STRAWBERRIES and Ice Cream at "The Confectionery."

REMOVAL.—The Crown Lands Office will, to-day, be removed to the old Provincial Building.

FLORICULTURAL.—The Patriot directs attention to the fine show of pansies in the garden of William Murphy, Esq.

CORRECTION.—Mr. John Beaton—not H. Beaton—was the builder of the tasteful cottage of Geo. E. Full, Esq.

MR. ALBERT SIMPSON removes from the South to the North Side of Queen Square in the course of a few days.

FRESH MACKEREL.—Some of the finest mackerel we ever saw were on sale in this city on Saturday.

ACCIDENT.—A lad named Hawkins had his thumb shot away on Friday last. He was playing with firearms.

STRAWBERRIES, Gooseberries, Cranberries, Green Peas, Cucumbers, Asparagus at "The Confectionery."

VERY OFFAL.—The number of dead animals which poison the air in various parts of this City.

HOW LONG, O. City Councillors, how long are you going to permit the dust nuisance to remain unabated?

THE DUST NUISANCE.—A very little money would provide a few water-carts with which to sprinkle our streets.

THE RECORDER'S OPINION.—It is, we understand, the Recorder's opinion that the recent appointment of School trustees for the city are not legal. This was the purport of an opinion delivered by him before the City Council on Friday evening last.

MASONIC.—The regular communication of King Solomon Lodge A. F. & A. M., will be held in their Lodge Room, Victoria Hall, Water Street, this evening.

SUBSCRIPTIONS to the DAILY EXAMINER sol cited. Terms:

Payment strictly in advance.

CORRECTION.—The paragraph which appeared in a late issue relative to the dismissal of the Chief Clerk of the Queen's County Court was, we regret to learn, incorrect, as to the ground of the dismissal. We are informed that it was not occasioned by personal quarrel with the Judge.

ATTENTION is called to the advertisement of James McDonald, Esq., in another column. Mr. McDonald is well known as one of the most attentive hosts on Prince Edward Island. We wish him abundant success in an enterprise which should be encouraged by all who go to Souris.

It is hardly necessary to call attention to the advertisement of Messrs. Bourke Son & Co., in another column. It is a pattern for all who desire to advertize well and who wish to assist in building up the daily newspaper of Prince Edward Island. Messrs. Bourke, Son & Co. carry a splendid stock, and sell their hardware at very reasonable rates.

SALE OF C. C. GARDINER'S PROPERTY.—This fine property was sold at Auction by W. Dodd, Esq., on Saturday. Handsome prices were realized, as the following list of sales will show:—

John Ball purchased 1 Lot for	\$239 68
John Corbett, 10 lots for	4260 18

LACROSSE—A very pleasant and successful game was played in Victoria Park on Saturday afternoon. The goals were pitched at 4 o'clock and the game was spiritedly kept up until six. Twenty members of the Club took part in the exhilarating pastime afforded by our national game. Several spectators were present and great interest was displayed—so much, indeed, that the Club received valuable additions to its strength. We have no doubt that in the course of a few months our Charlottetown Club will feel justified in challenging to a friendly encounter the champion Lacrosse players of Toronto or Montreal. Any one wishing to join should send in his name to the Secretary of the Club—Mr. Daniel Davies, jr.

Local and Other Items.

FRESH Bedeque Oysters, by the quart or bushel; or served up at all hours, stewed, fried or raw, at "The Confectionery, Lunch Room.

ASPARAGUS, Rhubarb, New Bermuda Onions, Bananas, Pine Apples, Spanish Lemons, Oranges, &c., just received at "The Confectionery."

REGATTA.—We call attention to the addition of the advertisement of St. Patrick's T. A. Society Picnic, which states that a Regatta will take place on the Hillsborough fronting the Picnic grounds, at one o'clock on the same day.

THE EASTERN QUESTION.—How long will the too slowly decomposing remains of that cat continue to haunt the vicinity of a much used pump in the north-eastern part of our City, while the executors of the law, hold their noses "and pass by on the other side."

CONDUCTOR WOOD and engineer Sprague made a fine trip last night, having left Summerside with the steamboat express, some 3 1/2 hours late, being detained by the non-arrival of the steamer, but coming down in 2.20, a distance of 49 miles. It is a pleasure to know that this train is in the hands of such old railroaders as Messrs Sprague and Wood, who, we think, might be allowed to make shorter trips between the two points by only stopping at a few places.

While giving Conductor Wood and Engineer Sprague credit for the above, which was copied from the Patriot, we must not fail to credit Conductor Kelly and engineer McFarlane with a better trip on Monday evening last. Left Summerside at 7.50 and arrived at Beers' Tank at 9.57, a distance of 48 miles in 2.07.

CRICKET.—A cricket match between the married and single men of Charlottetown took place at Victoria Park, at 2 o'clock, p. m., on Saturday. The married men were laboring under a small disadvantage in not having their full eleven, and victory was not expected by them. However, the first innings resulted in their favor. They scored 50, while the single men only scored 32. By this result the married men thought they would easily carry the day. But the single men went to their wickets with the resolution of winning and returned victorious, carrying the game by 22 runs. We note in the young men's side the batting of Messrs. Vernon and John Longworth as been remarkably good, while on the other's the batting of Messrs. Disney, F. S. Longworth, W. C. Hobkirk and B. Davies, jr., each making double scores, was very good. On Saturday next the return match may be expected.

To the Editor of the Patriot.

SIR:—In this morning's issue of the Examiner appears a communication signed "Traveller" in which he insinuates that the business of the "Intercolonial Express Company" is not efficiently performed. If the writer had known that the Agency in this place was not properly opened until yesterday (June 1st) he might have advantageously saved himself the trouble of writing upon matters he appears to be thoroughly ignorant of.

However, he may err again, and for his information I may say it is not customary for agents to suit the whims of every "Traveller" by dead heading Telegrams, thus saving the directly interested twenty-five cents.

I shall strive while I am agent of this Company to give every satisfaction to the public. It is only because the strictures of "Traveller" are unwarranted and unjust, that I take the first opportunity of contradicting them.

Yours very truly,
THEO. L. CHAPPELLE,
Agent Intercolonial Express,
Charlottetown, June 2nd 1877.
