MONDAY
A corner of hurricane Edna whipped over Prince Edward Island Saturday night and early Sunday morning, levelling power lines, uprooting trees, unroofing buildings and causing havoc generally. The storm began to make itself felt shortly after 10 p.m., and increased in intensity to reach a peak at 2:30 a.m. when the recorder at the Radio Range Station logged the wind at 60 miles per hour with gusts up to 85 miles. Mr. Warren Burns of the Meteorological Office, Experimental Farm, reports an unusual temperature of 60-70 degrees during the peak of the storm.

Tenders
Each tender must be accompanied by a deposit equal to (a) ten per cent (10 per cent) of the tender price not exceeding \$25,000.00 or (b) \$25,000.00 plus five per cent (5 per cent) of the amount by which the amount of the tender price exceeds \$25,000.00, where the amount of the tender exceeds \$25,000.00.

SEALED TENDERS, addressed to the undersigned, will be received at the office of the undersigned until noon on Saturday, 25 September, 1954, for the purchase of M. V. MONTAGUE. This ferry is now tied up at the Marine Wharf, Charlottetown, and may be inspected by arrangement.
