

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS
Toronto—Market lower in light trading.
New York—Market mixed; some wide losses.
Montreal—Industrial losses outstanding; trading moderate.

CURRENCIES

MONTREAL (CP)—The U.S. dollar Friday closed at a discount of 5-3/4 per cent in terms of Canadian funds, up 1-3/4. Pound sterling \$2.64, up 1-1/2.

TORONTO

TORONTO (CP)—The stock market lost ground for the fourth time in five sessions as base metals touched a 1956-57 index low Friday in light trading.

The base metal index lost 3 1/4 points. Golds lost more than 1/4 of a point. Western oils higher for most of the session, had their index dip to the losing side in closing trading.

The final volume of 2,272,000 shares was one of the lightest of the year. Thursday's total sales were 2,022,000.

International Nickel had one of the heaviest mining losses in weeks as it dropped four points to close at 87. During the afternoon it touched a 1957 low of 86.

Lower-priced mines drifted off in a 1-1/2-cent range. Golds were lower, led by McIntyre's two-point loss at 100 1/2. Uranium also lost ground.

Western oils were narrowly lower in narrow-range trading.

NEW YORK

NEW YORK (AP)—Rail shares rallied late Friday, inspiring a slack stock market to produce enough gainers to make the pattern irregular instead of lower. The upsurge by rails in the closing minutes was the only outstanding feature in a session which was the slowest since March 22.

Nonferrous metals were dampened by defence mobilizer Gordon Gray's statement that the government will stop buying lead and zinc for the nation's strategic stockpile. Aircrafts and chemicals were generally lower. Rubber shares were improved as prices for rubber products moved upward. Motors were mixed. Steels advanced.

The Associated Press average of 60 stocks rose 40 cents to \$184.70 with the industrials up 20 cents, the rails up \$1.30 and the utilities unchanged.

Among Canadian issues on the New York exchange, International Nickel slumped 3/4 on 8,000 shares after its president predicted an end to government stockpiling of nickel.

Other Canadian losers were Aluminum 1 1/2; McIntyre Porcupine 1; and Hudson Bay Mining 2. Gainers included Walker-Gooderham, up 1 on 600 shares; and Dome Mines and Granby Mining, each up 1/4.

Prominent Canadian issues on the American exchange included Jupiter Oil, off 3-1/2 to 25.30; Trans Canada (Inman) 2-1/2 to 21.12 1/2; and Canadian Marconi, each down 1/4 and Richwell, off 1-1/2.

Back Stretch

(Continued from page 6)
Pride, 2:06 3-4, Wilkin, 2:08, Happy L., 2:03 1-4, and others equally famous.
Thirteen miles were trotted or paced in 2:10 or better. One of the visitors was Bob Keene, who was a general representative of the United States Trotting Association.

Bob described his battle in getting to the Secretary's office through the crowd as one of the most exciting ever had at a race track. He asked if this was the usual thing, and we assured him we were just as surprised and frightened as he was.

NEW MARK
At Woodstock last Friday night, in the 1st and 5th dashes, Dr. H. B. (F. MacAluff) was 1-5, Hal Again (Smith) 2-1, times 2:21 and 2:20. In the 2nd and 6th dashes, Reynolds Hanover (Troy) was 1-3, Marcia Clegg (Inman) 2-1, time 2:18 2-5 and 2:16. In the 3rd and 7th dashes, Hal's Mae (Killam) was 1-2, Master Key (MacArthur) 2-1, times 2:12 3-5 and 2:12. In the 4th and 8th dashes, Junior Bell (Inman) was 1-1, Hal's Gal (Styles) was 2-3, Leslie (Price) 3-2, times 2:11 2-5 and 2:10, a new mark for Junior Bell.

One of our best correspondents is Dow Clowater, Fredrickton, N. B., who is giving excellent publicity to Fredrickton Raceway. In a recent letter, he points out that everything is going splendidly at Fredrickton, the times are fast, the finishes are close, and the purses are big at the present, and the attendances are increasing right along.

Several horses have taken new records, and these are a few of them from his list: Rhythmic, a four-year-old trotter owned by J. S. Savage of Fredrickton and driven by Harry Mount won in 2:13 2-5; Chico Vivian, a pacing gelding owned by Lloyd McKinney of Gagetown and driven by Tommy Devlin, lowered his mark to 2:13 4-5; My Clegg, owned by Byron A. Dobson, reduced his from 2:14 3-5 to 2:13 3-5, driven by Clayton Killick; the good three-year-old trotter, Lady Lakeburn, took a new mark of 3-5 recently, and we may add to the three-year-old Maritime-bred trotting record; John Jolity, owned by J. A. Coates, Fredrickton, and driven by Teddy Weir, lowered his record from 2:12 3-5 to 2:11 3-5, since "our friend's" letter has been received, Teddy has placed him in the 2:10 list.

