# Rotarians Score Success In Program Presentation

—"The Rotarians have done it again" was the general concensus of opinion last evening when the Summerside Rotary Club presented its second annual review in the Summerside Baptist Church hall before a large audience.

Produced under the direction of W. D. Young and the inimitable "Boots" Frame, last night's show really had them asking for more as each number was presented in a manner which showed experienced direction by an experienced showman.

Comedy skits predominated with "Boots" taking the laughs and the lemon pies as only he can do it. He was ably assisted and abetted by his girl friend, Hildagrade, as portrayed by that veteran local actress, Miriam Robertson, and the straight man and master of ceremonies, John Cameron.

Arthur Murray would have been envious could he have witnessed the dance routine of De Vonn and Dummee, a portrait of easy grace and careless abandon as "they" glided like moonbeams over the floor.

An eerie atmosphere was created by the presentation of the mysterious body, a touch of the occult, and the act ended without any explanation as to how this remarkable feat of levitation was performed. It has to be seen to be really appreciated.

"The Inebriate And The Sharper" presented by Earl Cannon and Ed Smith brought lots of laughs as did the comedy team of Jim MacGregor and Roy Grant and as though that was not enough there was the added attraction on the program of "two hoboes" by Frank Daley and Earle Hickey.

The trio consisting of Myrna Hancock, Maureen Forbes and Irene Mountain charmed the audience as their young voices blended in harmony. The newly formed quartette, Hancock, Bowness, Cameron and Nicholson rendered several numbers which in themselves were worth the price of admission.

Highlight of the show was Fargo the Magician, by Mr. Frame who demonstrated that he is a master magician as well as low comedy artist. Seldom has a more clever and interesting demonstration of the art of legerdemain been witnessed on the Summerside stage as given by Mr. Frame and his performance brought forth round after round of applause.

The musical score was under the direction of Mr. Gabriel Chaisson, lights Earl Corney and props, Fred Davison.

The show will be repeated this evening as well as tomorrow evening and the entire proceeds are for the Prince County Hospital.

## 75 Pupils Are Inoculated At Summerside

—Upwards of 75 grade 2 students at Summerside High School received their first inoculation of Salk polio vaccine yesterday as inoculations against polio continued here and in rural schools throughout the Province, as pupils in grades 1 and 2 are being immunized against this dread disease.

Response to these clinics is said to be splendid, and children are said to be less sensitive to these polio inoculations than to the inoculations give for smallpox.

The second inoculation follows the first by about four weeks, and the third and final one will be given after school resumes following the summer holidays.

The clinics are being conducted by the doctors of the various districts who are assisted by public health nurses.

## One Day In Jail For Man's Death

NASHVILLE, Tenn., (AP) — A 27-year-old woman, who killed a St. Louis businessman by beating him on the head with the heel of her slipper, pleaded guilty to involuntary manslaughter and was sentenced to one day in jail.

An all-male jury in criminal court set the punishment Monday for Miss Sarah Fly, an attractive former state clerical worker.

William D. Fernandez, 33, died a few hours after Miss Fly clubbed him with her slipper at a Nashville night club Dec. 18. Police at the time said jealousy led to the clubbing.
