

Curious - Then Caught

A busy beaver is seen above peering out from his temporary captivity at the wild life exhibit at the Kinsmen Carnival which opened in the Summerside Curling Rink yesterday.

The curiosity of this beautiful animal resulted in his capture when he walked into a farmyard in the eastern part of the province.

A dog went to the attack and snipped a sizeable bite from his tail before the dog's owner arrived on the scene.

Spurgeon Jenkins, provincial fish and game officer was notified, and this lucky coincidence enabled him to provide this very interesting and pretty animal for the three-day Kinsmen carnival at Summerside.

Before returning to his natural occupation of providing and maintaining pools of water for his own purposes in the section from which he came, this industrious beaver merely by being an interesting exhibit, will have played a part in helping the Kinsmen provide a different kind of pool—a wading-pool for children—in the playground on Notre Dame Street, only one block east of the Raceway Stadium.

Dalton-Butler Wedding

A wedding of interest to friends in Burton took place in the Convent chapel of Our Lady of Mercy, St. John's, Newfoundland, on April 21 when Daphne Grace, youngest daughter of Mr. and Mrs. Abraham Butler, became the bride of LAC. Howard Dalton, youngest son of Mr. and Mrs. Wilfred Dalton Burton Lot 7, P. E. I.

The marriage ceremony was performed by Rev. Father Penny of St. John's Cathedral, St. John's.

Given in marriage by her brother-in-law, the bride chose a grey gabardine suit, with pink nylon accessories and carried a bouquet of pink carnations.

The bridesmaid, Miss Shirley Kerrivan, who was escorted by the aisle by Corporal Doucette, wore a wine gabardine suit, with navy accessories, and a corsage of American Beauty roses. The groom wore the dress uniform of the Royal Canadian Air Force.

The groomsmen were Mr. William Sullivan of Trinity Bay, Newfoundland.

For her daughter's wedding Mrs. Butler chose a navy dress with white accessories and a corsage of orchids.

The organist of St. John's Cathedral choir played the "March From Lohengrin" and Schubert's "Ave Marie".

Following the ceremony, the bridal party motored to the home of the bride's parents where a turkey dinner was served to forty guests. The three-tier wedding cake which centered the table was cut in the traditional manner by both bride and groom.

Following a brief honeymoon they will reside in St. John's. The groom is a radar technician at the R.C.A.F. Station Torbay, Newfoundland.

Linda looked up, breaking into happy chuckles. "Bruba, a-a-h, uh-n, pretty, pretty!" she said, stirring fast with her spoon.

"She's making soup for dinner," explained Laurie. "That's what I told her to do."

"Be sure to invite me to have some," laughed Mrs. Page. "Smart girl, Linda! You are learning very fast. Perhaps by another week you'll be able to make your own birthday cake."

"Ga-ga, oh, o-o-oh," answered Linda.

"If there is to be any dinner today, I'd better get busy. Too many cooks may spoil the soup, but this once two cooks may be better than one." Then she bustled away to her work again.
