

Islanders Eke Out 4-3 Victory Over Sydney In Overtime

The Charlottetown Islanders kept their winning streak against the Sydney Millionaires intact last night but they needed an overtime period to do it as they shaded the Dollars 4-3 in a Maritime Major League game at the Forum. It was the third successive win for the Islanders over the Millionaires since the League opened a week ago.

Centreman "Hub" Beaudry scored the winner at 4:02 of the sudden-death overtime period and although Beaudry was the hero of the game he wasn't the centre of the show that followed.

The latter honor was all goaltender Nick Pidsodny's. Beaudry's goal was a rebound shot that Nick trapped as it crossed the line. Pidsodny's stick obscured the goal judge's view and the red light did not flash but referee Charlie Goode who was on top of the play ruled it a goal.

The fireworks that followed showed Pidsodny at his fiery best. Pidsodny and Goode had been feuding since the first period and the game-ending ruling by Goode brought the feud to a climax.

In typical Pidsodny style Nick hurled sticks and gloves across the ice and charged after Goode. He was restrained by fellow players on several occasions but the referee and linesmen completed their duties of checking with the official scorer and left the ice.

Stealing the hockey show in addition to Pidsodny and Beaudry was left winger Marcel Clements. Marcel returned to the Islanders after nearly a year with Moncton Hawks and the Sudbury boy gave one of his best performances as he scored one goal and assisted on two others.

Clements scored the Islanders' first goal and assisted on markers by his line-mate Connie Bonhomme and Hub Beaudry. Buck Whitlock got the other goal for the locals.

Defenceman Eddy Marineau, who played left wing throughout most of the game, scored two goals for Millionaires and Ronnie Rowe one. Johnny Morrow drew assist on the three counters.

The game was the cleanest to be played here this season thanks mainly to Goode's alertness on the high sticks. Goode was in control throughout and never once did the game threaten to get out of hand.

Pidsodny, too, despite his feuding and fighting was a standout. The loquacious Nick had 33 shots to handle as the Islanders controlled the play.

Nick's trouble started early in the game. In the first period he had a run in with Buck Whitlock and the two were chased for high sticking. In the second period he interfered with Buck around the Sydney net and by the time play was resumed Pidsodny was charged with a minor and a misconduct.

Ronnie Rowe back-handed Johnny Morrow's pass-out into the open corner at the nine minute mark of the first period for the first goal of the game. Dunc MacIntyre, who started the play, drew an assist.

A live about two minutes later Clements evened the count for the Islanders. Hub Beaudry started the play with a pass from centre ice. Hub's pass rebounded off the boards and Clements steamed into the clear to beat Nick on his own rebound.

The Millionaires went into the lead for the second time early in the middle period. Marineau slapped in a rebound on a play with Phil Dalgleish and Morrow.

The score remained that way until the 18 minute mark when Buck Whitlock received credit for a goal deflected into the net by a Sydney defenseman. Buck flipped a three-time rebound in front of the net and Bill Tyshko, in attempting to block tipped the disc into the twines.

This was the signal for the Islanders to spring to the attack. In the last minute of the period they turned on the pressure and their efforts were rewarded when Connie Bonhomme flipped home Clement's pass from 10 feet out.

Although outplayed the Millionaires scored the only goal of the third period. Eddy Marineau fired a shot from close in after taking a pass from Johnny Morrow.

With only three minutes left in the game Whitlock made a great play but was beaten at the doorstep by Pidsodny.

The overtime period was only seconds old when Connie Bonhomme broke in on the Sydney goalie but Nick kicked out his screaming drive. The Millionaires returned the play and Campbell

was tested twice and rose to the occasion.

Then Marcel Clements started the game ending play. He broke over the Sydney blue line and carried in on top of the net. Pidsodny blocked his shot but Beaudry followed up to flip the puck across the goal-line.

For the Millionaires the line of George Robertson, Ronnie Rowe and Johnny Morrow was outstanding while Dunc MacIntyre and Whip Whalen formed a good defensive unit.

The Beaudry-Bonhomme-Clements line was the best for the Islanders with Travis and Kelly standing out on defense.

Lineups: Sydney—Goal, Pidsodny; defence, Whalen, Dalgleish, Tyshko, MacIntyre, Marineau; forwards, Hill, Gallagher, MacDonald, Daski, Morrow, Campbell, Rowe, Hillbrand, Robertson, Clark.

