Holiday Out

Wednesday being a half-holiday in the City, it would be well for citizens of Charlottetown to consider advisability of taking a run over new road-surfaced roads in Charlottetown clear through to Alberton to the Exhibition which takes place there on that date.

You will have the opportunity of seeing the hard-surfaced roads of Alberton as well as the Exhibition which is second to no County Exhibition in the Province. It is only an hour and a half to a two hour drive. If you have time, swing up through Kildare and Montrose down along the North or South side of Lot 5 River and view some of the scenic beauty that is not equal elsewhere in the Province or you could swing over Northwest from Alberton, take in Ebbesfleet, see the new Government fabric establishment and the Community Garden where thirty-three fishermen have undertaken co-operatively to show the Province the best Community Garden that has been known up to the present time in the Province.

Do not forget it. It is an opportunity which if you embrace you will never regret.
