Local Girl Guide For B.C. Camp

Marina Kays, 15 year old daughter of Mr. and Mrs. Frank N. Kays of 19 Hillside St., is one of the twelve Canadian Girl Guides chosen to go to an adventure camp at Lake O'Hara, B. C. this summer.
Attending Notre Dame Academy, Marina is a member of the St. Peter's Girl Guide Group. She was chosen from several girls who had entered their names for the chance of being selected. Among the qualifications necessary for the selection was the holding of the Religion and Life Emblem and being an all round camper. Last year she won a first prize award in the piano class at the musical festival.

She is going to the camp through the generosity of the former chief commissioner of Canadian Girl Guides, Mrs. P. E. S. Wishart of Toronto. When Mrs. Wishart retired she was presented with a cheque to spend as she wished. She will use the money to send Marina and 11 other girls to the camp. They include: Margery Strom, Granby, Quebec; Henrietta Salsky, Montreal; Elizabeth Wilson, Fredericton; Anne Mosley, Glace Bay, N. S.; and Elizabeth Hurley, St. John's.

Planning

There will be daily trips to the beaches of Lake Ontario on the other side of town. Afternoon excursions will be made daily to Niagara Falls, 20 miles upstream.

TO OPEN AUG. 30

After the campers have two days to get settled, the jamboree will be officially opened Aug. 20 by the chief scout for Canada and Governor-General Massey. It will be closed Aug. 27 by Maj. Gen. Dan C. Spry, a Canadian who is director of the boy scouts international bureau in London, England. The scouts will have another day after that to break camp. Except for a \$50,000 Canadian government grant the jamboree is expected to pay its own way through a fee of \$30 from everyone attending. The fee will cover such things as food for 31 meals and charcoal to cook it, excursions to Niagara Falls and other points, accident and sickness insurance and certain basic camp equipment.

Scouts will have to pay their own way and bring their own tents. For Canadians, special rail fares together with a special cost-protecting arrangement to help those from distant provinces will mean that no Canadian will have to pay more than \$45 for the round trip. Invitations have been sent to 56 countries outside of Canada and to some 47 other countries and colonies of the British Commonwealth and Empire which are represented by Great Britain in the world scouting organization. Large and small contingents are expected from Armenia, Brazil, Ceylon, Germany, the Gold Coast, Israel and South Africa.

A British contingent of 1,000 will come by airlift in 14 chartered airliners over a 10-day period.

TO VISIT QUEBEC

Some groups will do extra travelling, such as the French contingent of between 800 and 1,000. Arriving by boat in Quebec City, Aug. 8, the French scouts will be guests in homes of scouts at Quebec for three days and at Montreal for four days. They plan a three-day pre-jamboree camp of their own, possibly at Oshawa, Ont.

Australian scouts will be away from home five months and plan to be guests of scouts in Vancouver, Calgary, Winnipeg and Hamilton before the jamboree and in Ottawa and Montreal afterwards. They will return home via Great Britain, staying there about a month.

Problems of caring for such a huge gathering of teenage boys of many nationalities are being worked out by a Canadian committee. It involves such things as sign posting, instead of printing, for camp directional markers; running water and showers for each of the 10 sub-camps. A chaplain service will be established to provide spiritual leaders for every denomination represented.

Second Polio Injections For Lower Grade Pupils

Almost 3,000 grade one pupils are receiving the Salk anti-polio inoculations in this Province and the Minister of Health and Welfare has good hopes that a similar number of grade two pupils will be able to be similarly protected. The Province is already entitled to a third 3,000 single doses, which would normally have been administered at this time but which will be delayed about seven months on the recommendation of Dr. Salk. Larger supplies are available than when the original allocation was made and it is hoped that sufficient supplies can be obtained to provide two injections for the grade two pupils.

In Memoriam

The death of Mrs. William Thomas occurred on March 20, 1955 at the home of her daughter, Emma Thomas, Tryon. She was formerly Flora MacKinnon, daughter of the late Laughlin MacKinnon and Mary Ann Duff. She was born at DeSable, P.E.I., on February 14, 1863, but moved to Tryon with her family as a child. She spent her life in Tryon except for a few winters in Charlottetown with her daughter Mrs. Eleza Hennessy where she made many friends. Although she had been in failing health for some time, she bore her weakness and sufferings with true Christian fortitude and never complained and always had a cheerful word of greeting for her many friends who visited her. She was always doing deeds of kindness to all with whom she came in contact. It may be truly said that she went about doing good serving God and her fellow men, to the very best of her ability. She was a true member of the United Church in Tryon. Her husband predeceased her on June 24, 1927, and three daughters predeceased her. She leaves four daughters to mourn: Eleza, Mrs. George Hennessy; Clara, Mrs. Everett Howatt; Tryon; Norine, Mrs. Burpee Carr; Saint John, N.B.; and Emma Thomas, Tryon. She also leaves three sisters: Emma, Mrs. William Howatt; California; Maude, Mrs. Archie Nimmo, Saranac Lake, N. Y.; May, Mrs. Charlie Dawson, Tryon, and one brother, James MacKinnon, Ansonia, Conn. She also leaves 21 grandchildren and 23 great grandchildren, besides a number of nieces and nephews. Her funeral was held on March 22nd, with a short service at the residence and then service in the Tryon United Church. The service was conducted by Rev. Lloyd Archer, who was so faithful to her through her illness. She was laid to rest in the People's Cemetery. The pall bearers were five grandsons, Raymond Hennessy, Earl Hennessy, Vernon Hennessy, Everett Howatt, Richard Howatt, and Sheldon Dixon. The kind messages of sympathy and the beautiful floral tributes bear testimony of the love and esteem in which the departed was held. The many friends join in deep sympathy.

