Tignish Couple To Marry In N. Y. Today

NEW YORK, July 17—Two former residents of Tignish, P.E.I., are being married here today in St. Michael's Church. They are Miss Marie Anne Dora DesRoches and Mr. Ernest Joseph Arsenault. The Rev. Fr. Collins is performing the ceremony.

N. S. - Nfld. Ferry Ready By Fall

MONTREAL (CP)—A huge funnel was placed in position Thursday on the ice-breaking ferry William Carson and shipyard officials said the vessel will be ready this fall for operation between North Sydney, N. S., and Port Aux Basques, Nfld.

The ferry, largest in Canada, will be operated by Canadian National Railways for the federal transport department. When completed she will be more than 350 feet long, with room for 228 passengers, 75 automobiles, six trucks, two buses, 25 cattle and 800 tons of freight.

Canada Still Leading In Davis Cup Zone Play

By WILF GRUBSON Canadian Press Staff Writer TORONTO (CP)—The Chilean team of youthfull Luis Ayala and veteran Andres Hammersley Friday overpowered Canada's Lorne Main and Paul Willey 13-11, 6-3, 6-0 to win the doubles match of the Davis Cup round between the two countries.

Chile's upset victory with a previously untied doubles combination left Canada leading 2-1 in the first round North American zone competition for the famous international tennis trophy. The winner of the round now will be decided in the two remaining singles today. Canada took a 2-0 lead Thursday when the 24-year-old Main, top-ranking player in the Dominion, defeated Ayala, 21-year-old Chilean champion, in five sets and Bob Bedard, Canada's No. 2 player, overcame Ricardo Balbiers, 27, youthful playing captain, in three straight sets.

Main, former Vancouver resident who now makes his home in Toronto, will meet Balbiers in the first single today. Bedard, husky 23-year-old French-Canadian from Sherbrooke, Que., and Ayala will play in the second.

MAIN FAVORED Main, fresh from a seven-month tour of European and United States tournaments, will be heavily favored to beat Balbiers. Bedard, however, will be the underdog in his match with Ayala who Thursday extended Main to the limit. Main's and Willey's collapse in the second and third sets of the doubles Friday was unexpected after they gave Ayala and Hammersley a rousing battle in the 24-game first set. The Canadians at one point led 5-2 in that opening set and seemed headed for easy win, but the Chilean combination suddenly caught fire and never once did they let Main and Willey get ahead after tying the score at 5-5.

NOT DEFENDING TITLE Defending champion Mervyn Rose, Australian Davis cupper, will not be on hand to defend his singles honors, but Mexico's Melita Ramirez, although she is on her honeymoon, will be gunning for her third consecutive ladies singles title. Main, who has just returned from a five-month European tournament swing with Bedard, has a good chance of becoming the first Canadian to win men's singles honors since Brendan Macken of Montreal won the title in 1950. Tony Vincent of New York won the championship in 1951, Dick Savitt of Orange, N. J., was titlist in 1952 and Rose took top honors last year.

AMONG TOP CANADIENS Completing the top eight Canadian seedings are Jacques Giguere of Montreal, No. 5; Jim Bentley of Toronto, No. 6; Henri Rochon of Montreal, 1949 Canadian singles champion, No. 7, and Lawrence Barclay of Vancouver, No. 8. Top seeded among the foreign entries is Benard Barmen, U. S. star from San Antonio, Tex. Barmen is followed in the foreign seedings by Ayala, with Kosei Kamo, Japanese Davis cupper, third. The two other members of the Japanese Davis cup team, which was defeated by Mexico last week, will also be entered in the Canadian championships. Atsushi Miyagi, number two man on the Japanese team, is seeded No. 4 among foreign players, while Reiji Kamo, who was defeated by his brother Kosei in the 1953 Japanese championships, is ranked eighth.

STOUGHTON, England (CP)—A darts club and a football club met in this Surrey town for a cricket match.

POINT GREY GOLF CLUB, Vancouver (CP)—John Landy of Australia, the world's fastest miler, will present the cup to the winner of the Canadian Open Golf championship, it was announced Friday. The Open reaches the final round Saturday.

Sport Echoes From Prince County

Baseball affairs have been moving at a fast clip in Summerside of late. The announcement of the signing of cards touched off a burst of activity with some pretty interesting developments.

The R.C.A.F. Flyers decided not to compete in Island Intermediate playdowns, and Holman's have picked up some of their boys, among them Gunner Cox, Freddie Pittman, Don MacKenzie, Taylor and Jones. Cards are going in for Donnie Simmonds, Joe Bernard and Syl Bernard, and it is hoped these boys will all be competing in the playdowns.

