NEW TRIUMPHS

OF

ROGERS' MEDICINES.

Run your eye over them and tell your affected neighbour about it.

[From the Halifax Citizen.]

A VALUABLE REMEDY.—As a general rule, we do not endorse, editorially, any of the numerous notices of popular medicines, that from time to time appear in the advertising columns of our paper; but we depart from our usual custom to-day, to direct attention to the advertisement of Rogers & Co's Medicines, because we believe the facts disclosed in the advertisement are such as to justify, if not call for, such special attention. The facts of the case detailed in the advertisement are placed beyond dispute by the certificate of the High Sheriff of Cumberland, and ten of the most respectable and well-known citizens of Amherst, so that there is nothing of mere puffing about it, but a truthful statement that ought to be laid before sufferers afflicted as young Copeland was. The character and social position of Mr. Rogers, who is well-known over a great part of Nova Scotia, is sufficient to know that this is no mere quack nostrum, made only to sell, and put money in the pockets of speculators, at the expense of the credulous and unfortunate.

Amherst, N. S., 7th August, 1865.

MESSRS. ROGERS & Co.,—

Gentlemen,—Permit me to add my testimony to the great value of your preparation; and any person reading the following account of a cure effected by it upon my son, will not dispute my right to do so.

He first fell upon a fork-handle in the barn, and hurt his leg a little below the knee; he subsequently took cold, when it began to swell and pain him very much. It soon ulcerated near where it was hurt, and continued to discharge freely, until the calf of his leg seemed to be one mass of corruption. His foot and knee swelled very much, and when we commenced with your medicine, was very much inflamed, and was evidently on the eve of mortification. The pain and suffering he endured, no pen can describe. He grew weaker daily. Nothing that medical skill and faithful attendance could accomplish, was omitted; still he gradually sunk, until there seemed but little hope of saving his life or limb. As a last effort, the doctors decided to amputate the leg. This was to have been done the next day, but just at this critical point, a kind friend advised me to try your medicine. I concluded to do so: and the leg at once began to improve, and is now well. He goes to school daily.

This is certainly the most extraordinary cure ever made in this country. No person could duly appreciate the sad and suffering condition he was in, without seeing it for themselves; to all human appearance, he could not have lived a week; there did not seem to be a ray of hope left. Doubtless there are thousands dying whose lives might be spared, if they had this extraordinary medicine.

Hoping that God may prosper you in the works of humanity,

I am, Gentlemen,
Yours very affectionately,
ALISON COPELAND.

The mother of a young man, whose life is thus spared, who for many weary months dressed and handled that leg, and who shed many, many tears, and spent many sleepless nights over it, says to mothers of others similarly afflicted, get this medicine by all means.

KEREN COPELAND.

We, the undersigned, inhabitants of Amherst and vicinity—some of us having been eye-witnesses to the above distressing case, and all being quite familiar with the facts, from common report in this community—have no hesitation in endorsing the above statements of Mr. Copeland.

R. McLean, High Sheriff,
Thos. Logan, J. P., late M. P. P.
R. B. Huestis, Clerk of Peace,
J. T. Smith, Barrister-at-Law.
W. F. Cutten, J. P.
Fred. W. Bent, Barrister-at-Law,
T. Dunlap & Co., Merchants,
Robert Keillor, Farmer,
Alex. Robb, Jr., Dealer in Stoves.

We have taken the liberty of adding their official and business position to the above names.

Some of our agents write us that members of the Medical Faculty are among the largest purchasers of our medicines. We are glad they appreciate their healing qualities, and have used them successfully in treating their patients.

PATRICK REILLY.

Summerside, July 31, 1865.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after thirty years' experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skilful nurses in New England, and has been used with never-failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

OLD DR. JUDSON'S

"Endorsed by the Medical College of Glasgow."

DR. JUDSON'S

DEAD SHOT

WORM CANDY.

THE Subscribers, B. L. JUDSON & Co., are the Sole Agents and Importers on this Continent of this Wonderful Medicine, and propose to give here

A few reasons why it is the best and Safest Remedy in the World.

1st—It is the result of the experience and study of a Gentleman and a Scholar.
2nd—It is *not* a Quack Nostrum.
3rd—It is perfectly pleasant and easy to take.
4th—The smallest child will greedily tease for it.
5th—It never fails to kill the Worms.
6th—It is entirely vegetable, and cannot harm the smallest child.
7th—It is the result of 70 years experience of old Dr Judson.
8th—It is endorsed by and bequeathed on his death-bed by old Dr. Judson.

Now see what a *Physician of the Royal College* said of it 20 years ago,

Certificate from a Physician 20 years ago, Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr. Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the Medicine used, acts specifically on the Worms, and is a perfect regulator of the debilitated system—knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr. Jud on's Dead Shot Worm Candy* to all their patients that are troubled with the common or Tape Worm.

[SIGNED] C. H. MACPHERSON, M. D.,
Analytical Chemist.

Old Dr. Judson expressed a wish that this Remedy should be put at such a price as would enable *all*, THE POOR ESPECIALLY, to use it. In deference to that wish, we have put it at the following price.

☞ Price only 20 sts. per package, or 50 cts. for three packages. Sold by every Druggist and Medical Dealer in Europe and America.

None genuine without a fac-simile signature of B. L. JUDSON & CO., on each wrapper.

Judson's Worm Tea!

DR. KNIGHT'S

CAPT. C. C. COWAN, of the "Sea Queen," dates at Bermuda, December 27, 1865: "Your *Oriental Hair Restorer* is looked upon as something miraculous by the people here. Such uniform, speedy, and satisfactory effects have