Card of Thanks

The family of the late Mrs. William Thomas wish to thank Dr. Peter MacDonald, Rev. Lloyd Archer and their many friends for their many acts of kindness and cards and letter of sympathy and floral tributes sent to them.

Evangelist At Local Church

At Central Christian Church, in co-operation with the minister, M. D. Dunbar and the congregation Evangelist William Bilson of Saint John, N.B., (above) is conducting a series of evangelistic meetings tonight, which began with two inspiring addresses on Sunday, April 17th, to capacity audiences. On Monday evening he spoke upon the subject "Behold the Lamb" and last night brought a message on the topic, "Valley of Decision". Mr. Bilson is a man who possesses a wealth of experience in the Christian ministry. Trained at Bethel College in England, he began his ministry in that country, serving for three years with the Bethel Evangelistic team. He ministered in Australia in evangelistic and pastoral work for several years before coming to Canada eighteen years ago. A veteran of fifty years in the service of Jesus Christ he speaks with tremendous vigor and clarity as he delivers his messages on the blessings available to all men who believe that Jesus Christ is God's Son, and who obey the will of God as revealed through Him. A male choir featured the Monday night service and Mr. Preston Beck beautifully rendered a special number in song "The Ninety and Nine". Members of the Young People's Society composed the choir for Tuesday night meeting, and a vocal duet by Beck and Zovena Jordan, "No One Ever Cared for Me Like Jesus" was a special feature of this program. Many people are hearing the challenging messages by Evangelist Bilson and the special vocal instrumental features of these services.

SAYS FEW RESPONSIBLE

"Agreements on the restoration of peace in Indochina reached at the Geneva conference are endangered. The United States continues to create tension in the Taiwan area. Countries outside Asia and Africa are establishing more and more military bases in Asia and African countries."
Chou sought to blame new crises on a few wire-pullers, saying, "The peoples making preparations for war are after all extremely few, while the overwhelming majority of people throughout the world, regardless of what social system they live under, want peace and are opposed to war."

SOVIET ROLE OVERLOOKED

He blamed the countries outside Asia and Africa for "creating more and more atomic weapons for man to die from explosions." Chou made no reference to the Soviet atomic program. In line with the policy followed by Russia for some time, Chou said that the peacefully-disposed majority demands "first of all that the Big Powers should reach agreement on reduction of armaments."

CHOU SEEKS

Chou's tendency to picture Asian and African masses as dedicated to peace while others were preparing for war contrasted with Romulo's efforts to avoid drawing such sharp national and racial lines. Conceding that countries formerly subjected to colonialism had drawn confidence from the "deeply-rooted knowledge that the white man was wrong" in his attitude toward them, Romulo blasted racism as such. When Romulo concluded, Chou and India's Nehru, who follows a neutralist policy, did not join in the applause, the largest for any speaker here thus far.

SAYS ABJURE SUBVERSION

He declared that "if peace in the world is to be preserved, every nation must respect the independence and integrity of other nations, their way of life and their patterns of government, abjuring acts of aggression or coercion and, more odious but equally reprehensible, acts of subversion."

Bevan-Jones, Command Hygiene Inspector and Captain A. G. DeWolfe, Staff Captain "Q" at Headquarters Eastern Command.

Colonel Doucet was an officer in the Black Watch of Canada from 1929 to 1939 and on the outbreak of war was mobilized with his regiment. He has served with Military Headquarters, Royal Military College, and was Canadian Military Attaché to the Netherlands in 1948. In 1952 Colonel Doucet was appointed Chief of Eastern Command and has held that appointment ever since.

The inspections will be taking place throughout the Eastern Command commencing April 5. Camp Alderhot will be visited by the Colonel and his aides as well as Yarmouth, Sydney, New Glasgow and Amherst in Nova Scotia. The tour will end with the inspection of the Charlottetown units.

The toast to the mothers was proposed by Mary Johnston. Mrs. Kenneth Parker made the reply. The toast to the Girl Guides was made by Wayne Macdonald.

British Budget

ally at the Lancashire textile industry which has been feeling the pinch of increased competition, Butler sliced the sales tax by half—from 50 to 25 per cent—on piece-goods, sheets, towels, household textiles, cotton, rayon, linen and other non-woolen materials. The changes became effective at midnight. This will mean cheaper prices for better-quality textiles but may not altogether appease cotton interests, which had campaigned for protective tariffs.

SEES WAR DANGER

Chou stressed on what he insisted are the peaceful intentions of Asian and African countries, in contrast with tension he said is being created by other powers. "Following the armistice in Korea, the Geneva conference brought about a cease-fire in Indochina on the basis of respect for the right to national independence and with the support of the conference five Colombo powers the five sponsoring the Bandung meeting." "As a result, international tension did relax at that time, and fresh hopes were brought to the peoples of the whole world and particularly to those of Asia. However, the subsequent development of the international situation runs counter to the hopes of peace."

"Our war prisoners and internees will see their home again. This has been achieved by the upright attitude of the Austrian people. "We are looking forward happily to seeing our home again after concluding difficult negotiations."