The very promising two-year-old colt, Lucifer, owned by Ross Millett of Fredrickton, took a new mark of 2:33 in June, and gives promise of being a star. Mr. Lee Chips, owned by Daniel C. Mackin of Saint John, and driven by 17-year-old Eddie Langille, son of the veteran Allison Langille, lowered his record from 2:15 to 2:14 3-5. Teddy Weir gave the three-year-old bay gelding, Rusty Con, owned by J. A. Coates of Fredrickton, a mark of 2:26 4-5. Fredrickton is going to entertain

the free-for-allers with a \$3,000 Walter Dale Memorial Pace, to be raced there August 8th.

They claim this is the richest harness racing event in the Maritimes, and that it will bring all the top pacers in the Maritimes, and several from the state of Maine to battle there. Their own hopes of winning are based on Slicker Tack, 2:08, Convalir, 2:07 1-5, also Jerry's Nightmare, winner of last year's 2:06 and 2:09, and others from Saint John, Moncton, Halifax, Charlottetown and Summerside.

EARLY DIRECTOR
We deeply regret that we did not learn of the death of our late friend, Charles E. Ballard of Sydney Mines, N. S., until a few days ago. Mr. Ballard was one of the best supporters of harness racing in the 1920's, and he held races over his track at North Sydney. He was well liked by horsemen and the public. When the United States Trotting Association was formed, he was one of the early directors and helped very materially in placing it in good standing in the Maritimes.

Charles was a good winner and an even better loser. One of his fondest hopes was gratified when the notional pacer, Neil Frisco won the first dash in a free-for-all at Charlottetown Exhibition races in 2:07 3-4, equalling the then track pacing record. Sad to say, in the next heat, Neil decided not to try and kept that resolve for the balance of the race which Charlie took it all with a smile, and speaking to him afterwards, he said: "Well, he gave me a hell of a thrill."

In a writeup that we have received from a correspondent, the directors of a race which Mr. Ballard had scheduled for a Wednesday. It was rained out, and set ahead for Friday, and Mr. Ballard provided all the feed for the horses free. Again the races were rained out on Friday, and the horsemen agreed to stay over until Saturday, when the races were held, and he gave the horsemen the whole gate receipts, both main gate and grandstand, plus refreshment for the drivers and jockeys, and a party for the winners, not keeping a cent. Mr. Ballard's generosity was well known to all who were present at the race.

PREDICTIONS
Such good prophets as Edwin Keller predict that 1957 will set a record for new harness-racing records, both on mile and half-mile tracks. The 1957 two minute championship list started off early, on April 10th, when the Ontario-owned Dottie's Pick, 1:56 1-5, racing for Del Miller, stepped a 1:59.

At Truro last Saturday night, Races 1 and 4 were won by Little Moose (Daniels), Carina Volo (MacLeod) 2-4, times 2:13 and 2:15 4-5. In Races 2 and 8, Impact (P. Pinkney) was 1-2, Globe-trotter (Mauger) 4-1, Wee Michael (G. Turner) 2-6, times 2:12 and 2:12 4-5. In Races 3 and 7, Robertdale (Connors) was 1-1, WMX (Conroy) 2-3, Headway (Mauger) 3-2, times 2:11 5-5 and 2:09 1-5.

Robertdale is owned by Frank T. Stanfield, Truro. Last year as a five-year-old he took a record of 2:06 3-5, and in 22 starts was 4 times first, 3 times second and 5 times third. His total winnings are over \$7,000, and he is eligible for

the free-for-allers with a \$3,000 Walter Dale Memorial Pace, to be raced there August 8th.

NEW YORK

NEW YORK (AP)—Rail shares rallied late Friday, inspiring a slack stock market to produce enough gainers to make the pattern irregular instead of lower. The upsurge by rails in the closing minutes was the only outstanding feature in a session which was the slowest since March 22.

Nonferrous metals were dampened by defence mobilizer Gordon Gray's statement that the government will stop buying lead and zinc for the nation's strategic stockpile. Aircrafts and chemicals were generally lower. Rubber shares were improved as prices for rubber products moved upward. Motors were mixed. Steels advanced.

The Associated Press average of 60 stocks rose 40 cents to \$184.70 with the industrials up 20 cents, the rails up \$1.30 and the utilities unchanged.

Among Canadian issues on the New York exchange, International Nickel slumped 3/4 on 8,000 shares after its president predicted an end to government stockpiling of nickel.

Other Canadian losers were Aluminum 1 1/2; McIntyre Porcupine 1; and Hudson Bay Mining 2. Gainers included Walker-Gooderham, up 1 on 600 shares; and Dome Mines and Granby Mining, each up 1/4.

Prominent Canadian issues on the American exchange included Jupiter Oil, off 3-1/2 to 25.30; Trans Canada (Inman) 2-1/2 to 21.12 1/2; and Canadian Marconi, each down 1/4 and Richwell, off 1-1/2.
