IT'S EASY TO PLACE YOUR GUARDIAN-PATRIOT WANT AD

Charlottetown 8506 — Summerside 8031 — Montague 97-2 — Souris 32-3 — Alberton 68-2

IN MEMORIAM

BELL — In loving memory of Mrs. Alton J. Bell, who departed this life on November 19, 1948.

Down the road thats calm and peaceful
Guided by God's knowing hand.
She has gone upon a journey,
To a distant brighter land.
She has gone where footsteps never grow weary
Away from sorrow and pain
In the beautiful kingdom of heaven
She is waiting to meet us again.

Lovingly remembered by husband and family, Alton, Eric, Leigh, and Laura.

BRADLEY — In loving memory of Mrs. Frank Bradley, South Melville, who passed away November 19th., 1950.

Peacefully sleeping and resting at last,
Your weary trials and troubles are past;
In silence you suffered, in patience you bore
'Till God called you home to suffer no more.

Always remembered by her family.

MACDOUGALL — In loving memory of my dear husband Charles A. MacDougall, who passed away November 14, 1941.

Time seems long, the year have passed,
Since death its gloom its shadows cast.
Within our home, where all was bright,
God took from us a shining light.
We miss that light and always will,
Dad's vacant place there is none to fill.
Down here we mourn, but not in vain,
For up in Heaven we will meet again.

Lovingly remembered by his Wife and Family.

MCGUIGAN — In loving memory of a loving husband, father and grandfather, Wilfred L. McGuigan, who passed away November 19, 1955.

Fondly remembered by his wife, daughters, Frances and Elaine, grandchildren, Barbara and Paul.

BELL — In loving memory of our sister, Mrs. Alton Bell, who passed away November 19th. 1948.

There is no parting from those we love.
No distance can divide
For today in memory's garden.
We still walk side by side.

Ever remembered by Brothers and Sisters.

IN MEMORIAM

In fond and loving
memory of
MRS. ARTHUR
MacKENZIE
Charlottetown, P.E.I.
Who passed away
Nov. 19, 1957.
Ever remembered by
Husband and Family.

Brandon Takes Miner, Family

NEW GLASGOW (CP)—Mayor James Creighton of Brandon, Man., said here Monday his city has adopted a family from the disaster-torn mining town of Springhill, N.S.

The family, Ken Smith, 32, his wife and their 12-year-old child, will move to Brandon soon as "'we find them a house and a job," the mayor said.

Smith was one of the survivors of the Oct. 23 mine cave-in that took 74 lives. Mr. Creighton spent the weekend here after visiting Springhill to talk with the family.

The Smiths will be the second Springhill family adopted by a Canadian city. Calgary announced last week it would provide a home and job for miner Tom McManaman.

Faces Trial In Hunting Death

PICTOU, N. S., — (CP) — A 27-year-old navy petty officer, Stewart Kendall Baker, of Dartmouth, N.S., was committed to Supreme Court followng preliminary hearing here Monday on a criminal negligence charge in the shooting death of a hunting companion.

Baker was charged following the death of Ordinary Seaman Douglas Slack, 20, of Dartmouth, while they and two other navy men were hunting in the nearby Dalhousie Mountain area Nov. 1.

The next session of Supreme Court here opens in May.

Cancel Bluenose Trips Dec. 24-25

HALIFAX (CP)--Cancellation of a round trip of the Canadian National Railways' passenger-auto ferry Bluenose between Yarmouth, N.S., and Bar Harbour, Me. on Dec. 24-25 was announced Monday by H.A. Pickering, superintendent of the railways' Halifax Division.

"In previous years there has been no traffic handled by the Bluenose on Christmas eve and Christmas Day," he said. "In order to permit the officers and crew to enjoy Christmas at home the CNR has decided to cancel the sailings on these two days."

Profit From Pigs

Feed Baby Pigs from 2 to 3 weeks old with Master Pig Perk Pellets, a fortified feed that builds resistance to growth-stunting diseases. After feeding 25 to 50 lbs. switch to Master Pig Starter. These two feeds prepare your Pigs for future profits. It is results that count!

Seaway Toll Schedule To Be Fixed Next Month

By ROBERT RICE
Canadian Press Staff Writer

MONTREAL (CP) — Tolls for ships and cargoes moving through the St. Lawrence Seaway within five months are expected to be formally confirmed next month by Canada and the United States.

The toll schedules, it is understood, are to be incorporated in an agreement between the two countries, not a formal treaty which would require U.S. congressional approval and could open the toll issue to political pressures from anti-seaway groups in the U.S.

The big question is whether Canada will resist the loud outcry against charging tolls for transit of the Welland Canal between Lake Ontario and Lake Erie, an all-Canadian route built more than 25 years ago and operated free for all since then.

Many Canadian shippers have fought tolls for the Welland, which is legally part of the new seaway according to Canada's seaway legislation.

SEAWAY COST $475,000,000

Both the Canadian and American seaway authorities are charged by law to levy tolls to pay off the $475,000,000 seaway cost in 50 years. A proposed toll schedule, announced last June, set up a composite system that is expected to be left substantially the same in the proposed U.S.-Canada agreement.

It called for four cents a ton on the ship's gross registered tonnage, 40 cents a ton for bulk cargo and 90 cents a ton for general cargo for ships using the new seaway's seven locks and four canals between Montreal and Lake Ontario.

For using the Welland Canal, the toll amounted to two cents a ton on the ship's GRT, two cents for bulk cargo and five cents for general cargo.

This produces a total toll for ocean to lakehead ships of six cents on the ship's tonnage, 42 cents a ton for bulk cargo and 95 cents a ton for general cargo. Shipping observers generally regard the tolls to be fair.

Some marine experts say it is possible that Canada may bow to the Welland toll opposition and keep the Welland toll-free. This would require parliamentary legislation to amend the Canadian Seaway Act, and time is running out for such a move.

A six-man toll committee, from each country, spent seven years studying potential cargo expected to use the seaway when it opens in April, 1959. They estimated that 25,000,000 tons cargo—much of it iron ore and wheat—would move through the seaway each year for the first decade, then gradually increase to 50,000,000 tons a year.