Charlottetown—Goal, Campbell; defence, Travis, Stephenson, McLagan, Kiley; forwards, Whitlock, Hagen, Gray, Gordon, McKenzie, Beaudry, Kelly, Bonhomme, Clements.

Officials—Charles Good, referee; Art Perry and Johnny Squarbrick, linesmen.

Apparently the half season which Nick Pidsodny spent in pro hockey last year did little to improve his relationships with opposing players and the officials. If anything it may have made him worse. At any rate Nick showed an attitude of disregard for all hockey laws and officials last night and about the only law he kept is that which says the duties of a goaltender are to prevent the puck from entering his cage. He followed that law remarkably well so well in fact that he almost beat the Islanders.

But when the Islanders beat him, Nick was far from happy. The man he was sore at was Charlie Goode the referee. Charlie was in charge last night and he kept on top of every play like a hawk. It is to his credit that he was no more than six feet away from the net when Beaudry tipped in the winning goal. Goal judge Charlie Ryan could not see the puck as Nick's stick obscured his view and Charlie has yet to flash the red light.

To return to the last 30 seconds of the third period Nick was in more trouble but this time he had the goal judge on his side. The Islanders were battling furiously around his net. The puck went through his pads and slid to the line. There were swipes and slaps and checks and drives and in the middle of it the goal judge flashed the light. Play continued however and Goode ruled that the puck had not crossed the line.

It's probably a good thing for Nick that he did not get too close to the referee. In fact, he had the goal judge on his side. The Islanders were battling furiously around his net. The puck went through his pads and slid to the line. There were swipes and slaps and checks and drives and in the middle of it the goal judge flashed the light. Play continued however and Goode ruled that the puck had not crossed the line.

Poulton Wins By Kayo Over Adshade In Tenth

NEW GLASGOW, N.S., Oct. 27 — (CP) — Harry Poulton of Charlottetown, Maritime welterweight champion, knocked out Kid Adshade of Glace Bay in the final round of a 10-round non-title bout here tonight.

A right cross to the head finished off the Glace Bay battler at the 1:55 mark after he struggled with his feet following a nine-count knockdown.

In a semi-final encounter, Jackie Hayden of Westville gained a unanimous six-round decision over Leroy Jones of Halifax.

for Glace Bay at six o'clock by car. The boys play at the Bay tonight and they stay down in Cape Breton to meet the Millionaires on Wednesday. The Mills will leave here this morning for Halifax where they play tonight. Then they return home in time for the game Wednesday evening. They'll be two tri teams by that time.

Milt Schmidt Says Can't Seem To Quit Hockey

BOSTON, Oct. 25 — (AP) — Big-time hockey has been Milt Schmidt's way of life with Boston Bruins for 15 years and he can't get it out of his system though it costs him money.

"Every spring I say I'm going to quit," says the National Hockey League's oldest player in point of service. "And then it comes fall and I get litchy-footed. It's in my blood. I love the game. I guess, I don't think any player could get very far if he didn't."

Schmidt, a native of Kitchener, Ont., at 34, is Boston's meal ticket. Coach Lynn Patrick calls him the greatest two-way player who ever lived — greater than Maurice Richard or Gordie Howe even today.

"He never plays a b'd game," Lynn says. "And he never has a bad practice. Even in the workouts, he hates to lose."

But the temptation to chuck it all must be strong for Schmidt, who has a profitable sales job out of Cambridge, Mass., in the off-season.

"I could probably do better selling," says Schmidt, who draws down around \$15,000 plus bonuses each year. "But hockey and the Bruins have been good to me and I can't let them down. In training last month my left knee swelled up. I thought I'd have to quit. But Art Ross just told me to lay off a few days. When I got back on skates again, I felt good. Next year, who can say?"

There have been reports that Ross, the Bruins' general manager, will step down after this season with Lynn Patrick moving into the front office and Schmidt taking over as coach. Milt would be happy to coach.

"If not the Bruins," he says, "then some kid team."

In his time the 185-pound Schmidt has had his share of injuries, torn knee cartilages, broken bones, stitches across the face and legs.

"I used to love to throw my weight around," he said. "Now I try to avoid body contact. Sure, I get into a few brawls. It's part of the game. But I can't do the things I used to do."

Millionaires Use Pruning Knife

SYDNEY, Oct. 27 — (CP) — Sydney Millionaires of the Maritime Major Hockey League today brought out the pruning knife.

