## Local and Other Items.

FOOTBALL.—Miscouche has a football team.

SUNDAY SCHOOL PICNIC.—Ten car-loads of picnicers went to Cape Traverse this morning.

GOOD RESULTS.—The amount realized at the Rustico Tea last week was in the neighborhood of $1,300.

NAVAL.—The Austrian naval training ship Sadia is in Halifax. She has 300 of a ship's company, including 20 cadets.

BEING REPAIRED.—Some extensive repairs and improvements are being made to the Presbyterian Church at Summerside.

NOTHING adds so much to a person's appearance as a fine thick head of hair of even color, and to insure this use only Hall's Hair Renewer.

FOR DRILL.—No. 2 Battery, G. A., will meet for drill this evening at 8 o'clock sharp. Every member is specially reqnested to be present.

MERCURY MINES.—An exchange says that two mines of mercury, covering fifty acres, have been discovered in Cuba. A hot weather trust will probably be formed to cause the mercury to rise.

THE TURF.—The *Farmer* understands that the fall races on the Summerside Driving Park will be held on the 24th September next, and that one of the events will be a stallion race for a purse of $200.

DRAMATIC.—An exchange says that a new play is being written for Edwina Grey (Mrs. H. Price Webber) of the Boston Comedy Co., by Ray Thompson, editor of the Richmond *Bee*. It will be a comedietta.

LET GO.—A St. John despatch says that as a result of the coroner's inquest on the body of Willie Hawkes, though it was clearly shown that the boy Bennett did the shooting the latter was let go with a caution.

A GREAT BEREAVEMENT.—We deeply sympathize with Mr. Richard Vessey, of Little York, who has lost, within a few days, his wife and two of his children. It is distressing to learn that scarlet fever is playing such havoc.

INJURED.—We regret to hear that Mr. P. P. Gillis' valuable young trotting horse Parnell had the muscles of one of his legs injured while being "speeded" at the new driving park last evening. The injuries will likely lay him up a few weeks.

NO MEDICINE in the world is in better repute or more widely known than Ayer's Sarsaparilla. As a safe and certain remedy for all manner of blood disorders, leading physicians and druggists everywhere recommend it in preference to any other.

LECTURE.—The Summerside *Journal* announces that Rev. Costello Weston will lecture in this city on Saturday evening. This is an error. Mr. Weston will speak for the first time on Sunday afternoon at 3 o'clock in the Philharmonic Hall, (late Athenæum).

MUCH injury is done by the use of irritating griping compounds taken as purgatives. In Ayer's Pills, the patient has a mild but effective cathartic, that can be confidently recommended alike for the most delicate patients as well as the most robust.

THE RIFLE.—An Ottawa despatch says: In compliance with the request of the Cabinet Ministers from the Maritime Provinces, the Department of Railways will grant free transport over the intercolonial, to riflemen coming to Ottawa to attend the Dominion Rifle Meeting.

LOADED ICE CREAM.—Several persons took suddenly ill after eating ice cream at a picnic at St. Paul, Minn., a few days ago. All the physicians in the neighborhood are said to be in attendance on the sufferers. No deaths have yet occurred, and the medical men are unable to determine whether any of the cases will result fatally or not.

STEAMERS' MOVEMENTS.—The Princess Beatrice, Capt. Kelley, arrived here from Halifax, via intermediate ports, about half-past nine this morning. She brought the usual general cargo and the following passengers: S. Binney, George Ivy, Wallace Rice, Mrs. Mills, and Master Artie Clarke. She sails again this afternoon.

The M. A. Starr, Capt. Ferguson, left here for Tatamagouche last night with a general cargo.

NEW LIGHTS.—We understand that new harbor range lights will shortly be erected at Bellevue shore, and two more at Brighton. The Bellevue ranges will lead from the sea past the bell buoy to the black buoy; and those at Brighton from the black buoy to Canso Point, giving a ship's course of not less than thirty feet of water in line of ranges. The agent of the Marine Department here, Mr. A. Lord, is already at work looking up suitable sites for the lights, and taking soundings.

SCHOONER LOST.—We are sorry to learn, from the *Farmer*, that the schr Commodore, owned by Captain John McKinnon, of Summerside, was lost off Crapaud on Saturday night. The Commodore was returning from Pictou with a cargo of coal for Mr. R. McKay of Centreville. At the time of the disaster there was a breeze blowing and it was necessary to reef the mainsail. Mr. McKinnon's son took off his coat preparatory to helping to do so, and when he dropped it into the cabin he heard it splash in the water, which was the first intimation they had of danger. Only for this circumstance it is possible all on board would have been drowned, as the boats were hung on the davits and there would have been no time to get it untackled for use. Mr. McKinnon's loss is between $500 and $600. He had no insurance. Mr. McKay loses the coal.

### Personal.

George Forbes, M. P. P., Vernon River Bridge, is at the Osborne.

Col Irwin will arrive here on Saturday evening and on Monday will inspect both batteries of artillery at Victoria Park.

It is said that Mr. VanHorne will shortly relinquish his position of General Manager of the Canadian Pacific Railway.

Hon. M. H. Phelan, for the past four years United States Consul-General at Halifax, and who has been replaced by W. G. Frye, of Maine, has left for his home in St. Louis.

Mr. L. E. Prowse and Mrs. Prowse, and Mr. George Stanley, leave Liverpool for New York in the Vancouver to-day.

The Marquis of Lorne has not abated a whit of the interest in things artistic which moved him when in Canada to found the Royal Canadian Academy of Arts. He has received and accepted an invitation to become president of the Fine Art Congress, which opens next October in Edinburgh, and to deliver the inaugural address.

[WRITTEN FOR THE EXAMINER.]

### A Welcome to the Tennis Players.

Oh mellow western wind! breath sweet and low
Around the silvery margin of our Island home,
Oh mellow western wind breathe sweet and low
A welcome unto those who kindly come
From other shores beyond the rolling wave.

Oh gladdening light of heaven! float calm and clear
On glittering birchen tree and grassy blade,
Oh gladdening light of heaven float calm and clear
O'er velvet tennis mead; to man and maid
The glowing cheek, the bliss of health impart.

Oh dreamy azure haze on distant hills
Around fair Elliot's winding, sylvan way,
Oh dreamy azure haze on Bonshaw hills
Hang fair and shadowy all the summer day,
While man and maid the merry tennis play.

Oh! wandering surge of ocean calmly glide
Around the stretching shores of this fair land;
Oh! wandering surge of ocean calmly glide
About the bather on the golden sand
And fill his brain with sparkling joyousness.

Oh! bird of eve upon the woodland bough,
Sing plaintively thy song at close of day;
Oh! bird of eve upon the woodland bough,
A sad farewell to friends who go away
Chant plaintively among the sombre trees.

Oh! mellow western wind breathe sad and low,
And sigh farewell within the beech-tree shade;
Oh! mellow western wind breathe sad and low,
And sigh farewell to man and gentle maid;
For they, like sea-birds on the wing, will fade
O'er surging waves to far-off ocean shores.

She died as she lived, trusting in the merits of a crucified Redeemer.

Why do we mourn departed friends,
Or shake at Death's alarms?
'Tis but the voice that Jesus sends
To call them to His arms.
