building is be-
ing made fire proof through the
use of sheet rock. A new section is
being added to the north part of
the building which will contain, in
part, the health and welfare sec-
tion, with offices and facilities for
the clinic doctor, clinic nurse,
public health nurse, social worker,
welfare office, sanitary engineer,
and a laboratory for the health
and welfare department.

The other section of the build-
ing is being made into wards and
rooms, and work is progressing so
well that it is expected it will
soon be ready for interior paint-
ing.
