The March meeting of the Ladies' Auxiliary of the Canadian Legion, Montague branch, was held in the Legion Hall Monday evening with the president, Mr. Douglas McGowan, presiding. The roll call was answered by seventeen members. The minutes of the previous meeting were read by the secretary, Mrs. Atwood MacDonald. One new member, Mrs. Beecher Dewar, Brudenell, was welcomed by the president. Mrs. Emery MacNeil reported that she had made five sick calls during the month. On the new visiting committee are Mrs. Leonard Gillis and Miss Sue Hemphill. Final arrangements were made for the St. Patrick's banquet and entertainment. A delegation from the Canadian Legion, comprising comrades R. Martin, E. B. MacKinnon, and A. F. Campbell visited the meeting and discussed plans with the ladies for catering at the annual Legion convention which is to be held in Montague this year. At the close of the meeting the members decorated the hall and lunch was served by Mrs. J. M. MacKenzie and Mrs. Atwood MacDonald.

Miss Maxine Lanigan of Montague is receiving the congratulations of her many friends in the winning of a cup at the ice sports held in the Forum at Charlottetown on Friday night.

BISON BOMBERS 5, MURRAY RIVER 4

Once again continuing their winning streak, the Montague Bison Bombers defeated the Murray River squad by the score of 5-4 at Montague on Monday night. Although the game was slow during the first two periods, it spurred up during the third session with both teams playing a fast game of hockey. The Bombers, however, held the edge throughout the game, but Gosbee, the Murray River goalie proved equal to their attacks and snatched out many that looked labelled for the net. A clean game all the way through, the boys gave a good exhibition to the spectators.

Mr. Cecil Campbell and Mr. Webb Nicholson were confirmed as representatives from the district, with Mr. Miles MacKinnon as an alternative delegate.

The Albion W. I. recently put on a concert in Whim Road Hall. A large crowd attended and enjoyed the concert and dance that followed. Music was supplied by Mr. Joe Kearney and Mrs. Calvin Kemp. This is one of the many ways in which the Albion W. I. is raising funds for school improvements, and they are to be commended on the work they have already done in this regard. Among other things, they have completely furnished the school with modern type desks for both teacher and pupils.
