ROCKY POINT AGAIN

Sir, — Its a good thing election day is near at hand. We are getting all the bog holes filled up; its not before time. Every day trucks and cars are getting stuck and Mr. Howland Smith had the contract of hauling them out. Premier Jones had better hurry up with the vendors shop, over here — there are a lot of Liberals getting dry. If they don't get it up before the election, there will be a poor chance after, of bulking it up, when Mr. Bell gets in. How is it that a certain person can fill up the gutter along the road and stop the water from running, and everyone else has to put in a culvert?

I am, Sir, etc., A DISGUSTED LIBERAL, Rocky Point.

Forged Cheque Case In Court

A Charlottetown man appeared before Stipendiary Magistrate K. M. Martin in the City Police Court yesterday morning to answer a charge of passing a forged cheque. He had been arrested the previous day following a two-week search by the police after he made a purchase in a local store with a forged cheque for \$25. He was remanded until April 10. Eight other cases were heard which included seven drunks. Three of these received twenty days, one drew a ten-day sentence, one was fined ten dollars and costs or twenty days, and two others were each fined five dollars and costs or five days. A woman, charged with intimidation with threats, was remanded until today.

Aluminum Co. Shows Profit

MONTREAL, April 6—(CP)—The Aluminum Company of Canada Limited today reported a net profit of \$31,087,833 for the fiscal year ended Dec. 31, compared with \$24,495,448 the preceding year.

Net working capital was \$119,116,778 compared with \$68,166,223 the previous year.

The total of capital stock and surplus increased from \$80,455,937 to \$96,492,737 and earned surplus was down approximately \$9,000,000 from the preceding year after appropriation of \$15,000,000 for a common stock dividend paid in 1950.

TAMPA, Fla., April 6—(AP)—A 65-year-old florist shot herself to death today shortly before she was to appear on a charge of stealing Easter flowers from a grave. Mrs. Gertrude E. Bowen was found at her home, shot through the mouth. Beside her body was a .32-calibre pistol.

MAY BE Continued from page 1 Friday was met just north of the 38th parallel. American troops there fought over rugged terrain and met concentrated rifle and machine-gun fire from Communists dug in on hills.

There was no significant action reported from the far eastern front, where elements of two South Korean divisions are 15 miles north of the 38th.

Red Jets in Numbers The Air Force reported five Russian-made Mig jets were damaged when 30 of them picked a fight with 12 U. S. Sabre jets Thursday. Only one flight of jets appeared across the border Friday, and soon fled. The Air Force noted, however, that Red jets "in numbers" were sighted in the air and on the ground in Manchuria across the Yalu River. Allied planes cannot attack there. Eighth Army headquarters estimated 1,180 casualties were inflicted on Communist forces Thursday.

10 MILLION Continued from page 1 tary Fund, long-time bugaboo of the monetary-conscious Social Credit group.

Earlier, the Chamber gave first reading to bills to bring the archaic Weights and Measures Act up to date and to end the long-standing rule that no one can sue the Federal Government without first getting the Government's permission.

Prime Minister St. Laurent announced that Canadian five-cent pieces will be made from steel, instead of nickel, after July 1, due to a shortage of nickel.

Mr. Frudham, introducing his first legislation since he entered the Cabinet several months ago, said the Government hopes the gold bill will help the mines to meet continuing high costs of production and consequently assist northern communities which derive their livelihood from the mines.

Donald Fleming (PC — Toronto Eglinton) suggested the industry was in for a "very great disappointment." A fundamental problem was that it was squeezed between high production costs and a selling price for its product which was fixed by the Government and "tied up" through international agreements.

Cash And Carry

The "store with the largest stock" literally burst open when it could not hold any more. The picture above was taken about 4.30 yesterday morning shortly after the large quantity of oranges behind the 7 x 9 foot plate glass window proved too much for the glass and went crashing into the street. Mr. Stewart MacKay, proprietor of Cash and Carry Stores looks out upon what remains of several hundred dozen oranges and his unexpected open display front in the street which tumbled out in the street was quickly gathered by early "customers" giving Mr. MacKay a remarkably quick turnover despite the early hour.

