In search of the green

By Inge Dorsey

Well, things certainly are coming to a close. Spring has sprung and the Easter Bunny is coming. Of course, we all know this is indicative of other things, final exams are just around the corner.

With that in mind I would like to remind all SENIORS who have a Canada Student Loan that it is your responsibility to contact the lending institution with whom you have your loan to negotiate the terms of repayment. It is advisable to do this as soon as possible as the six month "grace" period can slip by before you know it. If you have any questions regarding repayment of your loan you can drop by and see me or pick up the pamphlet "Repaying your Canada Student Loan" available at Student Services.

Below are some bursaries with upcoming deadlines. Next week I will list all those bursaries with deadlines in the spring and summer.