President Art Lipton tonight announced two forwards, centre Mike Daski, Winnipeg, and Art Harris, Flin Flon, Man., had been released by the club. Harris left this afternoon to return home, while Daski may stay on and play with another Maritime senior club.

He was the third player to leave the Sydney camp within the past two days. On Sunday, goalie George Allard of Flin Flon took off for Moncton to join Hawks of the New Brunswick Senior Hockey League. Allard had been the regular goalie until Nick Pidsodny returned to the Millionaires.

McCarthy In Slashing Attack On Stevenson

CHICAGO, Oct. 27 — (AP) — Senator Joseph R. McCarthy, in a slashing attack on Governor Adlai Stevenson and his advisors, charged tonight that the Democratic presidential nominee endorses "suicidal Kremlin-shaped policies" for the United States and once had a plan for "foisting Communism" on the Italians after Mussolini's fall.

"I do not state that Stevenson was a Communist or pro-Communist but I believe that something was wrong somewhere," said the Republican Senator from Wisconsin.

McCarthy's much-heralded "Stevenson Story" which he described as a "coldly documented background of this man who wants to be president" was prepared for delivery before 1,150 persons at a \$50-a-plate dinner. Stevenson, campaigning in Mass-

Cap of Gold Favorite For Cambridgeshire

LONDON, Oct. 27 — (AP) — Cap of Gold held firm as the 10 to 1 favorite tonight as two 100 to 11 shots—Kara Tepe and Nightman—were withdrawn from Wednesday's Cambridgeshire Stakes at Newmarket.

With the withdrawal of the two outsiders, 50 horses still were left in the field for the 1-1/2-mile classic.

Richer and Hilltop each were quoted at 100 to 9 odds, second choice to Cap of Gold, in the bookmakers' call-over at the Victoria Club. A final call-over at odds will be made at the club tomorrow night.

Odds on other horses: Nicky Nook, 100 to 6; Valdesco, 20 to 1; Brunetto, 22 to 1; Stranger, 25 to 1; Antricide and Longstone, 25 to 1; Fleeting Moment and High Principle, 32 to 1; King Cardinal, Pink Jasper, Kria Kringie, Queen of Light and Mehandar, 40 to 1; Noholme, H.V.C., Signal Box, Damremont, Cock of the North, Sunny Brae, Adjournment, Cyphia, Stallina and Garrison Hack, 50 to 1.

No odds were quoted on the other horses in the race which means they are being held at 100 to 1 or more.

Signal Box, one of the 50 to 1 shots, will carry top weight of 128 pounds.

Islanders, Sydney Seek Weaver

Freedy Weaver, versatile forward and defenseman is being sought by both the Charlottetown Islanders and the Sydney Millionaires, it was learned here last night.

The Islanders have offered Weaver the maximum salary of \$3,000 a year, it was stated by Coach Murph Chamberlain. "He agreed to play with us even if Millionaires offered him the same contract," stated Murph.

Weaver planned to talk with Millionaires' officials following his session with Chamberlain. If Weaver came to terms with the Millionaires Chamberlain figured that the Sydney club must be offering him more than the salary limit.

Contacted early this morning Sydney coach Cliff Roach confirmed that he had been dickering with Weaver but that nothing definite had been decided upon.

The Islanders already have put Weaver's name on their list and have forwarded their side of the matter to the C.A.H.A., it was learned from Chamberlain.

Weaver was in the City yesterday and attended last night's game. He was in Halifax Saturday and sent his skates over to the Island with trainer Diver Riggs.

Weaver played with Halifax Saints last year as a defenseman. Previously he had played forward.

Saint John To Have Team But No Details Known

SAINT JOHN, N. B., Oct. 27 — (CP) — The lineup of Saint John Beavers in the New Brunswick Senior Hockey League remained unknown tonight but it was learned that Saint John will definitely have a team for the league schedule opening at Moncton Saturday.

Local players, including Nick Nicolle have been lined up and negotiations are continuing for imports, an informant said.

An official announcement of the players' names and the executive of the Beavers club is expected within a few days. Ice will not be available at the Forum until Thursday, so workouts there would be impossible before then in any event.

Ron Gaudet, Moncton, and a former Barrie Flyers player were mentioned as probable starters for Beavers, with Gaudet's brother, Plus, as a possibility.

Efforts were reported under way to get goalie Don Lockhart, who played for Moncton last year. Word was expected tomorrow about the availability of Jack Thaler, with Beavers two seasons ago. He has been mentioned as a possibility for the position of coach. Pete Langille, formerly mentioned in this connection, apparently is not coming to Saint John.