Mrs. F. M. Nash Heads P. S. S. Parents Committee Mrs. F. M. Nash was elected President of a Parents' Committee for Prince Street School at a meeting held in the School on Thursday evening. Other officers elected include Mr. R. E. Kemp, Vice President, and Mrs. A. W. Matheson, Secretary. The meeting was called to discuss the possibility of forming a Home and School Association in Prince Street, and further discussion will be entered into at a meeting later this month. Approximately fifty parents attended the meeting which was addressed by Lt. Col. L. T. Lowther, School Principal, and Mr. Malcolm MacKenzie, Chief Supervisor of schools.

Provincial Red Cross Executive Hears Reports

Lt.-Col. Leo F. Macdonald, the vice-president, presided at the regular monthly meeting of the Provincial Red Cross Executive held on Thursday last. Mrs. E. M. Bagnall reported having attended a meeting in Souris, accompanied by the Commissioner, Miss I. Arsenault, at which it was decided that a chartered Red Cross Branch would be organized. The following officers have since been appointed to head the newly formed Branch, President, Rev. W. B. F. Corkum; Vice-President, Mrs. Melvin J. McQuaid; Secretary-Treasurer, Miss Helen Foley; Executive Members, Mrs. John MacDonal, Mrs. Peter MacAulay and Mr. Frank Sterns. The chairmen of the different standing committees are to be appointed at the next meeting. The honorary secretary was instructed to send a message of congratulations and good wishes to the newly formed Branch and to state that members of the Provincial Red Cross Executive would be very happy to attend a meeting of the Souris branch in the near future.

It was reported that the sum of \$637.85 had recently been received from the Crippled Children's Fund from the P.E.I. chapter of the Canadian Foundation for Poliomyelitis. This amount was a reimbursement for equipment and other expenditures made through Red Cross funds for victims of poliomyelitis during the past year. The members expressed their satisfaction and appreciation of this splendid contribution from the Polio Foundation Fund. In giving her report as chairwoman of Women's Work, Mrs. E. A. Foster extended an invitation to all present to view the completed garments now being packed in the workshop for shipment overseas to be distributed by the Red Cross Societies in Greece and Lebanon to destitute children. The Crippled Children's report prepared by Miss Verna Darrach showed that there were 70 children examined at the recent clinics held in Charlottetown and that 40 of these children were recent polio victims. Several children were admitted to hospital here, in Halifax and Montreal for operations and other types of treatment during the month of March. The report of the Nursing Services also revealed that many loans of sickroom supplies had been made during the month and that 18 young women completed a course in Home Care of the Sick given two afternoons a week for seven weeks. Mrs. E. M. Bagnall stated that a number of First Aid classes had been completed during March and that the candidates had successfully passed the required tests. She also said that there had been a splendid response to the First Aid Quiz Tests being sent out weekly to those who are in charge of First Aid posts in the Province. The fact that this Province has a credit of only 77 bottles of blood to carry its hospital needs along until the next Blood Donor Clinics which are to be held about the end of May, caused much concern to the meeting when reported by the chairman. This will mean that it will be necessary to exceed the objective set for the next clinics to repay the debt which will have counted up by the end of May, and establish a satisfactory credit for the following three months. Mr. Edwin C. Johnstone, Provincial Campaign Chairman, stated that returns to date for the Province totalled about \$14,000 which includes partial returns from Summerside, Charlottetown and a small number of rural districts.

Names Mountain After Auriol

OTTAWA, April 6—(CP)—The Canadian Government, host for the first time in history to a president of France, has decided to name a Canadian mountain range for President Vincent Auriol. The decision was announced tonight by Prime Minister St. Laurent at a state dinner tendered M. Auriol following his return from a half-day visit to Toronto. Mr. St. Laurent said that one of the Klauve Mountain Ranges in the Yukon Territory will be named Auriol to commemorate the visit of the 66-year-old French President. Only one other person has received a similar honor from Canada. A mountain in the Rockies was renamed Mount Eisenhower on the occasion of the first visit of Gen. Dwight D. Eisenhower to Canada in January 1946.

