New York Stocks

NEW YORK (AP)—The stock market fell hard in a frenzy of selling Tuesday, and then launched a vigorous recovery drive that cut losses materially.

The decline uncovered losses running to around 4 points, but the worst of the drop was covered by 1 to 3 points in key areas. Plus signs were fractional and scarce.

In the final hour selling mounted with unaccustomed speed. The ticker dropped a minute behind in reporting deals on the floor of the New York stock exchange.

A few minutes later, the tape was two minutes late under a flood of buying orders. It was around 11 minutes before order was restored and the rally spent itself.

Aircrafts were heavily sold and were big losers. Steels and railroads suffered. Many of these stocks and others, however, halved their loss.

Canadian stocks were lower. Hiram Walker fell 1¾, Canadian Pacific and McIntyre both eased ½. Dome Mines and International Nickel each dropped ⅜ and Distillers Seagram fell ¼.

Canadian issues on the American stock exchange were lower. Giant Yellowknife and Royalite Oil dropped ¼ and ⅛ respectively.