Some of the players who failed to make the Sydney Millionaires team this season were reported among those with whom negotiations have been conducted.

Zulueta In Split Decision Over Demarco

BROOKLYN, Oct. 27 — (AP) — Orlando Zulueta of Cuba outboxed a ring-rusty Paddy Demarco tonight to gain a 10-round split decision verdict over the Brooklyn lightweight contender at Eastern Parkway Arena.

Zulueta scored repeatedly with a left hook to the body despite a three-pound disadvantage in the weights. Zulueta, at 133 to Demarco's 136, got his foe with rapid-fire combinations of lefts and rights.

Demarco had not fought since last May and his lack of exercise slowed him up. The fourth round was his best, but referee Barney Felix took it away from him because of a low blow.

Memarco was a 4-1 favorite before the bout, having scored a decision over Zulueta in their only previous meeting last year.

68 Race Horses Burned In Fire

LOUISVILLE, Ky., Oct. 27 — (AP) — A disastrous fire raced through the largest barn at Douglas Park race training track last night, destroying 68 thoroughbred horses valued at more than \$200,000.

Toll estimates mounted over last night's original report that only 35 horses had perished. Most were yearlings.

Track superintendent Tom Young said only seven horses were rescued from the 400-foot-long stable.

Firemen, who said the fire apparently began in the barn loft in the building, found no evidence of incendiaryism.

achusets, hit back at McCarthy hours in advance of the speech. "Tonight," he said, "you will hear the most magnificent of all sneers of all time when the Junior Senator from Wisconsin tries to save the election for the Republicans."

McCarthy has often been accused of using sneer tactics to press his charges of Communism in the U.S. Government.

Hours before McCarthy spoke, Gen. Dwight Eisenhower, the Republican candidate, emphasized that while subversives must be cleaned out of government "we have to destroy the reputation of no innocent man."

Incredible Czech Runner Re-Writing Record Books

By MILTON MARMOR

LONDON, Oct. 27 — (AP) — Emil Zatopek, the incredible Czech runner, has rewritten the world record book for long distance races. The holder of three Olympic records, all set in Helsinki this summer, now holds seven world marks — every recognized distance event in the books from 10,000 metres onwards.

Here are his seven world marks — set at different periods since 1950 (the 25,000, 30,000 metres and 15 miles Sunday):

10,000 metres: 29 minutes, 02.6 seconds.

20,000 metres: 59 minutes, 51.8 seconds.

25,000 metres: 1 hour, 19 minutes, 21.8 seconds.

30,000 metres: 1 hour, 35 minutes, 23.8 seconds.

10-mile run: 48 minutes, 12 seconds.

15-mile run: 1 hour, 16 minutes, 26.4 seconds.

One-hour run: 12 miles, 810 yards.

Unofficially, Zatopek also has annihilated the six-mile world record of 29:30.8, set in 1949 by Viljo Helmo of Finland.

The Czech army major's clocking of 29:02.6 for the 10,000 metres (six miles, 376 yards) in 1950 meant that he sped the six-mile mark

Champion Pacer Gets Unique Honor

NEW YORK, Oct. 27 — (AP) — Good Time, champion money-winning pacer being retired to stud after six years of campaigning, was given a unique tribute by the United States Harness Writers Association today. He was guest of honor at a luncheon at Yonkers Raceway.

As other guests ate their roast beef and salads, Good Time munched apples, carrots and sugar and heard himself extolled as the greatest harness horse of all time, whose earnings of \$318,792 never have been approached.

The pacer, owned by William H. Cane, will make one more public appearance. Next Thursday night at the Yonkers track he will race against the clock in an effort to break three pacing records on a half-mile track—the world mark of 1:59 3-5 held by Sampson Hanover; his own half-mile track mark of 2:00 1-5 and the Yonkers' Raceway record of 2:01, also set by himself.

M.A.H.A. Considering Group Insurance

SYDNEY, Oct. 27 — (CP) — Maritime Amateur Hockey Association officers are studying a proposed group insurance plan to cover minor players.

Secretary-treasurer C. E. Campbell of Sydney has received some details of the plan from the Ontario Minor Association, which now has the plan in operation.

The move to bring the Maritime minors into such a program was made at the annual MAHA meeting in September.

The Ontario group plan covers injuries during games or practices under supervision of an association official — manager or coach.
