WITH GLOVES ON.

The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used PHOSPHOLEINE. I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the best purifying remedies and of Sarsaparilla in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is a rare one, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c., E. C. NEWBERRY.
