STOCK QUOTATIONS

Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, April 29—Foreign exchanges remain unchanged but the Paris market was weak today. The reason given is the strength of the Lefitist party in France. Steel statement for the first quarter for the most part was disappointing and will probably provide a test for the market this morning. Other statements, including annual statements, however, were rather good. Packard Motors in the first quarter reported 8 cents a share against a loss for the first quarter of last year. Phillips Petroleum 76 cents against 37 cents. Inter. Business machine $2.62 against $2.47. Yellow Truck 25 cents against a loss last year. Borden declared regular dividend 50 1-8. Dividend meetings scheduled for today are American Tobacco, Westinghouse, Ingersoll Rand and Parker Rustproof. We would look on the first thing this morning and would be governed by the manner in which the market acts the first few hours. We believe there is a rally in the making but which may come from lower levels than yesterday.

NEW YORK, April 29—Selling continued in the stock market yesterday, but more resistance was in evidence and losses at the close were in most instances nominal with some plus signs showing. It would seem likely that prices would be followed by further selling movements. The best sign this market can show is for activity to die away on selling rather than on advances. But, while the market is probably not out from under, reactionary influences as yet, its fundamental trend has not been changed. Business news is pretty good and should stay pretty good with the trend of earnings remaining upward. Thus when further selling appears in stocks one should be considering what to buy. One issue we believe should be picked up on further selling is Great Northern Pfd. Ore shipments should expand considerably for this company in 1936 and with improvements in some other lines an earning power should develop which makes the stock appear very attractive at current levels.

Pivotal Shares Suffer Losses On N. Y. Exchange

(By Frank MacMillen)
(Associated Press Financial Writer)
(A.P. By Guardian's Special Fire)

NEW YORK, April 29 — Jittery stock market traders scuttled for the sidelines today, in the process kicking the props out from under many of the pivotal shares for losses of 1 to 4 points, with a few wider breaks.

The decline was conspicuous for the "blue chip" character of its leadership. American Telephone led the retreat to finish off 6 points after being down more than 7 for a time. An appreciable number of active issues scored new lows for 1936.

The day's volume of transfers was held to moderate levels in spite of the severity of the decline. Dealings totalled 1,785,400 shares compared with 2,231,520 on Tuesday.

Liquidation was stimulated following the passage by the House of Representatives of the new federal corporate tax bill.

The Associated Press average of 60 stocks declined 1.5 points at 57.3. The utilities composite of 15 issues, off 1.4 at 43.4, was at the bottom for 1936.

Included in the active group, with losses of 1 to 4 or so, were such prominent shares as U. S. Steel at 55 3-4, off 4 1-2, General Motors off nearly 3 at 60 3-8, Chrysler about as much at 93 5-8, Anaconda down more than 2 at 32 1-8 and Bethlehem off 4 1-2 at 46.

International Nickel closed at 44 1-8 after opening at 44 3-4, for a net loss of 1 1-4. Canadian Pacific lost 1-2 at 11. Dome Mines however advanced 3 1-2 points to 53 1-4 while McIntyre added the same amount to 45. On the Curb Lake Shore added 7-8.

On the cheerful side was the estimate of "iron age" that current steel production is at 69 per cent of capacity, an upturn of 1 point over the preceding week.

Downward Trend On Mt'l. Exchange

(C. P. By Guardian's Special Wire)

MONTREAL, April 29. — Buyers failed to come to the aid of a heavy market today and downward action of Montreal Stock Exchange list continued unhalted.

Gains were posted for a few selected issues but the going was slippery for papers, utilities, constructions, liquors and metals. Banks did little.

Pressure of heavy sales sent Nickel down to 43⅞ before the price recovered to close at 44¼, off 1¼ net. A smart recovery was staged by Hollinger at 15, up ¾, but Smelters lost a couple of points on odd-lots.

Constructions held well for a time but closing quotations showed fractional losses for Canada Cement, Dominion Bridge, Hamilton Bridge and Gypsum. Cement Preferred eased a point while Steel of Canada firmed ¼.

A tendency to drift lower was exhibited by most of the papers. St. Lawrence Corporation preferred gave up a point and Bathurst, Howard Smith and St. Lawrence Paper preferred finished off slightly.

A couple of utilities rallied and managed to close unchanged. Losses of a point or so each were shown, however, by Bell Telephone and Quebec Power. Power Corporation and Brazilian shaded a little.

Outstanding bright spot was Dominion Textile preferred, up two points on its first board-lot sale in recent weeks. Distillers Seagrams yielded a point and declines of ⅛ each were boarded for the "A" and "B" shares of Canadian Industrial Alcohol.

Sales 22,211 shares; bonds $8,600.

MINING

(Canadian Press)

TORONTO, April 29—Forces, the origin of which was not apparent to the rank and file, administered a strong tonic to the mining share market this afternoon and it exhibited one of the sharpest rallies of the past week. Net gains ranging up to $3.75 were posted in the golds. The exchange index for the golds advanced nearly 5 points to 130.93 while the miscellaneous section did not better than hold its ground. Volume was up 340,000 shares from Tuesday at 980,000 shares.

Dome closed at 53 for a net gain of 3 3-4, McIntyre gained 3 1-2 to 45 and Lake Shore and Hollinger advanced 7-8 cents each. Pioneer and Wright Hargreaves were up 25 to 40 cents each and Teck Hughes and Bralorne up 15 to 20. Two other sharp gainers were Little Long Lac and Pickle Crow, both up 25 to 40 cents.

The medium-price gold group was featured by heavy trade in hard rock, a gainer to the extent of 24 cents on a turnover of 110,000 shares. Macassa advanced 22 to 3.75 and San Antonio added 25 cents, closing at 2.50.
