"Mr. and Mrs. Malone," in their song and dance, "captured the house" and were three times recalled. Professor Lloyd's talkephone was also laughter-provoking. Special Correspondence of The Examiner

A Pleasant Time.—There was a very pleasant time at High Sheriff Gaffney's residence on Central Street, on Wednesday evening, on the occasion of the presentation of the Governor General's silver and bronze medals for the years 1894 and 1895, to the winners—pupils of the High School. The pupils, their parents and a few friends were present. The Sheriff, who is also Chairman of the School Board, cordially welcomed his guests, and in a short address made the presentations. Miss Ellie Clark was presented with the silver medal for general proficiency in the 8th grade for the year 1894, and Miss Maud A. Green was the winner of the bronze medal for the same year. Miss Louisa J. Gaffney carried off the silver medal for this year, and Miss Mary Brace won the bronze medal. After the presentation the Sheriff and his daughters, the Misses Gaffneys, entertained their guests with ice cream and cake. Some fine instrumental selections were beautifully rendered on the piano by Misses Green and Brace and some duets sung by young ladies to the accompaniment of Miss Maud A. Green who is one of Summerside's most accomplished pianists.

Verdicts.—A good speech is a good thing, but the verdict is the thing.—Daniel O'Connell.

The case of Zion Church picnic was submitted to a large jury yesterday at Morell, and the unanimous verdict was that the managers had again gained their point. A large number of scholars, with parents and visitors, took the train at Charlottetown, and after a pleasant run, reached the grounds. The occupants knew they were in safe hands when they found that Conductor Tanton and Driver Craswell were at the helm, and a most enjoyable day was pent on the banks of the Morell River. The sports committee, Messrs. Ross and Kennedy are to be congratulated on the splended programme, so well arranged, contested and carried out. In this connection the managers wish to thank Messrs. Haszard & Moore, J. T. McKenzie, T. B. Alchorn, D. A. Bruce, Alex. Bruce, John McLeod & Co. and James Paton & Co. for valuable prizes given. The also desire to return thanks to Mr. Cox for the use of his field, and to all others who in any way contributed to this successful picnic. A number of Britain's tars were present and contributed not a little to the enjoyment of those present. We hope they will carry away favorable impressions of the Island.

Another success was the First Methodist Church picnic at Red Point, on the beautiful grounds of John Maceachern, Esq. Prizes were awarded successful competitors in the various games. About five hundred children and a large number of adults sat down to dinner. The 82nd Battalion Band was present with a choice programme.

The League of the Cross picnic at West River was also a decided success—the best in the history of the League. There was a large attendance, and the sail up and down the river was thoroughly enjoyed. The usual games and amusements were provided on the grounds, and entered into with spirit. The League band played well and contributed much towards the day's enjoyment. The members of the League and the Reverend Director are sincerely grateful to all, but most particularly to the ladies in charge and those assisting, and to the generous contributors.

For Boston.—The Olivette left on return to Boston this afternoon with a general freight and the following passengers: Isabelle McKinnon, Lorne Anderson, E M Proud, G L Smith, Mr McCoy, G A Walkephone was also laughter-provoking. The boxes and balcony were decorated with flags. There will be another performance to-night when a still larger audience is expected. The proceeds go towards the hospitals.

LETTERS TO THE EDITOR.

AN EXPLANATION.

Sir,—In your paper of yesterday an anonymous correspondent, over the name of "Taxpayer," states that "in all cases bills rendered to the taxpayers do not correspond with the assessors' books." "Taxpayer" then proceeds to insinuate that there is something wrong and calls for a Dr. Parkhurst, etc. This statement is capable of being read as it *all* the notices did not agree with the assessments, and in order to prevent that false impression going about I desire to say that at the hearing of the assessment appeals, but one notice was found to be different from the assessment, and considering the fact that 2500 notices were sent out, it would not be very surprising if an occasional error were made. I think, however, that in justice to the officials against whom a serious insinuation is attempted to be made, "Taxpayer" should append his own signature to this statement in order that those charged with misdoing should have an opportunity to explain or defend themselves.

I think also, Sir, that before publishing so serious a charge as the one referred to, it would be only fair on your part to verify the facts; and failing that, to require your correspondent to affix his name to his letter. Yours, etc.,

Edward Davy,
Chairman of Assessors.

OBITUARY.

Mrs. Ann (Cameron), the beloved wife of Daniel McGregor, Esq., died at their home, Union Road, Lot 51, King's Co., June 24, 1895, aged 66 years. Her husband, with five sons, three daughters and many friends sadly mourn the loss which they sustain in the death of Mrs. M., who was beloved by all to whom she was well known. For many years the departed sister was a member of the Church of Christ at Montague, and in that relation, as well as in every department of life's duties, she was faithful and true. She rests from toil. "He giveth His beloved sleep." "It is well."

GENERAL TELEGRAPHIC NEWS.

Tocoma, Wash., July 9.—Mrs. Mattie Chambers, of Centralia, has received an infernal machine. Her father says the box containing the machine was addressed to her by a Christian church minister who was jilted by Mrs. Chambers about a year ago and was last heard from at Raleigh, N. C. The postmaster was suspicious and opened the package.

Montreal.—July 10—A Star cable says there were heavy declines in Anglo-Canadian trade in June. The exports to Canada decreased 19 per cent in that month and 8 per cent in the six months up to July 1. The six months imports from Canada decreased 26 per cent in June and there was a 12 per cent declide in wheat in the six months named. This balanced the increase in flour. Cheese declined £80,000; fish £50,000; and wool £210,000.

Londonderry, July 8.—The Irish National Convention met in Omagh, county Tyrone, twenty-two miles from here yesterday, and was the scene of constant disturbances. Owing to the disputes between Timothy Healey, John Dillon and Dr. Kenny, no chairman could be appointed, and the organization of the convention could not be effected. A strong force of police was stationed outside the building in readiness to quell any violent disorder.

Bucharest, Roumania, July 9.—A cloud burst on Saturday night destroyed half of the village of Olanesoi, in the district of Valcea. Many persons perished and ten bodies have been recovered.

Paris, July 10.—The Journal's correspondent at St. Petersburg announces the discovery near Moscow of an extensive conspiracy against the life of the Czar. Winnipeg, July 9.—His Grace Archbishop Langevin and Rev. Father Guillette, rector of St. Mary's church, leave for Quebec next Thursday on an important mission. Their object is to raise funds for the support and maintenance of the Roman Catholic separate schools in Winnipeg and the province, and they propose to accomplish this object by means of an allotment or prize drawing scheme. The details of the plan have not yet been arranged, but it is understood to be the intention to have the drawing take place in the province of Quebec, tickets for the same being on sale in all the chief cities of the Dominion. The principal prizes will be choice lots in Winnipeg, and also farms located in the province of Manitoba. The promoters say that it is absolutely necessary that money should be raised to maintain the separate schools and they think that this means, coupled with the object, will prove most effective.

Police Court.—This forenoon one drunk, Martin Power, was fined $2 or 10 days.
