

AT C.W.L. Diocesan Convention Dinner Meeting the President, Miss Grace L. Caughlin, M.A., 1st National Vice-President, Mrs. B.W. DesRoches (left) of Miscouche chats with guest speaker Miss Grace L. Caughlin, M.A., 1st National Vice-President, Catholic Women's League of Canada, of Woodstock, N.B.

Education Is Stressed By Vice-President Of C. W. L.

Education in general is the greatest thing in man's life and something we cannot afford to be complacent about," Miss Grace L. Caughlin, M.A., 1st National Vice-President Catholic Women's League of Canada said in an address at the dinner meeting of the 36th annual P.E. Island and Diocesan Convention at the Charlottetown Hotel last night.

Miss Caughlin described the activities of the Canadian Conference on Education in Ottawa last February which she attended, and several of the major conclusions reached by the 850 delegates in attendance representing 70 National organizations with a membership of two million.

"More and more schools will be needed as Canada's birthrate is at the unprecedented level of 28.1 per thousand. This is higher even than India's. After World War I the rate was 13.3 and in 1937 it was only 9.6 per 1000. In 1957 there were over 3,190,000 children in the schools of Canada, of these 2,700,000 were in the elementary grades. There are over 5,443,000 children under 15 years in Canada, roughly one-third of our population, but the small birthrate of the 1930's, the depression years, is the group to furnish teachers for the present, so the problem is to find the thousands more required.

Crapaud Exhibition Has Largest Livestock Entry

The largest livestock entry ever to be shown at Crapaud will take to the show ring tomorrow. Crapaud which is the newest fair to be held in the Province, has fast become one of the most outstanding.

President Max Thompson of the Crapaud Exhibition Association said last night, "the only thing needed to make the show an unqualified success is good weather".

The Exhibition will be officially opened at 2.00 p.m. by His

Honor Lt. Governor Hyndman. The judging will start at 10 o'clock in the morning.

A new building for handicrafts and household science exhibits has been erected on the grounds. These new facilities should add greatly to the show.

Highland dancing which has added so much to the attraction of the Crapaud Fair will again be in evidence this year. In the evening, a three hour program of festivities will be held, starting at seven o'clock.

Heavy Rains Cut Turnout At North Rustico Clinic

PAGE 2 HEAVY RAINS Last night's torrential rains undoubtedly made it difficult for some of the regular donors to turn out for the Red Cross Blood Donor Clinic held at Stella Maris Hall in North Rustico. Although 132 donors braved the elements this was rather a disappointing result for chairman, Mr. Bert Blacquire and other members of the North Rustico Legion Branch which sponsored this Clinic.

It was estimated that some of those who had been donors at North Rustico in other years attended the New Glasgow clinic in the afternoon since these centres are so close together. How-

ever, the total for the day of 217 on an objective of 275, while 58 short, was considered to be a very good response when taking all things into consideration.

Members of the North Rustico Legion Branch, their Ladies' Auxiliary, the Avonlea Women's Institute and the Stella Maris Sub-division of the Catholic Women's League all joined together in providing willing helpers at the clinic as well as refreshments for the donors.

Today's clinics are to be held in Canoe Cove Hall this afternoon between 2 and 4 and this evening at Belfast Hall in Eldon between 8 and 10, with an objective of 250 for the two sessions.

deserving families, food fuel and other comforts. The total amount spent for welfare work in the Province was approximately \$5,000.00. All sub-divisions gave assistance to immigrants living in their communities by visiting and inviting them to their homes.

CITIZENSHIP

An active part was taken by members in every worthwhile community project and sub-divisions are well represented on local and civic boards. The special Diocesan project for the year was assistance given the Catholic Family Centres in Charlottetown and Summerside. Each sub-division made a special contribution amounting to a total of \$1,611.15. The report of the treasurer, Miss Gertrude Coady indicated a sound financial condition.

Conveners reporting were Spiritual, Mrs. Joseph MacDonal; Education, Mrs. Basil MacDonal; Citizenship, Mrs. Donald Gordon; Immigration, Mrs. C. St. Clair; Trainer, National Scholarship, Mrs. Anthony Doucette; Social Action, Mrs. J.E. Fleming; Radio, TV and Films, Mrs. Joseph Callaghan; Girl Guides, Mrs. Wilfred Perry; Press, Mrs. John A. Macdonald; Resolutions, Mrs. Raymond Smith; Finance, Mrs. Allan J. Macdonald; Report Forms, Mrs. John L. Beaton; Honorary Members, Mrs. Albert MacCardle, Our Lady's Missionaries, Mrs. Frank Connick; Crusade for good reading, Mrs. F. Dunn; Publicity, Mrs. L. Aresnaul; Organization, Mrs. Alfred Gillis, Prince; Mrs. Howlan Mulally, Kings.

Speaking on the Convention Theme: "The Role of Catholic Women in fostering Religious Vocations," Rev. J. G. MacCormac, Provincial Director recommended the vigorous application of several resolutions, stressing that by prayer and example, the young people be encouraged.

He also urged that those who can afford to assist financially should do so liberally and gladly as an obligation.

He suggested that in this Province, instead of one big frozen food plant, why not one in each county since fruits and vegetables are perishable products. He felt, too, that a starch factor was a necessity. It had proven a great help in handling the surplus potatoes in New Brunswick this year.

Need for a marketing agent was noted. Last year New Brunswick sold potatoes to South America and had to come to this Province to complete the orders. With a marketing agent the Province could sell direct.

MR. MYERS Mr. Myers spoke only briefly. He expressed thanks for the support in the byelection which elected him and to the convention for unanimous support in his nomination.

He, too, said that the great roadwork projects now in progress would not be possible were it not for the money coming from Ottawa. In addition to seven and a half million for road work, the province is receiving another eight million dollars—including special grants—from Ottawa.

Jr. Farmers Score Success At New Glasgow Blood Clinic

The Junior Farmers of New Glasgow, headed by Mr. Elbert Orr as Chairman, scored a decided success yesterday afternoon when 85 blood donors were registered at the first Red Cross Blood Donor Clinic ever to be held in this centre.

This clinic, which was held in the New Glasgow Junior Farmers' Hall, was staffed by the

Ladies' Aid of the New Glasgow Medical Centre who also supplied the refreshments for the donors, while members of the Junior Farmers' organization were on hand to render assistance with many other tasks in connection with the clinic.

There was a notable attendance of new donors at this clinic the larger proportion of whom were women.

Fisheries Act Cases Are Heard

SUMMERSIDE - Several cases under the Fisheries Act received disposition yesterday in Magistrate's Court, Summerside by Magistrate R. S. Hinton, Q. C.

The cases were prosecuted by Fisheries Officer Norman MacLeod.

A party from Cape Egmont was fined \$10 and costs for possession of undersized lobsters. The accused was found in possession of 19 short lobsters in a catch of 131 lbs.

A Summerside man paid \$10 and costs for possession of berried lobsters (eggs attached) and a party from Mont Carmel was fined \$25 and costs for setting lobster gear before the official opening time.

United Church Mission Opens At Alberton

ALBERTON - The Alberton United Church mission began last evening. Worship was led by Mr. William Bowering, student-assistant to Rev. J. M. Sproule, minister of Alberton pastoral charge.

The service opened with a hymn-sing led by Dr. Peter Macdonald of Crapaud with Mrs. Keith Rogers of Charlottetown as organist. The Alberton choir led the service of praise and sang, "In the Garden," as a special selection.

Rev. H. B. (Jim) Jones based his first message on the fifth chapter of the gospel according to St. Mark, bringing the thought that Jesus can supply every need of those who believe in Him.