LOS ANGELES, April 6—(AP)—The government seized the home of actress Veronica Lake today for unpaid income taxes. Officials said Miss Lake and her husband, Andre de Toth, owe \$62,000 for 1946, 1947 and 1948.

P.W.C.-Truro Hoop Game Here Tonight

The Prince of Wales College hoop team, present semi-finalists in Island Physical Fitness basketball playoffs, will play an exhibition contest with the Truro Agriculture College quintet at the P. W. C. auditorium floor tonight at 7.30. The game is a return match with the Truro Hoopmen, the Welshmen garnering a close 27-20 victory over the Aggies at Truro earlier this season. Both teams have smart passing clubs and the game tonight has all the possibilities of giving local followers a top-notch evening of basketball competition.

Saints-R.C.A.F. Open Semi-Finals At S'ide Tonight

The Saint Dunstan's University cagers will open their home and home total point semi-final playoff series with the R. C. A. F. Flyers over the Summerside R. C. A. F. court tonight at eight o'clock in Island Physical Fitness Basketball League play. Saints, who ran through a ten-game regular schedule to end up in a first place tie with Prince of Wales, are the favourites going into tonight's clash against the Airforce boys, the league defending champions, but are planning on getting plenty of stiff opposition from the Birdmen. The winner of the Saints-R.C.A. F. series will meet the winners of the P. W. C.-Y. M. C. A. lead by one game at present.

Island Soldier Back From Korea

Lance Corporal Charles Rodd Young, Hopefield, P. E. I., was among eight Canadian fighting men from Korea who arrived in Vancouver by plane yesterday morning. His mother, Mrs. Catherine Young, Hopefield, received a wire on Thursday advising her of his being on board the plane, and it is expected he will be returned to this Province in the very near future. L.-Cpl. Young was among the casualties on the first Canadian list, released on March 2, and it is understood he suffered a wound in his left arm, and also a slight flesh wound in one leg. Seven other Canadians were on board the plane, five of them being casualties, one a youth under regulation fighting age, and a member of the Canadian Navy on compassionate leave. The under-age soldier was Pte. Michael Lambert of Toronto, who won't be 18 until October. He was in the front lines for a week. The other casualties, listed as "walking wounded" were Sgt. Harry Anaka, Vancouver, Pte. Jim Boyle, Cobourg, Ont., Pte. Rodney Howitz, Coatcook, Que., and Pte. Andy Back, Timmins, Ont.

Many Visitors To Chamber In Winter

There is no such thing as an off season for historic Confederation Chamber here. Winter means little to the many hundreds of Canadians who want to visit the room where Canada was born. With the worst three months of the year just passed to offer little inducement to tourists there still have been enough visitors to fill seven pages in the "guest book". Among them have been citizens of seven Canadian Provinces and four foreign countries. The only Provinces missing were British Columbia, Saskatchewan and Newfoundland. Visitors from away came from such widely scattered countries as England and Korea, Greece and the United States. The caller from Korea left a message—probably in his own language—but the reporter could not decipher it.

Vice-Squad Officers Raid Mansion

HOLLYWOOD, April 6—(A)—Vice-Squad officers raided a luxurious mansion in the Hollywood hills today—decorated with autographed photographs of some movie stars—and arrested six women and five men. Officers said Barrie Benson, 29, who lived in the house with her three-year-old daughter, was the "madame." They said Miss Benson's \$100-a-visit "purple room" was finished with a king-sized bed, rich rugs, ivory figures and knick-knacks. Police confiscated a black book which officers said contained the names of hundreds of persons—film stars, writers, artists, musicians and business men.

Those Good Old Days

It is an old saying, "What a whale of a difference a few years make". That is especially true of the cost of living as every householder knows. Remember back in the early days of the war when people complained at the high (5) prices? Well just take a look at what money bought then by comparison with current costs. On the basis of 14 items of household use, mostly food, costs have risen 123% since the spring of 1941. Here they are:

Table with 3 columns: Item, 1941 price, 1951 price. Items include Flour, Bacon, Lard, Eggs, Butter, Tea, Grape Fruit Juice, etc.
