TORONTO

TORONTO (CP) — The stock market, paced by the heaviest trading in two weeks, was higher in all sections Wednesday.

Golds closed with a 1958 index high. Base metals almost showed a one-half-point gain and western oils were ahead three-quarters.

Most gains among golds were small with the exception of McIntyre, ahead 3 points at 83.

NEW YORK

NEW YORK (AP)—The stock market was highly selective and mixed Wednesday with trading fairly active.

Considerable profit taking was apparent after Tuesday's big advance. This was especially noticeable among the leading steel shares which were active and a bit lower.

Rails staged a technical advance. Utilities were firm. Motors were mostly lower, oils, oase metals, aircrafts and farm implements irregular. Chemicals show a lower trend.

A good deal of contrary responses were shown by stocks affected by their individual news of difidends or earnings. It was a market of cross currents.

Gains and losses of key stocks went generally from fractions to a point or so.

The Associated Press average of 60 stocks closed unchanged at $168.60 with the industrials down 40 cents, the rails up 60 cents and the utilities up 10 cents.

Among Canadian issues on the New York Exchange, Aluminium Ltd. lost ¼ while gainers included Canadian Pacific and Granby Mining, each up ⅛, Distillers-Seagrams, up 1, McIntyre Porcupine ½, International Nickel, ⅞ and Hudson Bay Mining ¼.

Among Canadian issues on the American exchange, Brazilian Traction rose ¾, Canadian Marconi ⅛, Preston East Domt ¼ and Eureka, Molybdenite and Scurry-Rainbow Oil each 1-16.
