

Brother Jonathan on the War Path.

Brother Jonathan is nothing if not ingetious. He has a difficulty with Turkey. It is partly because the life of an American citizen is at stake in a Turkish court, but principally because the Standard Oil Company can't get ahead of the Russians in selling kerosene to the unpeppable Turk.

Rum's Work.

The Nova Scotia barque, Myrtle, Capt. J. Darter bound for Pernambuco, left New York on the 16th inst. and anchored off Whitestone, D. I. While there, the second mate, Michael Walsh, engaged in a fight with James Williams, sailor, who attacked him with a knife.

Peculiar Advertising.

Boston merchants are rivalling one another in rather questionable advertising devices. A clothier removed all the goods from his show window, and put in their place a big live monkey. For days the sidewalk was blocked with spectators, and policemen had to be detailed to preserve order.

The Colwell Motor Co.

A meeting was held in Lowell Mass. on the 12th inst., of the stockholders in the Colwell triple thermic motor company, a local organization owning a patent which its inventor claims is vastly superior to ordinary steam for motive power.

The Cattle Trade.

For the past week the demand for cattle in Montreal has been brisk, and exporters waded in freely, despite the unfavorable tenor of cable reports, which called the British markets dull and declining.

The Fastest Time.

William H. Vanderbilt passed through Dayton, Ohio on the 8th inst., en route for Cincinnati, in a special coach, making the fastest time on record. The train consisted of two coaches and came from Lima, a distance of 74 miles, in 64 minutes.

The Earthquake in England.

To those at a distance the earthquake in England, seems to have been but a trifling affair, that toppled over a few rickety chimneys, upset a spire or two that were probably out of perpendicular, while very many persons in the centre of the disturbed district were apparently hardly aware that anything extraordinary had happened.

Billiard Match.

The game of billiards for the championship of the world and \$500 a side, was played in Chicago on the 12th inst., between Jacob Schaeffer and Slosson, was a one-sided affair. Schaeffer quickly secured the commanding lead, which he steadily increased.

Burdette's Advice to Young Men.

Burdette philosophically writes to young men: Do you be diligent in your own business and be content with its rewards. You may not walk so many miles in six days as Fitzgerald, but you can sleep a great deal more in that time, and if you do not get so much money for it neither do you get so many blisters.

MRS. SOPHIA POTTER'S Bone Rheumatic Liniment

IT is a fact worth knowing that Mrs. Sophia Potter's Bone Rheumatic Liniment cannot be excelled for removing pain and soreness. It is no worthless trash, as some may suppose, simply because they have been imposed upon by others but is positively the "King of Pain." Sore throat cannot stand before its power.

All we ask is a trial that you may be convinced of the truth of our statement. Our experience is that one bottle tried also sells many more.

See circular for particulars and testimonials, and try a bottle—it will not fail to do all that is promised.