The Intermediates will also have the services of Joe Dalton, one of the Island's top-bracket outfielders, as Joe gave out with his first year eight days too soon for this year's junior squad. Benny Grady, who's been hitting the apple like mad lately, has also been added to the squad.

The C & B Juniors have picked up young Robinson, newcomer to the R.C.A.F. squad. Donnie Cameron, who has been playing for Holmans, will switch to the Curran & Briggs club, and his outfield efforts should make up, at least in part, for the loss of Dalton.

Considering all these developments, it looks as if the C & B team has not much better than held its own in the scramble, and that the Intermediates of Summerside have strengthened considerably. Holmans, needed bolstering, however, more than Johnny Carroll's club.

In spite of all these changes, Holmans may still be a bit weak in the flinging department. Simmonds is the only experienced pitcher, except Taylor, who is still a pretty good reliever. Paul Schurman has shown definite promise with his sinker with which he has shown pretty fair control. Garth Gay can help a bit with his flying saucers, and Joe Bernard might still have something left if he chooses to toe the slab again.

We got a little ribbing recently for calling newcomers like Schurman, Garland Harris and Coke Grady pitchers. The intimation was that we should know that it takes much longer than that to develop a pitcher. Our answer: It takes a long time to develop a major league pitcher, not so long for a triple-A pitcher, still shorter for a double-A flinger, and so on down the line through the classes of A, B, C, D, and "the sticks" of which we happen to form a part.

In "the sticks" we think that a pitcher, able to hold his own, could be developed in a fairly short time, because what the best of them don't know about the art of pitching would make up a fairly large Major League encyclopedia. Coke Grady, with little or no experience on the mound, pitched in Charlottetown against the Abbies, and some of the baseball boys who seem to know the game pretty well, seemed to think it was a very creditable performance. Of course, Coke's effort may have been just a fluke. Perhaps he can't do it again. But we wouldn't be too much surprised if he could. After all, this is the kindergarten of the school of pitching down here, you don't have to know so very, very much in kindergarten. We'll grant, however, that these newcomers whom we have had the audacity to call pitchers should improve steadily with experience.

Summerside is to have the four-man softball team from Halifax playing against our Legionaires next Wednesday at Queen Elizabeth Park. We haven't seen the Halifax quartet in action but if they're anything like the four-man team called "The King and his Court" which we saw in Toronto, no sports fan in the vicinity of Summerside can afford to miss them. The "King" who was the pitcher of the team struck out a large number of Toronto's best softball batters. He pitched almost as effectively blindfolded, struck out one batter from second base, and even pitched to a man from centerfield he walked this batter on four straight balls, but you'd be surprised how close every pitch was to the plate. They beat Toronto's best team by a close margin.

S'side Midgets Defeat Lennox 'sland 13 - 8

The Summerside Midgets maintained their place at the top of the Prince County Intermediate "B" Baseball League last evening by defeating the Lennox Island Midgets at Queen Elizabeth Park by the score of 13-8. Wilfred Barlow went six innings for the Midgets, giving up six hits, striking out five and walking two. He was the winning pitcher. Garland Harris relieved him in the final inning and struck out two, but gave up one hit.

The Midgets collected eleven hits off Albert Bernard on the mound for Lennox Island. Bernard whiffed two and walked four. Purcell had two hits in three trips. Stan Gay, two for four and Garland Harris two for five. Mosey Bernard had three hits in four tries, and M. Sark two in three attempts.

Plans Finalized For Exhibition At Crapaud Next Month; Big Program

A meeting of the recently-organized Crapaud Exhibition Association last evening finalized plans for an exhibition to be held in Crapaud rink on Wednesday, Aug. 25.

A prize list has been prepared and the exhibits will include all breeds of cattle, horses, hogs and poultry, vegetables of all kinds, handicraft and cookery.

There will also be old-time and Scottish dancing competition and other entertainment, including a small midway. The exhibition will begin in the morning and will continue through the evening with dinner and supper being served in the rink.

Apert from the provincial exhibition at Charlottetown, this will be the only exhibition of its kind in Queen's County. Entries, however, will be accepted from exhibitors in any part of the province. Although this will be the first exhibition at Crapaud within the memory of any of the local residents, yet it is of historical interest to note that it was at Crapaud in 1820 that the first exhibition was held in this Province. An official of the present Exhibition Association said last evening that they had received the fullest co-operation from the Provincial Department of Agriculture and business firms in the area in the work of organizing and completing plans for this 1954 exhibition.

Members of the Crapaud Exhibition Association are: President, Max Thompson; secretary-treasurer, Brent C. Wood; directors, John Simmons, George Nicholson, Art Simmons, John Nicholson, B. J. Trowsdale, Eric Lowther, William Waddell, Robert N. Dawson.
