(Special Despatch to Examiner.)

LONDON, May 14.

Reports are current at Vienna of fresh complications in Roumania.

It is said that the Russian Eleventh Army Corps, which has been pressed forward during the past week, is to entirely isolate Bucharest from Little Wallachia, where the Roumanian army is concentrated.

A Russian diplomatic representative has used every effort to prevent Prince Charles going to the army; but the latter's position has been rendered intolerable by the political and military control assumed by the Russians.

In the capital and throughout the country it is asserted that the Russians are urging the Roumanians to refuse to pay taxes and dethrone Prince Charles, whom they denounce as a German and Catholic; but the popular feeling is entirely in sympathy with the Prince.

The Roumanians are looking anxiously to Austria, who does not seem disposed for the present, at least, to go beyond concentration of troops and strengthening the fortresses on the Transyvania frontier.

CONSTANTINOPLE, May 14.

Prince Labaroff, the newly appointed Russian Ambassador to Turkey, has arrived in this city.

VIENNA, May 14.

In the Austrian Reichstrath to-day Prince Auresperg, President of the Austrian Cabinet, in reply to an interpellation respecting the alleged intention to occupy Bosnia and Herzegovnia, said that the views of the Government were unchanged either regarding the end or means. The Government, while striving to secure in Bosnia and Herzegovina a state of things which would prevent periodical recurrence of disturbances which ignore Austria, never intended to withdraw the question from the consideration of Congress which may be convoked for the settlement of the Eastern question. They have never sought to save this part of the question by co-operation with any single Power, all reports to the contrary were unfounded.

PARIS, May 14.

A terrible explosion has occurred at the ammunition manufactory in Rue Berenja. The building was completely shattered.

A serious fire ensued in the neighboring houses, and is still uncontrolled. The number of victims by the explosion, is unknown; but it it believed to be considerable.

NEW YORK, May 13.

Capt. Semetschkin says that the Grand Duke Constantine has learned from the recent war that Russia needs a far larger naval force, and his Government will expend annual 7,500 roubles for its increase. He says he is here to build or purchase vessels suitable for their navy. That the officers and men on the "Cimbria" are to man such cruisers.

No vessels have yet been purchased or chartered. None will be chartered. No privateers will be fitted out here. When our cruisers leave they will fly the Russian flag, and they will be sent to sea without any armament or men, thus not making any breach of neutrality. No torpedo boats nor the Steven's battery have been purchased.

BARQUE *Moselle*, Carew, owned by Peake Bros. & Co., cleared on the 15th inst., in ballast, for Pictou, where she will load coal for Montreal, and proceed thence with grain for Europe.

BRIG *Zinga*, McLeod, owned by Peake Bros. & Co., with a cargo consisting of 7,250 pieces deal and ends, containing 210,000 feet sup. measure, 354 pieces birch timber, containing 5,600 feet, cleared for Liverpool on the 15th inst.

AT the Stipendiary Magistrate's Court, this forenoon, Francis Dalton, drunk and incapable, was fined $2 and costs, or 8 days; Patrick Cavanagh, on complaint of John Williams, for being drunk and assaulting his whole family, was fined $6 and costs or 1 month; John Thornton, drunk and disorderly, was fined $2 and costs, or 8 days.

THE Steamer "Worcester" arrived from Boston yesterday evening, with an extensive cargo, consisting of fruits, flowers, merchandise, etc., and the following passengers: Mrs. B. Graham and child, Mrs. Lea and daughter, Miss Campbell, Misses Bridget Murray, Catherine Balcom, Maggie Ayers, Mary E. Malone, Mr. L. C. McCormack, Mrs. Martin, Miss Carrie Stanlake.

A YOUNG lad named Cavanagh, imbibed very freely in alcoholic stimulants all the forenoon of yesterday, and toward evening became terribly violent. He entered a house on King Street west, occupied by Mr. John Williams, and, by word and act, almost frightened the female portion of the household out of their wits. He was arrested, and for his diversion, fined $6 or one month.

CITY COUNCIL.—The reading of the Codified Bye-laws was resumed last night. His Honor the Recorder, who has just returned from Ottawa, was in his place. The Bye-Laws relating to "Sanitary arrangements and to nuisances," were read. Some discussion arose respecting the placing of merchandise upon the sidewalks in front of stores. A numerously signed petition has been sent into the Council, praying that the present Bye-law be amended. The Recorder gave it, as his legal opinion, that the Bye-law could not be altered. Councillor Morris submitted an amendment to the section of the Bye-law relating to placing of merchandise upon the sidewalks. The amendment was lost.

LAUNCHED, on Monday, the 13th inst., from the shipyard of James Keefe, Esq., Souris, a very handsome and well-modelled brig of 349 tons register, classed A1 for 7 years at English Lloyds. It is asserted, by those who profess to know, that this is one of the strongest and best-finished vessels ever built in King's County, while we may safely say that, for elegance of finish, she has never been surpassed on the Island. The cabins, which are very commodious, have been beautifully fitted up in oak, mahogany and walnut, and reflect much credit upon Mr. John McKay, of this City, under whose superintendence the work was done. She has also been fitted with one of Coffin's "Patent Union Screw Steerers," which is a great improvement over any steering apparatus hitherto used; while every care that skill could suggest has been given by Mr. Keefe throughout the building, in order to make her what she is—a first-class vessel. This fine craft, which has been called the "Annabelle," was built for and is owned by Hon. Daniel Davies, and will be commanded by Capt. A. F. Yates, late master of of the brigt. "Harry Davies."
